Letter to J C Whitty & Co.
New Bern, N. C.

Dear Sir:-
When you can buy paint for less than
Devoe; don't; save your money.
Mr. Aaron Higgins, Plainfield, N. J.,
always used 15 gallons of paint for his
house, Devoe took 11.

Mr. Ezra Rathmell, Williamsport, Pa.,
always used 11; Devoe took 6.
Mr. Burt Young, Girard, Pa., always
used a gallon for certain rooms; took
half as much Devoe.

Mr. Nathaniel Barber, Canton, N. Y.,
bought 13 Devoe; used less than 6.
You can always buy paint for less
than Devoe; don't; save your money.

The wearing out is the same way
and doubles the difference.

The cost of painting is by the gal. on.
Weak paint costs the most; most gal-
ons.

Yours truly
F. W. Devoe & Co.

A Good Lot of Talent.

Manager Matthews of the New Maso-
nic Opera House begs to announce to
New Bern theatre goers that he has
secured for all next week that talented
young actor, Hal Mordaunt supported
by the Mordaunt Stock Company. Mr.
Mordaunt is an actor of rare ability and
his interpretations of difficult stellar
roles are said to be remarkable. He
has surrounded himself with a support
that would do credit to a great number
of high priced attractions now travel-
ing, in fact this company is one of the
strongest repertoire companies that
has ever visited the South presenting
nothing but high class productions only
and illuminating the "blood and thunder"
variety.

The specialties are also all first-class
consisting of moving pictures, illus-
trated songs, black face acts, songs
and dances, etc. The roster of the
company is as follows. Miss Zebra
St. Clair, leading woman, this is the
petite little actress who captivated
Atlantic City, N. J., last season with her
rare acting and charming personality.
Walter H. Newman, George Hanna,
Will C. Davis, John Jackpots, Hubert
Steed; Will Chalkley, Miss Estelle
Wentworth, Miss Mari Warfield, Miss
Nettie Bagley, Miss Minnie May Hyle
and others: The company will present
on Monday night, the beautiful society
drama entitled "A Broken Heart".
Popular prices prevail all through the
week, Wednesday afternoon there will
be a "Doll" matinee for the ladies and
children.

Went For a Soldier.

At one of the London police courts a
young hoodlum was being tried for an
assault on an elderly man. The mag-
istrate, noticing an old customer in the
hoodlum, thought he would give him a
little fatherly advice, and remarked:
"Young man, I'm surprised at a big,
strong, healthy looking fellow like you
always getting into trouble. Why, you
seem to be always wanting to fight.
Why don't you go for a soldier?"
Imagine the smile which illuminated
the magistrate's face when the youth
replied, "I did once, your honor, and
he nearly killed me."

Cotton Region Bulletin

The following is the report on cotton
conditions, taken from the U. S. De-
partment of Agriculture, Weather
Bureau, dated Washington, D. C., Oct.
10th.

Over most of the cotton belt the
weather conditions during the greater
part of the week ending October 9th
were favorable for picking cotton.
Rains interrupted picking, however,
during the early part of the week in
portions of Texas, Oklahoma, Louisiana,
Mississippi, and Florida, and in local
areas in Alabama and South Carolina.

The reports indicate that the general
condition of cotton over most of the
cotton area is but slightly changed, as
compared with the previous week. A
slight deterioration is shown in Florida
and in portions of the central and west
ern districts, where insects have been
very destructive, the boll weevil being
reported in increased numbers in Texas
in central Texas and in portions of
Oklahoma, Alabama, Georgia and Flor-
ida open cotton was damaged by rain,
which also caused sprouting of bolls in
portions of Mississippi and Louisiana.

COMMUNICATION FROM F. S. DUFFY.

Offer to Refund Money if Hyomei Does Not
Cure Catarh.

To the Editor of the Journal.
I have been asked recently if the ad-
vertisements printed in your columns
regarding Hyomei were true, where I
offer to refund the money if this treat-
ment does not cure catarh. I wish you
would please print this letter in as con-
spicuous a place as possible in your
paper, saying that we absolutely agree
to refund the money to any purchaser
of a Hyomei outfit if it does not cure
catarrh.

The outfit consists of an inhaler of a
convenient size to be carried in the
vest pocket so that the user can breathe
Hyomei four or five times daily. With
this is included a medicine dropper and
a bottle of Hyomei. The outfit sells
for \$1.00 and is a most economical treat-
ment, for the inhaler lasts a lifetime
and there is enough Hyomei for several
weeks' use, while extra bottles can be
obtained for 50 cents.

I trust this letter will settle any
doubts that may have arisen as to my
willingness to refund the money for a
Hyomei outfit, in case the purchaser is
not perfectly satisfied.

Respectfully yours,
F. S. DUFFY.

Sherlock Holmes

"Sherlock Holmes," in "The Sign of
The Four," which comes to the New
Masonic Opera House Friday night, is
a dramatization of Sir A. Conan Doyle's
play of the same name. It is said to
be one of his best works. It is a de-
tective play of human interest and has
an abundance of clean comedy, to re-
lieve the tension of the dramatic story.
The play is full of startling situations
that will appeal to all classes of thea-
tre-goers. No expense has been spared
to make the production correct in every
detail and an enjoyable evening is
promised patrons of the New Masonic
Opera House.
