The taxpayers of eastern London are complaining bitterly of the rigor of their assessment. The case is cited of a man who had his assessment raised because he erected a cucumber frame in his back garden.

A modern widow's mite is reported at a church at Biackpool, England. At a barvest decoration of the church a poor woman, musble to afford fruit or vegetables, filled a bottle with water and, labeling it "Thank God for the rain," sent it to the church. The vicar, appreciating her good intentions, placed it among the gifts on the altar.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a wesk man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here is the tentimony of one man cured.

J. B. Corton, farmer and lordberman of Depps, N. C. says:

"I suffered for years with my back. It was so had that I couldnot walk any

distance nor even ride in an easy bugry I do not believe I could have raised ten pounds of weight from the ground, the pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kitchey Pills. They quickly relieved me and now I am never troubled as I was, My back is strong and I can walk or ride a long distance and feel just as ride a long distance, and feel just exstrong as I did twenty-five years ago.

I think so much of Doan's Kidney Prix
that I have given a supply of the remody to some of my neighbors and they
have also found good results. If you
ran sift anything from this rambling
note that will be of any service to you,
or to any one suffering from hidney

LIVES DEARER THAN OUR VERY OWN by failure to provide against and forestall the great suffering which too recompanies and follows the bearing of children? That we would do within our power to obviate the possibility of such an happening is to admit of question; therefore—mark well this fact—a laniment,

by name, has been devised, whose function it is to prepare in advance the muscles and tissues intimately associated with parturition. This liniment is for external application. By its use the parts are relaxed and enabled to withstand not only the actual strain brought to beir on them during accouchement, but also to rally from this ordeal and speedily regain their normal proportions and tonicity. It is not irritating to the most sensitive surfaces, and is appliable to all cases. It's not enough to call it Mother's Friend—it's the friend of the whole family. \$1.00, all druggists, Book "Motherhood" free. BRADFIELD REDULATOR CO., Atlanta, Ga.
