For Breakfast Luncheon or Tea

A few small biscuits easily made with Royal Baking Powder. Make them small -as small round as a napkin ring. Mix and bake just before the meal. Serve hot.

Nothing better for a light dessert than these little hot biscuits with butter and honey, marmalade or jam.

You must use Royal Baking Powder to get them right.

From Europe. Farmers Reported Buying Cotton to

ers by the fire yesterday morning at the present regime is tottering to its the Roman Catholic Orphanage at fall. Nazareth, two miles west of Raleigh. Great bravery was shown by the priests in charge of the building which was from Odessa, October 29th. says: burned and by Thomas Wallace of New York, a young seminarian who has been there a year or more, and who climbed to the top of the roof and urged two boys, John Glavish of Columbus county fired point blank into the people, killing and Elvin Buffeloe of Raleigh, who had twenty and wounding sixty. The stutaken refuge there, to leap to the ground with him as the only chance of saving life. Wallace leaped on a pile mattresses but the boys struck the ground Glavish died last night. His eyes were burned and both legs and arms were broken, there being also internal injuries, the distance from the cut off after the first 30 days of the roof to the ground being about 45 feet. Buffaloe, though badly injured will probably recover. Last night it was

thought he would not recover, but today it is stated that the outlook is much more hopeful. Wallace, the gallant young fellow who did so much is doing well and will recover quickly. Father O'Brien, who leaped from a third story window is in bed but is not seriously in jured and will soon be alright. The building burned was a brick, very tall, and cost about \$25,000, the insurance upon it being only \$6,000. It will be joyous festivity and whatever of supersaid. It was designed to be part of an extensive quadrangle. In the upper rooms were sleeping apartments and on the festival in one of his poems. the lower floor the refectory and also

clothing. It broke out on the third floor which is damaged to the extent of about 50 per cent, the value of the able to spooks. stock on the second floor being about \$20,000, and on the first floor \$11,000. fore 9 o'clock and better a little | later The total insurance on the \$40,000 stock as the real fun does not commence un-

Royal Treasures of Czar Reported Sent to Denmark.

St. Petersbug, October 29 .- While the day passed quietly without blood the city is outwardly calm, today's dements all indicate that a crisis i nt. Although the streets are filled with troops and reinforcements are now pouring in from Finland, the government seems utterly powerless to cope with the situation, and many calm observers seem seriously to believe that

iden, October 30.-A dispute

crowd of students and strikers occurred an hour ago in Tirapoloskaya street. The soldiers, without warning, dents are holding a stormy conclave at the university.

It is reported from Kieff that three regiments have mutipled in the Southwestern provioce, and there are a arm-ing reports here of the doubtful fidelity support in the Southern States which, of three batallions of infantry.

Manchester, England, Oct. 30 .- A dispatch is authority for the statement the czar has shipped all the royal plate and jewelry to Copenhagen. The valuables were shipped on an English vessel. / The cargo is insured for \$3.-

HALLOWEEN TONIGHT.

Chosts Get Loose.

Today-or rather tonight will be Halloween. It is an occasion of nirth and rebuilt as soon as possible, Father Price stition there is about our nature, is exercised on this night. The custom originated in Scotland and the quaint Scotch poet, Robert Burns, describes

It is one of the fads of society to have the printing establishment o' the Truth halloween parties and and an article in the Washington Star tells how it should the Church paper.

There was another fire here Saturday open fireplace is a real necessity to carnight at a late hour at the store of ry out the idea correctly, even the con-William Woollcott, where there is a ventional gas log will do if there is the southern people, and with his bargeneral stock, largely dry goods and nothing better, or in extreme cases a rier removed the President's policy of The object is to have the spooks pla and as is well known they will not come 100 per cent, the stock there being out there if any day light or artificial lieve the negro will ever again figure worth about \$9,000; the second floor is light save that made by the open grate. in the relations of Mr. Roosevelt and damaged 75 per cent, and the first floor The grate fire lends a wierdness and southern people.

The party should not begin b til after midnight. It is not necessary to attire one's self in their best bib and tucker, in fact it should be prohibited

The guests should be equally divided and the best results come from a small number of congenial friends, not over

ton picked as they had by the end of Among the requisites for a success last year. That there was very little ful party is first a quantity of chestnuts top crop and that they had as a rule kept which may be either large or small two or three pounds of stale mars losely with the cotton. Those who are mailows and some rosy cheeked apple solding cotton complain of the bringing and have as many long thin sticks o int; this market last Friday and Satur- wood as there are guests. A good stor, day of a large quantity and say it was teller and above all a good person to

them are sure the price will go to 12 tricks to play and when properly conthe refreshment part which is just as wierd as the other part. They ros.t their chestnute is the fire and the apcapted out of their hiding place will come in the room Chosts too are strangers at thme parties.

Washington, D. C. Oct. 25 If the concessus of opinion as expressed by sur-heat informed as to political softimen in Maryland be accepted, the Demo crats who are making a fight for th adoption of the Pow amendment to th

ROOSEVELT AND THE SOUTH.

Felshliched Himsell in the Hearts of

in a veritable blaze of glory at New lungs and coughed night and day, which Orleans, is fraught with far greater potentialities than is as yet generally was going into consumption, as nothing. gnized. In fact as well as theory he is now the leader of the southern people who through personal contact play, first, last and for all time, which bronchial troubles, or, who dreads constrikes a responsive chord in the South sumption, to try Vinol."

ernet's breast. The effect on the nation of this new found affection of the south for the nation's chief is sure to be far reaching. Since the Civil War the bulwark of Republican power has been the solid Democratic front pre-

Roosevelt, not as the embodiment of a fair, honest offer on which you cannot Republican party ideas, but as the embodiment of the fair play dogma which every American is taught to believe in Enterprise Brick d from the cradle. Thus, so accepting at least so long as he occupies the Whitehouse, cannot fail to curtail the power of the Republican party as a

can politicians have frequently banked

The legislation proposed by Mr Roosevelt is sweeping in its scope, but it dovetails perfectly with American ply to ideas of fair play, hence the warmth of his reception at all southern cities J. W. STEWART.

He has unfurled the banner of nonpartisanship has abandoned strict construction of party polities, and for the Time Honored Gala Time When Witches and first time in the history of the new south the Democratic party as a whole nas accepted a Republican President on his own terms. Clearly then a new era is dawning in the political affairs of

the government at Washington. His advice to the negroes at Tuskegee was to improve themselves as artisans. nechanics and in the trades, and to keep away from the professions, which ne declared, already are over-crowded, whereas labor is one of the great needs of the south. It is needless to say that this also the south advocates heart.

Clearly, then, social equality is kitchen stove with a red hot coal fire. fair has logically enough, brought to play his standard in a body the manhood of the south, for there is no reason to be-
