W. D. Barrington
MANAGER

Harlowe And North Harlowe,
Aug. 29.
Mrs. N. H. Hancock and some of her children are visiting her sister Mrs. Bettie Beal.

Capt. D. W. Jenkins and family after a summer visit to relatives left for Morehead City last week enroute for Raleigh where they go to make a visit on their way to their home at Atlanta, Ga.

Mrs. C. W. Bell who has been on a short visit to her daughter Mrs. J. G. Taylor left Saturday for her home at New Bern.

Mrs. D. G. Bell left Saturday for her home at Morehead City. She has been staying with her sick mother Mrs. M. E. Bell.

Miss Ida Taylor left last Sunday for her home at New Bern. She has been stopping with her Aunt Mrs. Bettie Bell and other relatives.

Messrs. Jas. L. Taylor and John Smith of Beaufort passed through our burg going to and coming from Quarterly meeting at Riverdale.

Our good and jovial friend Harris Gilbert Bros. & Co., was here last week he enjoys a laugh as well as ever.

Mr. J. T. H. Moore of New Bern was a caller at our sanctum yesterday. He was on his way to South River.

Our community was saddened last week when they were called to our cemetery to help lay to rest the remains of one of our former neighbors Mrs. Liddia Simpson, late of New Bern. She was brought by many relatives and friends among whom were her pastor Rev. G. T. Adams who conducted the burial service and a staunch friend of the family, Mr. Warren Ellis who has done much for them and kindly followed her remains to its last resting place.

Mrs. Mollie Morton and children who have been visiting her relatives here returned to her home last Sunday, Mr. J. A. Morton taking them to Beaufort in his carriage.

We had no mail Monday. We hear that it was on account of a broken wheel. It would appear that our mail is of little importance.

Mr. and Mrs. Joshua Adams and Messrs. W. F. Taylor and E. D. Hardis attended Quarterly Meeting at Riverdale last Saturday and Sunday.

Mr. Allen Newberry of Newport was a pleasant caller upon us Monday.

LIVES DEARER THAN OUR VERY OWN
How many lives dearer to us than our very own have been placed in needless jeopardy by failure to provide against and forestall the great suffering which too frequently accompanies and follows the bearing of children? That we would do anything within our power to obviate the possibility of such an happening is too patent to admit of question; therefore—mark well this fact—a liniment, by name, has been devised, whose function it is to prepare in advance the muscles and tissues intimately associated with parturition.
MOTHER'S FRIEND
This liniment is for external application. By its use the parts are relaxed and enabled to withstand not only the actual strain brought to bear on them during accouchement, but also to rally from this ordeal and speedily regain their normal proportions and tonicity. It is not irritating to the most sensitive surfaces, and is applicable to all cases. It's not enough to call it Mother's Friend—it's the friend of the whole family. \$1.00, all druggists. Book "Motherhood" free.
