Illness of Miss Daisy Moore.

Mr. R. B. Smith received a telegram rom his mother, who is visiting at wansbore stating that his cousin, diss Daisy Moore, of this city, is very il there and it is feared that she can not recover. A telegram announcing the young lady's sickness was received Friday and her aunts, Mrs. Faunie Haskins and Mrs. George W. Smith and her brother, Mr. Daniel Moore, hastened to her bed side.

Miss Moore went to Swansboro to visit relatives a few days ago and was stricken with a severe attack of typhoid fever there. She has many friends in the city who are pained to hear this distressing news and hope to hear that she is recovering.

Cures dizzy spells, tired feeling, tomach, kidney and liver troubles Makes you well and keeps you well. That's what Hollister's Rocky Mountain Tea will do. 35 cents, Tea or Tabets. For sale by F. S. Duffy.

An eye strain means that rays of light do not focus on the mirror or retina of the eye properly, and if the eye had no power to concentrate these rays to a focus very bad sight or almost total blinding would result, but by more or less excessive muscular action stimulated by an excess of nerve force these rays are made to focus, which accounts for the strained condition with loss of nervous energy which should supply some other part of the system, nature rebels at this robbery by the headaches, inability to read for any length of time, inflamed eyes, cross-eyes and hundreds of other disagreeable symptoms. Art has furnished a means of lens or spectacles to focus properly the rays of light, without the aid of any of the mustles of the eye, which removes the strain or cause, the symptoms of course are cur-

We take great pains in the careful examination of the eye, this combined with the necessary instruments and long experience places our optical work as good as any specialist which has been proven in these columns.
