GIVEN TEN DAYS

Smith Resisted Because New Facts
Develop.

Question of Who is Now Real State Execu-
tive, Glenn or Winston, Negro
Adams Privately Hanged.

Does Unconcerned
Division Pension
Money.

Raleigh N. C. Sept. 14—Yesterday
Governor Glenn, from Concord, N. H.,
resisted for ten days Peter Smith, un-
der sentence to be hanged today at
Marshall. Nothing regarding the re-
sponse was given out from the executive
office yesterday. The first news your
correspondent had of it was a telegram
last night from Asheville, saying the
authenticity of the telegram was doubt-
ed. The Private Secretary was asked
today about the matter and said nothing
was given out yesterday as there
was nothing to give out, as the man
was in a day of being hanged and a
quick action was needed. He said that
Attorney Ebbs for Smith asked for a
respite, the telegram being addressed
to Gov. Glenn. The Private Secretary
says this came about one o'clock in the
afternoon and that Ebbs said that he
had secured evidence from the young
woman in the case that she had been
forced by her father to make the state-
ment which resulted in the conviction
of Smith. The Private Secretary, then
consulted the Attorney General and two
members of the council of the State and
they advised him to telegraph Gov.
Glenn, the Attorney Gen'l writing the
telegram giving the facts in the case.
The Governor in reply telegraphed the
Private Secretary to respite Smith for
ten days. The question came up with
the Governor being out of the State
could in law do this, or whether Lieu-
tenant Governor Winston is now gov-
ernor. When Gov. Jarvis left the State
to go to Boston in 1893, to remain a
month Lieutenant Governor Jas. L.
Robinson was notified to come here and
as soon as Gov. Jarvis crossed the State
line Lieutenant Gov. Robinson was
sworn as Governor, and all the time of
Mr. Jarvis' absence exercised full
power of Governor as to pardons, com-
missions etc. His letter book is in the
Executive office, with the title "Letter
Book, Gov. Jas. L. Robinson."

The State Pension Board in dividing
the \$175,000 pension money gives the
same allowance to first, second and
third class pensioners and \$18 to fourth
class and widows, which is an increase
of four dollars for them.

Today Will Adams, the negro murder-
er was privately hanged in a small en-
closure, roughly boarded and covered
in the rear of the rear of the jail, over
five hundred had applied for tickets to
see the hanging, but about thirty-six
saw it, today a negro who had a ticket
was offered \$2.00 for the ticket but re-
fused to sell. There was plenty of morbid
curiosity to see the neck of the wretch
broken. Sheriff Page himself sprung
the trap. The negro called for a break
fast of sausage and coffee. The execu-
tion affected the thirty prisoners in
the jail very much. Negroes, included
preachers and singers, were in the jail
with Adams until 11 o'clock last night.
His wife again went to see him this
morning. He was unconcerned and
said he was ready to go and had been
all the time and that he had always
told the truth. He is the fifth man
hanged by Sheriff Page, all being murder-
ers.

Second Night of Powhatan.

The second performance of the opera
Powhatan was produced last night in
the presence of a large and intensely
delighted audience. It was expressed
by those who saw the play both nights
that the last was the best.

There were many features which
would require a more extended notice
than the Journal can give at this time
but in the Sunday issue we will be
pleased to have more to say about it.

OUR NEW REVENUE CUTTER

For Neuse River, Albemarle and Pamlico
Sounds. Appropriation of \$175,000
Secured by Congressman Thomas.

Hon. Charles R. Thomas has been
advised by H. S. Merrill, Acting Chief
Revenue Cutter Service, that the new
Revenue Cutter for Neuse river, Al-
bemarle and Pamlico Sounds, for
which he secured an appropriation of
One Hundred and Seventy Five Thou-
sand Dollars (\$175,000) at the last Con-
gress, will soon be built. He is urging
immediate construction of the ves-
sel.

The following letter shows this ves-
sel is to be one of the best ever con-
structed, and adapted to the navigation
of Neuse river and the North Carolina
Sounds:

Hon. C. R. Thomas, M. C.,
New Bern, North Carolina.

Sir:
1. Respectfully referring to your
letter of the 9th inst regarding the
new revenue steamer to be constructed
for duty in Albemarle and Pamlico
Sounds, I have to say that as this ves-
sel is to be of very light draft (only
five feet) it was deemed advisable to
have experiments made with the model
of the vessel in a model tank at the
Washington Navy Yard. After a de-
lay of over three months, owing to a
large amount of experimenting being
done at that place, the trials have been
completed and the exact power neces-
sary to produce the required speed has
been determined.

2. This vessel is intended to be the
most complete revenue cutter ever con-
structed. It will be of steel through-
out, 150 feet in length, 31 feet beam
and 5 feet draft, and will displace about
400 tons. She will have twin screws
and be capable of developing 800 indi-
cated horse power, which will easily
give her a speed of 12 knots.

3. It is intended to fit this vessel
with a complete electrical installation,
which will include a search light, sig-
naling apparatus and wireless tele-
graphy. Plans will probably be com-
pleted by the last of November, when
proposals for the construction of the
vessel will be solicited by public adver-
tisements.

Respectfully,
H. S. MERRILL,
Acting Chief of Division

Where Shall I Send My Boy to School?

I think there are several things in
Bingham School, near Mebane, N. C.,
which commend themselves to thought-
ful people who are considering where
to send their boys.

An able corps of assistants, who
seem to gain the affections as well as
command the respect of the boys, the
physical development in the gymna-
sium, the accuracy and neatness in
pennmanship, the religious influence of
the Y. M. C. A., and the interest in
Bible knowledge by regular systematic
study of Bible principles.

Every successful institution must
have a head in fact, as well as in name
a master who kindly but resolutely con-
trols. This I consider as Bingham's
strongest point.

Letter to Rev. A. F. Bumpas

New Bern, N. C.

Rev. Sir: Three churches in Bald-
winsville, N. Y., have had their first
lesson in Devoe.

Messrs. Osterhout & Lockwood paint-
ed the Presbyterian parsonage; esti-
mated 50 gallons; took 22.

Messrs. Slingerland & Shutter paint-
ed the Episcopal church; estimated 40
gallons; took 23.

Same painters painted the Catholic
church; estimated 50 gallons; took 30.

Of course, they estimated from what
they had been using. The saving in
paint and work is \$4 or \$5 a gallon.
Total saving on three jobs \$125 to \$150
—the painting costs two or three times
as much as the paint, you know.

Yours truly

F. W. Devos & Co.

TORTURE AND HUMILIATION

For Fifteen Years Face and Body
Mass of Itching Sores—Could
Not Express Suffering—Doctors
Failed—Had Lost Hope

CURED BY CUTICURA
AT COST OF \$1.25

"My head was one mass of scabs,
my forehead was covered down almost
to my eyebrows, and I had to wear
my hat all the time. My body was
covered with spots in size from a pin-
head to as large as a silver dollar. A
white, crusty scab would form and
itch, and words cannot express the
torture and humiliation I suffered for
fifteen years. I tried many doctors,
and all kinds of treatments, but could
get no help, and I thought there was
no hope for me. A friend told me to
get Cuticura. I did, and in three days
my head was as clear as ever. I ap-
plied the Ointment night and morning,
also taking a hot bath three times a
week, and using the Ointment freely
after the bath. After using one cake
of Soap and two boxes of Ointment I
was completely cured, without mark
or blemish. I was so pleased I felt
like running down the street to tell
every one I met what Cuticura had
done for me. If any one is in doubt
about this, they may write to me.

ington St., Allegheny, Pa."
