OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., July 27, 1905.

THE QUALITY OF THE IMMIGRANT

The Manufacturers Record in a recent issue has a number of pages devoted exclusively to Difficulties of the Labor Problem in Southern Industries, United States Civil Service Commis labor situation of men prominent in leading industries, and giving their re- desired.

Naturally these replies treat largely of the negro, and briefly summed up they are:

The negro as a class is tending to become less efficient as a laborer, and flicted with kidney trouble five years;

is self-evident to every one in this sec-

But while the immigrant is so much wanted, there will be found in his coming a serious menace and ultimate loss to this section, unless there be extreme care exercised in the quality of the Good For Stomach Trouble And Con immigrant, whether he comes_as a pauper and ignorant, or comes with some means and intelligence which will enable him to gain a livehihood that shall be fully self-sustaining, and ic the after effects are not unpleasant even more, shall also make savings and I can recommend them to all who

A most important feature besides the personal capacity of the immigrant for work, is his mental and moral status. which shall place him in the ranks of the voters, for in no section of the country, as in the South, is the possible political status of the new comer so important in its bearing on existing July social and educational issues.

It is because of this that the Italian and the peoples from Poland and -Hungary are not wanted. These men may easily become citizens through the manipulation of the bosses who bring them, and with the franchise can be element which have to be dealt with, as well as the negro, and if the treatment demanded radical efforts, it is not hard to see that serious results would follow, and the loss be far greater than the demy grounds. gain which the imigrant brought as a

The continued going out of the negro race as a social, political or industrial

A PROPERTY AND A STANDARD OF THE PROPERTY OF T

Finger Mark or Trade Mark-

Common crackers and wafers-fingered from the time they leave the bakery until you get them in a paper bag or the Biscuit, Crackers and Wafers baked by the NATIONAL BISCUIT COMPANY and packed in a package with all their oven flavor, delicious freshness and high quality? Which will YOU habe? If you want to answer this question once and for all, try a package of either of the three delights mentioned below:

Social Tea Biscuit

Just the thing to offer with an afternoon cup of tea—or chocolate—or coffee. In fact, they're good to eat most any time just for the pleasure of it. Sweet and slightly flavored with

Butter Thin Biscuit

A crisp, light, dessert biscuit, rich and satisfying, served as something out of the ordinary. If you really want a biscuit that's partic ularly nice, try a package

Graham Crackers

So different from the ordinary Graham Ciackers—different in baking—different in flavor—different in packing. More paintable —more satisfying—more nitritious. Made of the purest Graham flour and baked in a manner that only the National Biscuit Company knows.

Ever after you will be guided by the In-er-seal Trade Mark in red and white, on each end of a package, whenever and wherever you buy Biscuit, Crackers and Wafers.
