BOUND OVER TO COURT.

The Case of Chief Engineer McNomara to be Tried in the Higher Tribunal. The decision of United States Commissioner C. B. Hill was in the case of Engineer M. McNomara which was tried Friday was announced yesterday. The defendant in the case was arrested by deputy U. S. Marshal Ward on the warrant sworn out by Mr. Kemp who has a party on the yacht Roxana, Wednesday night. After hearing the evidence in the case, Commissioner Hill stated that he would reserve his decision until Saturday. He then announced that after due study on the merits of the case he found probable cause for binding the prisoner over to the spring session of the United States court for trial. He placed the bonds at \$200 which are not yet furnished.

The Governor Arrives. Governor Glenn arrived on the mail last night and was met at the station by a committee of citizens composed of Messrs. D. L. Ward, C. T. Watson and L. G. Daniels. He was taken to the Hotel Chattahoochee. After supper and a brief rest he was escorted to the Elks Lodge and was given a reception which was a delightfully informal affair and greatly enjoyed, engaging in pleasant and entertaining conversation. The Governor remained in the rooms until about ten o'clock.

Governor Glenn at Presbyterian Church. Governor Glenn will speak at the Presbyterian church this morning in the interest of Sunday Schools. The Governor is an earnest church and Sunday school worker and what he has to say will be of interest and value. There will doubtless be a large attendance to hear the distinguished gentleman. In view of the exercises at the opera house this afternoon the Sunday School will be held at 2 o'clock instead of 3 o'clock, the usual hour.

The Height of Waves. The size of the Atlantic waves has been carefully measured for the Washington Hydrographic bureau. In height the waves usually average about thirty feet, but in rough weather they attain from forty to forty-eight feet. In storms they are often from 500 to 630 feet long and last ten or eleven seconds, while the longest yet known measured half a mile and did not spend itself for twenty-three seconds. Selected.

According to Dorothy. Dorothy is a sweet little maid of two and a half. Her father never carried a cane, and when a caller came in with one on any day she was observed standing before it rapt in contemplation. "Well, Dorothy," said her mother, "what's that?" Dorothy looked up with a puzzled expression. "Umbrella without any clothes on," said she. Lippincott's.

How It Originated. Do you know that the expression, "Sure as eggs is eggs," was never meant to be an ungrammatical as it sounds? The original was sure as X is X.

Listeners Never Hear Any Good of Themselves. Three little crickets, sleek and black, whose eyes with mischief glistened, climbed up on one another's back. And at a whisper listened. "The topmost one cried out: 'Oho! I hear two people speaking. I can't quite see them yet, and so I'll just continue peaking.'"

Soon Dot and grandma he could see. Tea party they were playing. And as he listened closely he heard. Distinctly heard Dot saying: "This pretty little lady here will do to spread the treat on. And I will get a cricket, dear. For you to put your feet on." The cricket tumbled down with fright. "Run for your life, my brother! Fly! Fly!" he shouted out of sight. And so did both the others. Carolyn Wells in St. Nicholas.

Crommate, Samuel Allen, W. H. Manor, Alfred Musgraves, J. D. McDowell, John T. Battle, D. B. Jones, M. J. Green, E. W. Fields, P. R. Johnson and J. L. Dunn were refused admission.

Reports of Church and District Delegates were called up—New Bern, Wilmington, Washington, Goldsboro, Tarboro and Kinston. Nearly all the churches and districts requested the re-appointment of their pastors and presiding elders. Only a very few desired changes, which will be ascertained when the annual appointments are read on Monday night.

On the report of the delegate, J. E. Howard from St. Luke A. M. E. Zion church, Wilmington, N. C., a very high and pleasing compliment was passed upon the pastor, Rev. H. Bell, who for six years has held that pastorate. Win Hyman of St. Peter, was recommended for local orders, as was also Elias Neal from Jones Chapel, James City. A purse and overcoat was presented to presiding elder John H. Hooper by the Wilmington delegate, as coming from the District Conference in evidence of the high regard in which he is held; and the noble service rendered to the church. Rev. J. W. L. Spurgeon, Fraternal Messenger, from the Central North Carolina Conference, delivered his message, which was received with rapt attention and satisfaction. The same was responded to by Editor Clement. Recess taken.

SPECTACULAR FIRE

Of J. A. Mills Lumber Company, Loss \$25,000. Special to Journal. Raleigh, Dec. 2.—The most spectacular fire in many years here tonight destroyed most of the plant of the John A. Mills Lumber Company, alongside the Southern Railway. The boiler house, logs, and lumber in the yards escaped. The plant was valued at \$25,000, and over two thirds the loss is covered by insurance. The number of spectators was much the largest ever at a fire here.

HINTS FOR FARMERS

Breast Bones of Poultry. The idea that roosting on a pole or roost causes crooked breast bones in young poultry has become an exploded theory. One experienced poultry raiser tells us that after a great deal of investigation he has found that crooked breast bones result from the lack of proper bone building food and not from roosting on a perch. Last year he conducted a little experiment of his own. One pen of pure bred Plymouth Rocks was fed a ration of bone and meat meal mixed with other feed once a day and another pen was given no bone building food. Both pens had roosts, while a third pen was without roosts and was fed no bone building food. The pen that received the bone meal showed no signs of crooked breast bones, while the majority of the other two pens were affected. He concludes that it is bone food and not the absence of roosts that keeps the breast bone straight.—Chicago Inter Ocean.

Trees For the Farm. The linden or basswood is a noble tree and easily grown; The American, Tilia americana, is better than the European species. It has abundant flowers in July which are full of honey. Both American and European beeches are desirable for rural homes. They are of spreading habit and excellent foliage, but unfortunately, they are somewhat difficult to establish. The horse chestnut is a shapely tree and casts a dense shade. It is not advisable to plant too near buildings, as the thick foliage may interfere with proper sanitation. The tulip tree and the cucumber tree are highly interesting. The foliage of both is good, and the flowers of the former are abundant and showy. Plant rather late in the spring, stock from four to six feet high being selected. If the wood dies to the ground the first winter, which sometimes happens, the young shoots must be thinned out as they appear, to hasten the formation of a proper stem.—American Cultivator.

AN AGED PHYSICIAN

After Years of Experience Gives the Following Advice. "If you have anything to do with medicines at all be pretty sure you know what you are taking." Our local druggist, F. S. Duffy, says this is a strong point in favor of this valuable cod liver preparation, Vinol. Everything it contains is plainly printed on the bottle, therefore it is not a patent medicine. Vinol contains in a highly concentrated form all of the medicinal elements of cod liver oil, actually taken from fresh cod's livers, but without a drop of oil or grease to nauseate and upset the stomach. This is the reason that Vinol accomplishes such wonderful results in curing chronic coughs, colds, bronchial and lung troubles, and there is nothing known to medicine that will so quickly build up the run down, overworked tired and debilitated, or give strength and renewed vitality to the aged as Vinol. Mrs. Martha Fraser of Portland, Me., writes: "I was all run down from overwork and had a chronic cough for years. I had tried so many remedies without help that I had lost all faith in medicine. My daughter bought me a bottle of Vinol. It simply worked wonders for me: it cured my cough and brought back health and strength and I am better than I have been for years." We can only ask every one in New Bern, who needs such a medicine to try Vinol on your guarantee to return their money if it fails." F. S. Duffy, Druggist.

Indigestion, constipation, dyspepsia, kidney and liver disorders, and all stomach troubles positively cured by using Hollister's Rocky Mountain Tea, 35 cents, Tea or Tablets. For sale by F. S. Duffy.
