RAINDAMAGE

Reports From the State Say That Cotton Is Hurt.

Criminals in Jail Enjoying Themselves to the Best of Their Ability. The Case Against Frank Moore Accused of Murder and Aaron Believed to be Strong.

Plans for a Large New Building for Baptist Female University.

Raleigh, Aug. 10.—The rains continue and are doing much damage to crops, particularly to cotton. "It was mentioned yesterday that streams are high. The larger ones are rising. A number of people in this county are water-bound.

Charles Wingate, the Tarboro man sentenced to thirty days in jail there and brought here for safe keeping, is yet in custody. He was allowed to appeal but could not give the thousand dollars bail required, some of his people being out of reach. An official here said he thought Wingate would now remain in jail the thirty days and not give the bond as he has already served 15 days of the time. He says he enjoys himself fairly well.

Ex-Sheriff J. Rowan Rogers and J. P. Sorrell, in jail for embezzlement and who are not to get out until "next January, seem to be taking things easy and in a way enjoying themselves. A friend here has ever since they have been in prison sent them two meals a day, and good ones too, from his own home.

Frank Moore, the white man who confessed to his implication in the murder, robbery and fire at the Standard Oil plant here, was this evening committed to jail without bail, the magistrate holding his confession to be valid, though Moore's attorneys sought not to have it recognized.

State Auditor Dixon has completed the new new pension roll. There are twelve hundred new soldier pensioners and three hundred widows. Auditor Dixon, who has in charge the collection of rosters of North Carolinians in the Confederate service has sent all these to General Ainsworth of the War Department for publication. He says very complete rosters have been secured.

President Vann of the Baptist Female University for women says plans are in preparations for a large music hall there, to seat at least 2,000 persons. In order to locate this, additional property will have to be bought. The University does not own the entire block, but only part of it, where its buildings now stand, and it really ought to have the entire block. The laundry is to be built on the present property. Last term there were 354 students.

It is quite probable that all the corporation commissioners will attend the annual session of railway commissioners at Deadwood, S. D., beginning on the 16th, they will not go to the Pacific coast with the other commissioners, they intimate.

Warrants were issued today for 9 new rural free school libraries 6 Union, 2 to McDowell and 1 to Burke.

The various places of rest and recreation at Black Mountain are filled or nearly so as the height of the season is at hand. Many parties are made up for the ascent of Mt. Mitchell which is one of the most delightful experiences to be had.

ECZEMA ON LITTLE GIRL

Sleepless Nights for Mother and Awful Suffering of Child.

CURED BY CUTICURA

Had Given up All Hope of Ever Making Any Cure.

Mrs. I. B. Jones, Addington, Ind. T., writes: "My little girl had been suffering for two years from eczema, and during that time I could not get a night's sleep, as her ailment was very severe. I had tried so many remedies and spent so much money, deriving no benefit, I had given up all hope of making any cure. As a last resort I was persuaded to try Cuticura, and to my great delight a marked change was manifested from the first application. I gave the child a bath with Cuticura Soap, using a soft piece of muslin cloth. This I did twice a day, each time following with Cuticura Ointment, and at the same time gave the Resolvent, according to directions. One box of Ointment and two bottles of the Resolvent, together with the Soap, effected a permanent cure. I submit this for publication, hoping it will assist other sufferers in curing themselves."

COMPLETE TREATMENT

Consisting of Cuticura Soap Ointment and Pills.

The first step in the treatment of chronic Eczema is to remove the scales and crusts and soften the skin, by warm baths with Cuticura Soap. Dry carefully and apply Cuticura Ointment, lightly at first, and where advisable spread it on pieces of soft cloth and bind in place. Take the Resolvent Pills, or liquid, in medium doses. Do not use cold water in bathing, and avoid cold, raw winds.

Sold throughout the world. Cuticura Resolvent, 50c. (10c. form of Chocolate Coated Pills, 50c. per box of 50). Ointment, 50c. Soap, 25c. Cuticura Soap & Ointment, 50c. per box of 50. Cuticura Soap & Ointment, 50c. per box of 50. Cuticura Soap & Ointment, 50c. per box of 50.
