A DAZZLING SUCCESS.

Echoes From Comic Operas The Best Local Talent Entertainments New Bern Ever Had.

Notwithstanding the very warm weather the New Masonic Opera House was filled last night with a delighted audience who listened with every mark of enjoyment to the performance of Echoes from Comic Operas. As it has been stated in the Journal before that a chorus consisting of 150 young men women and children have been under the training of Mr. J. S. Atkinson, a New York stage manager has had great success in drilling local talent in the performance of comic opera songs. Especially those which have scored "hits" in metropolitan opera houses.

It was an enterprise which was entered upon enthusiastically by entire assembly. Mr. Atkinson's easy and gracious manner made the work of learning the songs and dances a pleasure and the short time in which they had to prepare themselves indicates Mr. Atkinson's wonderful managerial ability.

The appearance of the stage was arranged with artistic nicety. The scene from the Chinese Honeymoon was particularly attractive. It appealed to the tastes of all who admire the unique simplicity of Chinese or Japanese art.

Among the many pretty scenes and songs with fine music accompaniment was Pumpkin Colored Coons, a juvenile fantasy. Another beautiful scene was the "Moonlight sextette" with balcony scene. Rosie Poise, by Mr. Tolson and chorus was a lively and pleasing sketch. The well known and very popular comic sketch "The Maiden and the Jay" brought down the house with its bright and animated story as well as pretty music.

The Knights of Pythias band rendered splendid assistance to the performance. They played some new and attractive overtures, two step and rag time selections which were greatly appreciated by the audience.

The entire show was a novelty in New Bern and it was an entertainment which will leave pleasant memories in the minds of all who witnessed it.
