passing over the line already. The excursion to Raleigh, which from Arapahoe, was in the city yestertakes place today bids fair to be very large. The train composing eight cars went to Morehead last night which will day, with the first lot of this season's red yams, twenty five bushels, which were quickly sold at one dollar per bushel. This is unusually early for be the special train for the occasion.

yams, they seldom coming to market in The second game between the New Bern and Greenville colored base ball teams resulted in a victory for the visitors by a score of 5 to 4. The game ville broke up yesterday at noon after was played well and fast and was exa most satisfactory week of military

drills and maneuvres. It is probable that steps will be taken to make An adjourned session of the first meeting of the creditors of D. A. Owings & Co. was held before Referee Wrightaville the permanent camping ground for the State guard as that S. W. Smallwood yesterday. A. D. place has a more advantageous position Ward and R. A. Nunn appeared for the creditors and E. M. Green represent Mr. Owings. The case will be continued There are eleven prisoners at the ounty jail awaiting trial in the October today at 10 o'clock.

#### Charlotte Has Graft.

Charlotte is in the clutch of the denearly drawned at the surf Sunday, July mon of graft, William McCormick En 16, is reported as improving slowly. His physician states that he will not be able gineer of the water works was cited to appear before the Water Commission of that city and explain devious ways he had of obtaining large sums of money over and above his salary. The money Jim White was fined one dollar and costs by Mayor Patterson yesterday for coming directly or indirectly out of the shooting firearms within the city limcity treasury.

The Engineer was alleged to have used one method of collecting money by making an entry of Andrew Jack-Mr. Claud Taylor, of Bachelor, was son's name which was understood to be here yesterday with his new naptha none other than his wife. He explained that he did not care to have his launch, Thelma, The Thelma is designed for a freight boat is fitted with wife's name appear among a lot of nea ten horse engine of the latest make. groes. This and other subterfuges that and is strongly made, but with an were discovered developed the fact that economy space that gives great storage the engineer was drawing seven dollars and is strongly made, but with an The boat will ply between per day from the city. The affair has and other points on Clubfoots caused a big sensation in Charlotte. Blades and other points on Clubfoots

### Book Bindery for New Bern.

New Sera will in a day or two bave se of the most up-to-date Book Bind-ries and printing offices in this

State.

Mr. Owen G. Dunn, the leading printer of this city, has just bought out the Simmons Blank Book Company's machinery of Richmond, Va., who failed a few months ago.

He has secured the services of Mr. J. E. Null, of New York, who will have charge of the bindery. The have both just returned from Richmond, where they went to make the purchase of it is large plant.

The machinery will arrive in a day or two and they will be ready for business at once.

They will also do special loose leaf and card index work. This atyle of bookkeeping is getting to be very popu-lar and the [demand for this kind of work is one reason Mr. Dunn has added

He has also lately made additions to his printing department and is in position to turn out work promptly.

### Fencing Posts.
