GOVERNOR REGARDS FOOT BALL BRUTAL SPORT

Question Likely to Come Before University. First Sheriff to Settle. State Banks Good Condition. Serve on Road. Rogers and Sorrell Will Serve Their Terms Out.

Raleigh, Dec. 1.—The Governor has very decided ideas about Thanksgiving day and commented on the fact that many people, carpenters and painters for example, worked all day. He said he noticed that more of the colored workmen took holiday than the white. He really thinks that the day ought to be observed as a holiday, even though a law be required to make it such.

The Governor expresses great interest in the big meeting, convention, or conference on immigration, at New York on the 5th, and expresses regret that he cannot be present. He says the only delegates he knows from this State are William S. Faison, the head of the Junior Order United American Mechanics, and Z. P. Smith, the editor of the organ of that order, which is published here.

The Governor has very decided views on the great brutality of the game of football as now played, not to speak of its dangers, and he will do all in his power to see that the game is so modified as not to make it a menace to life or limb. It is his desire that the President of the State University shall attend the conference of such presidents on the football question, and he further says plainly that if the game cannot be modified the University team must not be allowed to engage. He says the sentiment of the general public is very strongly against the brutality of the game as now played. Of both baseball and football, the latter when played as ought to be, he is an enthusiastic admirer.

Sheriff J. T. Ellington of Johnston county, has for a number of years had the honor of being the first sheriff to settle his State taxes. Today he made full settlement, paying about \$20,000.

Bank Examiner Haywood is here after 30 days visit to various banks in the State, and says he finds their condition very good indeed.

There is a rather strange case here, two German boys, about 17 years old, who half from Brooklyn, N. Y., having chosen to be sent to the roads for 30 days rather than reveal their names. They are hoboes and were stealing rides on train when caught.

They give the names of Otto Palm and Harry Madass. They say they had rather serve a short term than let their parents know of their trouble. They admit that their people could pay the fine.

Arthur Rogers, a white youth only 16 years old, while going home from Raleigh, fell dead in the wagon. The night was cold and he was given two small drinks of whiskey. When the wagon was in four miles of his house he fell into the arms of a companion and died in a moment.

No further attempt will be made to secure the release of Rogers and Sorrell from the Raleigh jail and they will serve their full term of six months, for tampering with the jury in the Gettisburg case. Their term ends January 1st. They are said to be standing their imprisonment better than they were some weeks ago.

The reports which are coming in as to numbers of insane persons in jail, county homes and private homes show that it is considerably larger than was at first thought. It is so large in fact that special efforts will have to be made at once to get these people in the hospitals for the insane, and pay patients will have to be all moved out to make room for these indigent insane.

Pipes all prices from 5c to \$5.00 each, in brass, iron and monomach with amber bits, cigar and cigarette holders, tobacco pouches and cigar cases, pipe cleaners, etc. The largest line of the kind in the city. The very thing to give a man and at prices to suit. Duffy's Pharmacy.

FRIDAY'S SESSIONS.

Methodist Conference at Wilson. Questions One and Twenty. Young Preachers Admitted. Doctor Kilgo Speaks.

Special to Journal. Wilson, Dec. 1.—Conference met at 9:30 o'clock. Rev. J. H. Hall conducted the devotional exercises. The minutes of yesterday's session were read and approved.

Question one was called, "Who are admitted on trial?" and the following young preachers were admitted on trial in the Conference:

L. P. Howard from the Durham district; J. M. Wright from the Wilmington district; C. B. Craven and B. F. Robinson from the Fayetteville district; E. N. Harrison from the New Bern district; W. F. Galloway, from the Washington district; J. M. Daniel, from the Warrenton district; and L. L. Jones, from the Elizabeth City district.

Books Recommended. J. C. Kilgo spoke to the Conference with reference to the I. E. Avery Memorial volume and asked that the Conference do what it can to extend the sale of this book, especially as the proceeds from the sale go to the establishment of scholarships in Trinity College.

A. Dr. Kilgo spoke also of the "History of Methodism in North Carolina," by W. L. Grissom and insisted that the members of the Conference, especially the younger members, buy and read the history which has been compiled at the cost of vast research and careful study.

The 20th Question Re-urged.

The call of the 20th question was resumed and the preachers in the Fayetteville, Rockingham, Wilmington, New Bern, Washington, Warrenton and Elizabeth City districts made their reports.

Rev. P. H. Whisner, D. D., is Secretary of the Board of Church Extension for the M. E. Church, South, and he addressed the Conference in the interest of this work, and appealed to the conference for liberal gifts to this work of increasing the building of churches throughout the church. He asked in conclusion for the sympathy and prayers of the conference for himself in his work.

Bishop Wilson spoke of the work of Dr. Whisner, and of his liberality and devotion to the church and her every interest.

The next speaker before the Conference was Z. Heinohara, of Japan, who for several years has been a student at Trinity College, but who returns to Japan as a minister of the gospel within the next few months. He spoke interestingly and earnestly from his own experience, referring to his own conversion, and to his great desire for the conversion of his family and his nation. He spoke of his great desire to return and labor in his home land in the effort to extend the gospel.

Rev. W. R. Lamberth, Missionary Secretary of the Church, delivered the last address at today's session. He spoke earnestly and effectively of the encouraging features of Missionary work.

Conference adjourned with the benediction at 1 o'clock.

METHODIST CONFERENCE PROCEEDINGS.

Thursday's Work. Advancing Candidates. Official Newspaper Asked Better Support.

Wilson, Nov. 30.—At 9:30 o'clock this morning Bishop Wilson called the Conference to order and Rev. P. J. Carraway of Greensboro conducted the devotional services.

The minutes of yesterday's session were read and approved.

Several alternates among the lay delegates were announced as being present to take the place of principals. ADVANCED TO FOURTH YEAR. The names of the following young preachers were called and they having passed the examining committee and the examination of character, submitted their reports, and were advanced to the class of the fourth year: W. H. Brown, J. H. Buffalo, W. E. Brown and W. A. Jenkins.

TO BE ORDAINED

The following local preachers were represented by their presiding elders and were recommended for local deacons orders: R. Browning of the Durham district; J. E. Saunders, of the New Bern district; J. M. Daniel, of the Warrenton district; L. B. Jones, of the Elizabeth City district; and the following were recommended for local elders orders: J. V. Williams, of the New Bern district; and J. F. Hallford, of the Elizabeth City district.

THE PAPER QUESTION

T. N. Ivey, editor of the Raleigh Christian Advocate submitted his report, in which he deplored the lack of a largely increased subscription list, which fact renders him unable to give to the conference a better paper. He referred to the increase of 2,500 new subscribers to the North Carolina Christian Advocate during the past year and urged a similar support by this Conference to the Raleigh Christian Advocate, and thus make it possible for him to give to the conference and the public a better paper.

At the close of Dr. Ivey's report, the first section of the report of the committee on Books and Periodicals was read. This section had reference especially to the Raleigh Christian Advocate, and recommended that the conference give a larger and more substantial support to the paper. It recommended especially that the presiding elders give close attention to this, and see to it that the preachers on each district secure new subscribers to the paper during the coming year.

Paul Jones, of Tarboro, a layman, spoke of the Advocate and recommended the increase of the stock to such an amount that a business manager might be employed to relieve Dr. Ivey of the business care of the paper. M. T. Plyler, E. A. Yates, D. H. Tuttle, and other preachers spoke in favor of the report of the committee and it was adopted.

At 11:30 the business session adjourned to hear the Thanksgiving sermon by Bishop Wilson.

Rev. J. C. Kilgo, D. D., will deliver a lecture this afternoon in the Presbyterian church; his subject will be "The Making of Creeds." At the anniversary of the Board of Missions tonight Bishop Wilson will speak.

Black Patti Coming.

Mirth, melody and music is the keynote of the performance to be given by the famous "Black Patti Troubadours" at the New Masonic Theatre, Tuesday December 6. Those sweet singers and ebony colored fun makers of Dixieland have been recognized for years as a high class standard attraction and one that has secured a phenomenal popular success with theatre goers in all sections of the country. Among the forty in its ranks are to be found the most talented Afro-American singers, dancers and comedians in the world.

Sissieretta Jones, the Black Patti, the vocal star of the organization, in addition to being the most gifted singer of her race, enjoys the distinction of having sung before the largest audiences that ever assembled in Madison Square Garden, New York City, and the fleet colored singer, honored by royal command to sing before the form or Prince of Wales, now King Edward VII, of England.

In this country the Black Patti and the Troubadours, through their refined and enjoyable stage performance have added largely to the musical culture of the people. Their happy revival of the sweet melodies of the South—remnants of Ante-Bellum days—the plantation, the cotton fields and the levee has been a musical revelation to millions.

The Presbyterian Bazaar.

The ladies of the Presbyterian Church will hold their annual Christmas Bazaar on Wednesday the 13th beginning at four o'clock in the afternoon, in the lecture room of the Presbyterian Church. Fancy work of every description, Oysters, chicken, salad, cakes of every variety, ice cream, lots of various flavors, and all the delicacies of the season will be served at moderate prices. A great attraction will be the candy booth of home made candies served in great quantities.

IMPORTANT RAILWAY CHARTER

Granted South and Western Road. Starts in Tennessee and Goes into South Carolina.

Raleigh, N. C., December 1.—A charter is granted a very important railway, this being the South and Western. There is already a charter for a road of that name, from Tennessee to Marion, on which several thousand men are at work, and this new charter not only covers the old one, but also provides for the extension of the line to South Carolina.

The new charter grants a right to construct the road, starting from a point where Polk and Rutherford counties intersect the South Carolina line, thence northwesterly along the Broad River, Mountain Creek, the Catawba River and its north fork, the North Toe River and the Fox or Nolichucky river, through the counties of Polk, Rutherford, McDowell, Yancey and Mitchell to a point on the line between North Carolina and Tennessee; a distance of about 120 miles. The capital stock is \$600,000 and the stockholders are George L. Carter, J. M. Powell, M. J. Caplan, A. J. Edwards, J. M. Ferguson, all of Bristol Tennessee, and J. Crawford Biggs, of Durham, N. C.
