LANDS OFFERED.

But Very Few Applications For Immigrants.

Attended Negro Outrage, Fire Investigation State Charter Granted, Raffle For Hall of History Corporation Don mission Re- lures.

Raleigh, N. C., August 23.—Governor Glean left today for Red Springs where he delivers the principal address at the reunion of the people of that section tomorrow which is to be a very large affair.

The Corporation Commission has returned from South Dakota, where they attended the National Convention of Railway Commissioners, sessions being held at Deadwood and Hot Springs, the places being only two miles apart. They say the crops in Iowa and Nebraska are the finest they ever saw. The attendance at the Convention was larger than usual. No business of special importance to North Carolina was transacted.

Deputy Commissioner of Insurance Scott, is now in the western part of State investigating fires which is thought to have been incendiary.

A charter is granted to the Young-Hartwell Mills Co., which will build and operate a cotton spinning and weaving mill in No. 11 township, Cabarrus county, near Concord, the capital stock being \$300,000, one fourth preferred, J. I. Hartwell, R. S. Young and W. C. Houston being the stock holders.

Col. S. J. Cobb of Lumber Bridge has sent to the Hall of History the British musket used by his grandfather Nell McAlpin during the war with the revolution. He writes that McAlpin was a lieutenant and was wounded at Ramsays Mills on deep river, at the battle of March 28th, 1781, thirteen days after that of Guilford court house, and that he took the oath of allegiance to the United States at Wilmington, where he was left suffering from two wounds his regiment having gone with Cornwallis to Yorktown. He took the oath some time after the surrender of Cornwallis. He then went to the Scotch settlement in Robeson county and located Bennett where he died in 1830. Col. Cobb says the old musket has killed hundreds of deer, bear, turkeys, panthers, wild cats etc., and will still shoot as well as ever making a noise equal to that of a small cannon, the recoil equaling the kick of a mule.

Secretary Bruner of the Board of Agriculture is very much astonished at the fact that so few applications for tenants or laborers, have come into him from the people of the state in response to his circulars. It had been understood that great numbers were desired and in fact that a quarter of a million people could be placed, but not enough applications have come in to make up a car load of people and he does not care to go to New York after a smaller number than a car-load, say 50 or 60. There are really more offers to sell land than there are applications for immigrants.

The Baptists here appear to be much pleased at the selection of Rev. M. L. Kessler of Morganton to succeed Rev. J. B. Boone as general manager of the Baptist Orphanage at Thomasville. At one o'clock this morning the wife of Richard Cross, who is a night watchman at the Seaboard Air Line Ry, shops here, awakes in time to see a negro in the act of climbing into her room through a window. She screamed, the man fled and was shot at. Bloodhounds were wanted but there are none here. The penitentiary bloodhounds are no longer kept here but at the state farm near Weldon.

Organ Recital

Prof. Morgan of Wilmington Delaware, will give an organ recital at the First Baptist church this afternoon at half past four o'clock. Prof. Morgan is a fine organist and pleased the audience at the Baptist church last Sunday very much. His playing will be greatly enjoyed by all music loving people.

Dental Notice.

Dr. Early is out of town and his office will be closed until Sept. 1st or 2nd.
