GOT HIS HAIR BACK
Was Perfectly Bald When He Started to Use Herpelid's Herpelid.

Frederick Manhart, Maryland Woods, Butte, Montana, bought a bottle of Herpelid's Herpelid, April 1, 1906, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 10 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Herpelid's Herpelid works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpelid's Herpelid the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 50c in stamps for sample to The Herpelid Co., Detroit, Mich.

Rev. J. W. Nobles of Pollockville came up yesterday morning to visit his daughter, who is in school here. He preached a very able sermon at the Baptist church, also last night.

The Episcopal church was dedicated yesterday. Bishop Strange preached the dedication sermon. After the service a family re-union was held in the grove near the church, where a most elegant dinner was spread in honor of Mrs. Polly Smith, who is in her eightieth year. Nearly all of her children and grand-children were present.

Rev. Claude Smith of Washington, D. C. delivered a most interesting talk to the students of Winterville High School Monday morning.

Consumptives Made Comfortable.

Insipient consumption is cured by Foley's Honey and Tar, but we do not hold out false hopes to consumptives by claiming that it will cure this dread disease in the advanced stages; but if the lungs are not too far gone, Foley's Honey and Tar will effect a cure, as it stops the rattling cough and soothes the inflamed air passages giving them a chance to heal, and even in the advanced stages it always gives comfort and relief. A. A. Barnes, of Fayetteville, N. C. writes: "Foley's Honey and Tar is the best preparation I have ever seen for my trouble. I know that it has cured me, and I am glad to be able to tell you so." Sold by Davis Pharmacy.

Facilities Teachers Union Holds Interesting Session.

Barboro, Oct. 2.

The Pamlico Teachers Union was called to order in regular quarterly meeting by President Ross at 11 o'clock Saturday Sept. 30. An elaborate program had been arranged and all interested in education were invited.

Supt. Ragdale of Pitt county delivered a very able address in the forenoon, in which he set forth the inevitable passing of the private high school, hence the necessity of improved public schools is to run ten months in the year. The need for local taxation and consolidation of districts was fully set forth, and heartily approved by those present.

After the conclusion of Supt. Ragdale's address a sumptuous dinner was served from the numerous lunch baskets present.

The afternoon session was given to the business of the association. It was shown in the business meeting by Supt. E. S. Ross that Pamlico county has one local tax district, several others that have petitioned for the privilege to vote on the question and that others are moving to follow. All in all the meeting was a most encouraging one for the teachers of Craven county. They have many reasons to look forward to the great prosperity that awaits them.

An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy which acted like a charm. She stopped coughing and got stout and fat." writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale by Davis Pharmacy and F. S. Duffy.

The Original.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered as no other preparation will give the same satisfaction. It is mildly laxative, it contains no opiates and is safe for children and delicate persons. For sale by Davis Pharmacy.

Wounds, Bruises and Burns

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they are healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm sets on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soothes and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by Davis Pharmacy and F. S. Duffy.

There is said to be no hope for President Harper, of the Chicago University as he could not survive an operation of the character deemed necessary to stop the cancer.

John Doe X His Mark

A man's mark is his honor. It stands for him and he stands for it. It's the old Saxon way of signifying good intentions.

The right to be protected in the exclusive use of a trade mark has been long recognized by the common law and enforced by the chancery courts of England and this country.

The Government puts its mark on a bond to give it value.

The National Biscuit Company puts its trade mark in red and white on each end of a package of biscuit, crackers and wafers to distinguish these products and to guarantee the quality, and it does.

To more clearly comprehend the real value of this trade mark, try packages of BUTTER THIN BISCUIT and LEMON SNAPS.
