CORPORATION COMMISSION NOTIFIED

President James A. Bryan Files Official Information of P. O. & W. Railway.

Work of Raleigh & Pamlico Sound Railway Progressing. Dry Spell Broken.

Chief Marshal of State Fair Chosen.

Raleigh, August 9.—Ex-Governor Aycock, Josiah Dixon of Greenville and Josiah Exum of Snow Hill were here today and appeared before Governor Glenn at a special hearing, at which they asked that he commit to life imprisonment the death sentence of Will Exum, murderer of Lenoir county, Solicitor M. O. S. Greer, who was also present at the hearing, upon notice from the Governor. This is the second formal hearing of the application for commutation.

The Corporation Commission, authorized by the Bank of Mitchell, at Bakersville to do business.

The officials of the Falsigh & Pamlico Sound Railroad say that almost eleven miles of the line is completed, the grading force of convicts being now 63 miles east of the Neuse River. The road is being laid with 60 pound rail, and is in very good condition.

B. Frank Mebane, of Spray is chosen chief marshal of the State Fair, and will make collection of assistant marshals representing every part of the State.

Walter R. Moore of Jackson county arrived here today to ask pardon for Charles Owen of that county, who is serving a ten year sentence in the penitentiary for manslaughter.

Up to night before last it had been excessively dry here for almost a fortnight, but there was then a light rain and yesterday and last night very heavy ones, with a long continuance of an electric storm.

President James A. Bryan of the Pamlico, Oriental and Western Railway, notifies the corporation Commission that 16 miles of the line are completed and in operation. The Commission has accordingly made a tariff of freight rates for use on this road.

Governor Glenn in Demand.

Special to Journal.

Raleigh, August 9.—Governor Glenn has accepted a special invitation to deliver an address at the State Fair at Concord, N. H., September 13, Winchenden, Mass September 14; St. Johnsbury, Vt, September 20; and at Waterville, Me, September 21. He will also address the business men of Boston after the last date. He will be the guest of Governor of Vermont while in that state. He was asked by the latter to give the sentiment he would dwell upon in these and said it would be the hope that New England and North Carolina would be better acquainted. Men of most generous sentiments exist in both and that as the son of a Confederate soldier he is broad enough not to be sectional and stands for the whole Union.

Baseball Game Today.

The management regrets to announce that the Lima team will be unable to play on account of the illness of that club's pitcher. But there will be a game today, anyway, between the First and Second local teams. There will be an exchange of batteries between the two teams. Patterson and Armstrong, battery for the First, will play with the Second team.

The game promises to be a well fought and interesting one, both teams are in good condition, and it will be remembered that the Second team won a splendid victory recently from Beaufort.

The game will begin at 4 o'clock and the admission will be 10 and 20 cents.

Frank Hyman, a colored man, was knocked overboard from the schooner H. B. Lane, Friday afternoon and drowned.

The schooner, plying between New Bern and Stocombs creek and had sailed from here loaded with general merchandise. He immediately sank and it is presumed that the blow stunned him before falling in the water.

The unfortunate man lived in the neighborhood of Havelock. The body was dredged from Wednesday, but had not been found at a late hour in the afternoon.
