CAME NEAR DYING

From an Awful Skin Humour, Scratched Till Blood Ran. Wasted to Skeleton.

CUREDBY CUTICURA

One Application Soothed Him to Sleep. Cure Speedy and Permanent.

months old his head broke out with a rash, which was very itchy and ran considerable watery fluid. We tried everything we could, but he got worse all the time till it spread to his arms, legs, and then to his entire body, and he came near dying. It itched so he would scratch till the blood ran, and a thin yellowish stuff would be all over his pillow in the morning. I had to put mittens on his hands to keep him from tearing his skin. He got so weak he took fainting spells and we would think him dying. He was almost a skeleton and his little hands were

thin like claws.
"He was bad about eight months when we tried Cuticura. I had not laid him down in his cradle in the daytime for a long time. He had got so that he just slept in our arms all

INSTANT RELIEF

"I washed him with Cuticura Soap and put on one application of Cuti-cura Ointment and he was so soothed that I put him in the cradle. You don't know how glad I felt when he felt bet-ter. It took one box of Cuticura Ointment, pretty near one cake of Cuticura Soap, and about half a bottle of Cuticura Resolvent, to cure. I think he would have died only for the

MRS. M. C. MAITLAND, Jasper, Ont. No return in 14 years : Mrs. Maitland writes, under date of Feb. 24, 1903: "It affords me pleasure to inform you that it is fourteen years since my boy was cured of the terrible skin disease. He has been permanently cured and is hearty and strong."

CHURCH DEDICATION AT BRIDGE CON

A Pretty Editice Given to the Worship of God Last Sunday. The people of the little town of

Bridgeton on the north side of the leuse had a day of great rejoicing Sun day on the occasion of the formal dedi-cation of the Methodist church there. Like many another house of worship it has been erected only through the prayers and sacrifices of the people nost interested in it, and the whole community is interested in it. "When my little boy was three

The church is a pretty structure and sions are about 70x30 feet; is located in good central place and is nicely furnished. The cost was \$2,000.

The day was perfect and the crowd in attendance was very large, in fact the number on the outside of the church exceeded those on the inside two or less than a thousand attended this meet

The services were conducted by liev. G. T. Adams assisted by Rev. J. R. Betts. The sermon was on the text and attractive in character. found in Acts 2:47: "And the Lord added to the church daily such as should e saved." His sermon was along the ine of the importance of the church. Like all great institutions there must e sacrifice and suffering on account of it. There has been noble martyrdom for the cause of Christ and the church

ove their church will not complain when hardships come. A most gratifying feature of the pening of the church is that it begins ife out of debt. Before the service \$600 left unpaid for its construction. With his characteristic energy Rev.

Adams made an appea! to the people to help put the church in such a position that it would not be hindered by a debt words. hanging over it. His plea was success-

The Woman's Club.

The Child's Study Department held a neeting Tuesday the 14th at the regular place and time. Business of importance was transacted, subjects of interest were brought before the meeting and acted upon. It is the pleasure the Department to be able to state gave out tonight an open letter to the Academy Green, and we sak that those who have the school in charge, that receptacles have been ordered for tices of certain insurance companies as will see that the children throw their swealed by the New York investigation trush in these receptacles instead of on Says he will urge the legislature to the Green. It was also decided to orgive power to prevent such companies children of the schools, taxing the children of the schools, taxing the chilfrom doing business here, unless they dren with a small amount. This will make restitution. Insurance Commit- equile them to secure hadges; and sioner Young endorses Governor's thoreby be recognized as a member of the Band. The object of this organizathe Band. The object of this organization being to teach children humanity, kindness to each other, and for the parents are a borne, dog, cow or eat or bird cruelly treated, they are to report of fense to an officer of the Society, or an officer of the law. It is believed that if the parents and teachers will enall this in which children will come to a pour dumb beast suffers will come.

Superior court for trial of civil cases began yesterday and the cemion will has two works. Judge Bryan is on the bench and his friends and colles goes are glad to have him for an arbitrator for their hands are glad to have him for an arbitrator for their key know he is a just judge.

The law is the Band. The object of the parents, him organization, to elected.

Mrs. H. S. Duffy was nominated for the strength that of the parents and trachers of the strength, or an elected by a rising vote; Mrs. S. B. Duffy, second vice-president; Mrs. Chas. Street, first vice-president; Mrs. Chas. Superior court for trial of civil cases hegan yesterday and the cemion will be crue treatment that a pour dumb beast suffers will case.

At a meeting of the Executive Board Frigay afternoon, it was decided to invite the result of the State Federation, to deliver an address to the Club, do to the former president, Mrs. F. B. Duffy and the other officers the chan hereafter will meet at the Elka Hall.

A vote of thesis was tandered this many new members have joined. A prost deal of wask has been accome.

Southland For its Possessions, The Wilmington Messenger of Nov.

the Standard Oil Company has secured an option on the Blades Lumber Company, with headquarters in New Bern, and also the Hines Lumber Company, with headquarters at Kinston. total amount to be paid for the two lumber companies is \$2,750,000 -\$2500,-

The above named companies own large bodies of land in many of the counties in Eastern Carolina. The Blades Company owns more than 200,-000 acres of land and controls twelve or fifteen saw mills. This means that they have a large number of deeds, and it is known positively attorneys are the A. & M. College and he received now searching the records at the instigation of the Standard Dil Company to see if the titles to the various tracts are good. It is thought that this work can be completed within the ne t thirty days. The option on both companies was secured a few days ago and attorneys in the various counties were employed at once to searth the re-

It is the Standard Oil Company's object in purchasing the timber land land to convert the timber into the various styles of boxes and crates used in shipping their products. It was only shout a year ago that the Standard Oil Company gave Hannah & Co. of this city, contract for a million boxes, and since that time they have placed a number of smaller orders with the same company, In former years the Standard Oil Company shipped oil in barrels, but experience showed this to be a very costly method, as a large quantity of the oil evaporated. After trying various the accident, but spoke only a few rlans, the company began having small cans made and shipped in boxes, one can in a box. When shipped this way, the freight rate is less and none of the of the Standard Oil Company, it re-National Guard. He had been in poor quires millions of boxes annually, and and will be completely cured within a was due to Bright's disease, and it had so that they will control the box situation. A number of the large box where you can get your mency back factories recently raised the price on from a local dealer - F. S. Duffy in
