OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., Oct. 1 1905.

KNOWLEDGE BRINGS LUCK.

"O, once in each man's life, at least, Good luck knocks at his door; And wit to seize the fitting guest, Need never hunger more. But while the loitering idler waits Good luck beside his fire, The bold heart storms at fortune's gates, And conquers its desire."

At this the beginning of another school year, too much emphasis cannot be laid upon the question of education, and this is a matter important to parent and child. Education is not mere attendance upon school, the gathering together of a few rules of arithmetic and grammar, learning to spell easy words and a few hard ones and getting a few historical and geographical facts. Education is not simply school attendance, but school attendance rightfully and thoughtfully entered upon, most vital in its effective influence and result upon the educational life of every child.

It is the thought beforehand of the parent which prepares the child to be in the just and proper receptive mood, so that coming to the teacher there is no awkwardness, no hesitation to begin work, or a desire of anything except to enter upon every school duty with care and diligence. This opens the right way for the child, and there is no grind, no struggle to get into the spirit of every day school life, which once rightly entered upon makes all study a pleasure, and the hard work to possess no terrors to overcome.

It is the thoroughness in any profession which brings courage to attempt and do, not wait for Good Luck to knock at the door, for the very preparedness of any person is the open sesame to honor, fame and fortune, for the one so prepared cares for no warning, no invitation to come forth, for he or she is already on the way to storm whatever may oppose, or stand in the way of success.

Knowledge brings luck because knowledge is being in a state of readiness, and this means the acceptance to do whatever comes to hand, or bring to something to hand if it does not present itself. The possessor of knowledge cannot be an idler, for the idler is one who waits for something to come to hand, instead of going forth to seek it, and this very desire, this eagerness to go forth, prompted by the knowledge of personal power and ability is the certain precursor of individual success.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have in much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A Cold Settled in His Kidneys.

A. J. Jennings, 2201 Butler St., Chicago, writes: "I am a switchman and my work is all kinds of weather. I took a cold which settled in my kidneys and I was in bad shape. I tried several remedies but with no benefit, until I was recommended by my physician to use Doan's Kidney Pills. I took a box of Doan's Kidney Pills and it cured me."

HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair consistency. A person without hair is not devoid of character; far from it. The disposition of the average blond-headed man is to show such solicitude for the welfare of others, that he neglects himself. A person whose hair is Prof. Schourand, of Paris, France, associated a rabbit with Dandycut germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide.

"Destroy the cause—you remove the effect," said by leading druggists. Send for stamps for sample to The Herpicide Co., Detroit, Mich.

Wounds, Bruises and Burns

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the great discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soothes and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by Davis' Pharmacy and F. S. Duffy.

For the Blinded.

For removing band stains try two ounces of glycerin, two ounces of vasoline and four tablespoonsful of lemon juice, all mixed and well shaken. This is to be rubbed on the hands after washing and rinsing.

Ancient witchery was believed in by only a few but the true merit of DeWitt's Witch Hazel Salve is known by every one who has used it for hemorrhoids, eczema, and piles.

Cheap Stakes on Lions.

Grass stalks on lions should be asked for a few moments in seasons, then washed in very hot water with a generous supply of soap.

When you feel lumpy, it will give you a regular habit, and when you feel lumpy, it will give you a regular habit, and when you feel lumpy, it will give you a regular habit.

Naval Vessel to Be Wrecked.

The hull of the old naval steamboat Philox, which has been lying at Deep's boat yard, a short distance north of Alexandria, Va., ever since she was abandoned about two years ago, has been taken to a point on the Maryland side of the river opposite Alexandria, where she will be wrecked to obtain the metal in her timbers. The Philox for many years ran on a route between the Naval Academy at Annapolis and Baltimore and was a very handsome craft.

CARL SCHOFIELD.

Full of Tragic Meaning.

are these lines from J. A. Simmons, of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough, that disturbed my night's rest. Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of disease. At all drug stores. Price 50c, guaranteed.

Care of Rosewood.

An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale by Davis' Pharmacy and F. S. Duffy.

Cement For Chins.

Given Up To Die.

H. Spiegel, 1204 N. Virginia St., Evesville, Ind., writes: "For over five years I was troubled with kidney and bladder afflictions which caused me much pain and worry. I had tried and used all run-down, and a year ago I was given up to die. I had tried the best physicians who did me no good, and I was practically given up to die. I was recommended by my physician to use Chamberlain's Kidney Pills, and after using a few I was completely cured, and my bladder is now as good as new, and my kidney is also cured."
