D. J. BRADSHAW,  
Secretary & Treasurer.

## DESPERATE ENCOUNTER

### Between Two Lightning Rod Agents at Wilson

Adams to Hang Thursday. The Half Case. Governor Leaves For New England. Address to Engineers. College Reception.

Raleigh, Sept. 11.—At the town of Wilson, in Holly Springs township, this county, Saturday afternoon, there was a desperate shooting affair in which two lightning rod agents named Aiken and Lendon, both from Dunn, figured. It appears from the statements brought here that both men were drinking, and that Aiken attacked Lendon with a whip, whereupon the latter cut him with a pocket knife, whereupon Aiken went into a store, procured a shot gun, pursued Lendon and shot him in the back, then caught him, threw him down and stamped him. Two men of the place, one of them S. G. Wilton followed Aiken to save the life of Lendon, but he turned upon them and pursued them all the way to Wilton's house, where they locked themselves in. Aiken went around the house several times with the gun and threatened to kill them, and once put the gun through and attempted to shoot a young daughter of Wilton. The men were tried at Fuquay Springs today.

When notice was given to Will Adams, the condemned man in jail here, that the Governor had ordered him to be hanged next Thursday, he manifested no interest in the matter, indeed did not seem to realize his fate.

It has been intimated that there would be habeas corpus proceedings in the case of the men charged with killing Nell at the hospital for the insane, but any such plan has been definitely abandoned. The attorneys will devote themselves to the investigation this week by the directors, from which interesting developments seem to be expected.

Governor Glenn and party left at one o'clock this morning on a private car, over the Seaboard Air Line for New England, where, as has been stated, the governor will make a series of speeches on North Carolina and the South.

Yesterday State Treasurer Lacy and ex-Congressman B. H. Bunn addressed a very large meeting of the conductors and engineers of the Atlantic Coast Line at Rocky Mount. Mr. Lacy, who returned here today, says Mr. Bunn made one of the most appropriate speeches he ever heard.

Next Thursday at Edenton Street M. E. Church Sunday School, a special reception will be given in honor of the A. & M. College cadets and of the Methodist girls who are attending the various colleges in Raleigh.

### FEWER HOURS, MORE WAGES

#### New Demands To Be Made Upon Coal Operators in December

Shamokin, Pa., Sept. 10.—In a whirlwind campaign through the anthracite coal region John Mitchell, president of the United Mine Workers of America, is getting his followers into line in anticipation of the convention to be held in Shamokin next December.

There is little doubt that the miners will again ask for the recognition of their union so that they may obtain formal contracts regulating their dealings with the mine-owners. It is also likely that they will demand a reduction in the hours of work and an increase in wages in every department of work.

Colds cause congestion and confinement. Fluids which should pass through the bowels and kidneys are obstructed by the nose and throat. Hollister's Rocky Mountain Tea will positively cure. 25 cents. Sold by F. S. Duffy.

We are very glad to let the people of New Bern know our great value. We want to be able to get to you in the business we are also glad to state that we have succeeded in getting the State's business in our hands. We are glad to state that we are a very good dealer.

Very respectfully,  
GEORGE L. B. BARKER

Notice

All persons wishing to work in the public schools in New Bern, N. C. should apply to the Superintendent of Schools, New Bern, N. C., at 12 o'clock on Sept. 12, 1905.

### COTTON CONVENTION ADJOURNS.

An interesting meeting in which many valuable problems were settled.

Asheville, N. C., Sept. 8.—The Southern Cotton Growers' Association for three days in session at Kenilworth Inn, adjourned tonight, to meet again in November at Hot Springs, Ark. A meeting will also be held in January at Montgomery, Ala.

Mayor Barnard on behalf of the city tendered an invitation to the association to meet in Asheville this fall. President Jordan responded to the invitation. He thanked the city officials for the invitation, for the cordiality and hospitality shown the association by the people of Asheville, and said that at a meeting of the committee this afternoon Hot Springs had been selected as the November place of meeting and that Montgomery had been promised that one meeting would be held there.

President Jordan stated that he would use his influence to have the mid-summer meeting next year held in Asheville.

The association today adopted a resolution levying 3 cents on every bale of cotton produced by members of the association. One cent of this revenue goes to the national organization, one cent to the state organization and one cent to the county organization within the cotton belt.

It is estimated that \$300,000 in revenue for the national, state and county organizations will thus be raised.

The case of Vice President Peters, whom President Jordan attempted to remove, came up in executive session this afternoon. President Jordan was sustained, but Mr. Peters will have an opportunity to resign.

### SIX KILLED

#### And Fifteen Injured in Wreck on Elevated Road, New York.

New York, Sept. 11.—As a result of a car on the 9th avenue elevated track jumping the track and plunging to the street, six persons were killed and fifteen injured, some fatally, shortly after seven this morning. The accident happened at Ninth avenue and 58th street, and is the first time in the history of the elevated road in this city that a car has fallen to the street. The train was bound south packed full with people on their way to their day's labor. The train was delayed at 116th street and Eighth avenue for several minutes, and when it got started the motorman tried to make up for lost time. As the train approached 58th street, where the Sixth avenue elevated tracks are switched from 9th avenue and sent through 58th street to the 6th avenue, the motorman thinking the switch was properly set for him, did not slacken the speed of the train. The first car passed over the switch all right. When the switchman seeing his mistake turned the switch and the second car left the track and crashed through the guard rail and fell to the street below, a distance of twenty five feet. Immediately there was a mass of howling humanity among the broken twisted wreck of the car. The other cars remained on the track and hurry calls were sent for ambulances. The fire alarm was turned in, the third car of the train having caught fire from the third rail. The injured were removed to the Bellevue, Flower, and Roosevelt hospitals. Coroner Scholer was ordered to arrest the motorman, conductor and switchman. The conductor has been arrested.

### Earthquake Killed 450.

Rome Sept. 10.—Official figures of victims of the earthquake in the province of Capanaro show that 450 dead have already been found, that about 1,000 were injured and that there are an enormous number of persons without shelter.

### NARROWLY ESCAPED

#### SERIOUS INJURY.

##### Mrs. J. E. Benton and Her Sister, Miss Ruby, Seriously In a Runaway.

Mrs. J. E. Benton was driving with her sister Miss Ruby Daniels on East Front street last night, when a dog which was considerably excited by the ringing of the fire bell running in front of the house started it and caused it to run. The horse had not gone far before one of the reins broke and the ladies were entirely at the mercy of the frightened animal. Fortunately, however, it did not run far for it turned into a narrow driveway between De Coteau's factory and the fence. It ran to the fence in the rear of the factory and was stopped.

The ladies remained in the driveway and received no injury more than the terrible fright the affair could have caused them. Their escape from serious injury and perhaps a fatal accident was remarkable.

## AN AWFUL SKIN DISEASE

### Sores Covered Neck and Cheeks—Itched Day and Night—Nothing Did Me Any Good—Was Growing Worse.

### CURED BY CUTICURA AT COST OF \$4.50

Miss Nellie Vander Wiele, of Lakeside, N. Y., writing under date of April 18, 1904, says: "I do wish you would publish this letter in the newspapers, so that others suffering as I have may see it and be helped. I suffered for many months with an awful skin disease, sores covering my ears, neck, and cheeks. Scabs would form and they would swell, and itch day and night. Then they would break open and blood and matter run out. I had tried many different remedies, but none of them did me any good. I was growing worse when I tried the Cuticura Remedies. The first application helped me, and when I had used two cakes of Cuticura Soap, three boxes of Cuticura Ointment, and three bottles of Cuticura Resolvent, I was completely cured."

## TORTURING, DISFIGURING Humours, Eczemas, Itchings, and Chafings Cured by Cuticura

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter, and salt rheum, — all demand a remedy of almost super-human virtues to successfully cope with them. That Cuticura Soap, Ointment, and Pills are such stand-proven beyond all doubt by the testimony of the civilized world.

Cuticura Soap, Ointment, and Pills are sold throughout the world. Write for a sample to the Cuticura Remedies, P.O. Box 103, Lowell, Mass., U.S.A.

### Misses Wyatt Music Class.

The Misses Wyatt opened their music classes, in this city, Monday September 11th, at 153 Middle St. The following as to their musical standing of the Misses Wyatt is of importance:

#### TO THE PEOPLE OF NEW BERN.

I take this opportunity to recommend to those who desire to secure competent teachers of piano and violin the Misses Besio and Jessie Wyatt.

Miss Besio Wyatt has taken both the certificate and the full diploma course in piano playing, and has had several years successful experience as a teacher in some of the prominent schools in the State.

Miss Jessie Wyatt also took a teachers certificate in the violin department and has had experience as a teacher.

They are deserving of confidence and patronage.

Very respectfully,  
GILMORE WARD BRYANT,  
Director Southern Conservatory of Music,  
Durham, Sept. 2, 1905.

#### Watch and Clock Repairing.

I am now located at 69 Broad street, where I am ready to repair watches, clocks, jewelry, etc., at prices that cannot fail to please. Notify me and I will call for your work and deliver it.

E. J. MATTHEWS

#### A New Meat Market.

Mr. A. D. Harris, who conducts a grocery store on corner of Griffith and Altmore streets, will start a first class meat market in connection with his store next Saturday Sept. 16, this enabling the people of that section of the city to get their meat on short notice and saving trouble and time. Mr. Harris will carry the finest line of meat and sausage that can be prepared. His make of sausage will be a feature as he is an adept in that article.

The market will be styled Harris Meat Market. A phone will be put in and the citizens will be posted generally by his ads in the Journal.

A tonic that makes rich, red blood. Brings strength, health and happiness to the whole family. Nothing equals Hollister's Rocky Mountain Tea, as a tonic. 25 cents. Sold by F. S. Duffy.

#### VOICE OF THE PEOPLE.

##### Equal Privileges to All.

Editor Journal:—I notice that the city owns a new speaking, the old one having been worn out and as you are to (read all) the citizens of the city, then would it do to wear the new one out on a street east of the court? This would be equal service to all and equal privileges to none.

VIDE

A building built. Caves all around the town. Faded and faded. Here and there a few people are seen. The building is a fine one. It is a fine one. It is a fine one.
