 One Hundred Fire Departments in State. Capitol Club Elects Officers. Fayetteville Will Celebrate Arrival R. & S. Railway. Treatment of Convicts.
 Raleigh, Jan. 4.—A charter was granted to the Haywood County Farmers and Stock Raisers Association, incorporated, of Waynesville. Principal incorporators being R. W. D. McCracken, D. E. Noland and J. L. Morgan. The capital stock being \$25,000, the company will promote, develop and build and will also maintain race tracks.
 Dr. B. F. Dixon, State Auditor has returned from an extended trip to Charlotte and Bessemer City.
 President James D. McNeill of the North Carolina State Firemen's Association says there are now 70 white fire departments and thirty colored in the State and that the towns are very well covered. Departments are being organized at Louisburg, Oxford, Lexington, Hickory and Elm City, and he expects to visit all these points within the next sixty days.
 The Capitol Club held its annual election of officers and re-elected F. H. Busbee president, Sherwood Higgs, vice-president; and John A. Duncan, secretary and treasurer. The following governing committee was chosen, H. E. Lightford, Wm. Boylan, W. B. Grimes, R. M. Albright and E. M. Uzzell. The club has 147 resident members and four non resident and its affairs are in a very prosperous condition.
 Work has begun on the last floor of the Elks Building and this will be completed in the spring.
 Mr. E. J. Ragdale of Fuquay Springs a tobacco grower, was here today and said he had spent the last four months travelling through the tobacco section of Eastern North Carolina and that he hears it everywhere that the tobacco acreage will be reduced from 30 to 40 per cent and that the cotton crop will be largely increased. He says this is talked very freely among the farmers there and he expects the cut in the tobacco crop to be a very heavy one.
 President John A. Mills of the Raleigh and Southport Railway says that upon its completion to Fayetteville, probably some time in April, there will be a celebration at that place on a very extensive scale and that large numbers of persons will be taken there from Raleigh on special trains.
 Governor Glenn is examining the report concerning the treatment of convicts in the State, made by the board of charities. He calls for reports from all counties regarding the treatment of convicts, and says he is sure the laws are right and if there has been any wrong-doing the fault lies with the various officers and not with the laws.

COTTON GROWERS CONVENTION
 State Association Meets, Elects Delegates to New Orleans And Holds Long Discussion.
 Raleigh, Jan. 4.—The North Carolina Cotton Growers Convention had a five hours session last night, and it was really considerable time before it got down to business. It has chosen a good delegation to the Southern Cotton Convention at New Orleans, this being composed of John S. Cunningham, W. C. Heath, James H. Pou, C. C. Sparrow, J. Y. Hamrick, M. S. Griffith, J. J. Mott, R. W. Livermore, and H. C. Dockery, all of these except Col. Cunningham being large planters, Mr. Dockery leading in the vote for committee man. The election of Mr. C. C. Moore of Mecklenburg was by no means unexpected, his position in the organization having been very prominent and valuable during all the past year. Col. Cunningham had served during his year's tenure of office with his usual zeal and had travelled on practically all the cotton-growing counties. The matter which prolonged the session of the association was the question of an executive committee of five members settled the question very well indeed. The first arrangement made was for \$2,500 salary for the president and \$600 for the secretary-treasurer, then the latter salary as increased to a salary of \$1,000 and then all this was done away with and the matter of salaries as well as the general management left to the executive committee which is given plenary power and which is regarded as being the best solution of any and all difficulties which have arisen or may arise. It is the opinion of members that the State can be more thoroughly organized through such a committee which will carefully choose the workers in the various counties, than in any other way.

"Pictorial Perfection."
 The January issue of The Burr McIntosh Monthly, which is now on all news stands, is a remarkable example of "pictorial perfection." It is the only publication of the kind extant and the publishers as well as the public are to be congratulated in being able to obtain such exquisite pictures so attractively presented. The portrait form of the January number contains such eminent stage people as the late Sir Henry Irving, Sarah Barnhart, Emma Eames Viola Allen, Mrs. Leslie Carter, Edna May, Fritz Scheff and Julia Marlowe. The charming holiday story by the well known writer, Zona Gale, is beautifully illustrated. A liberal space is given to the portraits and brief biographies of such famous people as Thos. A. Edison, Secty of War Taft, Sir Henry Irving and Chas. E. Hughes, who has been directing the insurance investigation in New York City.
 The cover is a portrait of Miss Marguerite Clark, the little lady of the stage who has made such a success in the light opera "Happyland." Miss Clark posed specially for this portrait. With this number the monthly calendar in colors is again introduced, the purposes being each month to show some reasonable pictorial effect in connection with the calendar for the month the twelve issues making a splendid collection of artistic scenes and coloring well worth the price of the magazine.
 It invigorates, strengthens and builds up. It keeps you in condition physically mentally and morally. That's what Hollister's Rocky Mountain Tea will do. 35 cents, Tea or Tablets. Sold by F. S. Duffy.

HAD NOT WALKED FOR 11 MONTHS
Terrible Sore on Ankle Caused Awful Suffering—Could Not Sleep nor Rest—Physician Said Leg Would Have to Be Amputated.
CURED BY CUTICURA IN SIX WEEKS
 "I had a terrible sore on my ankle and had not walked any for eleven months. I tried nearly everything without any benefit and had a doctor, but he didn't seem to do any good. He said I would have to have my leg taken off, and that I would never walk again. I suffered awful, and at night I could not sleep at all. I thought there was no rest for me, but as soon as I began to use Cuticura Soap and Ointment I commenced healing nicely. I bathed the ankle with warm water and Cuticura Soap and then applied Cuticura Ointment to the affected part, and laid a cloth over the sore so hold it in place. After two weeks I could walk around in my room real good, and in six weeks' time my ankle was entirely cured and I was walking around out of doors. I am enjoying perfect health and have gone to work and feel as well as I ever did in my life. So I know that the Cuticura Remedies are the best in the world."
 "Cuticura was recommended to me by a lady who had used it when her baby's head was so full of sores he could not lie down. She had to set him up in her arms to sleep. (signed) Mrs. Mary Dickerson, Louisiana, C. H. Va., April 22, 1905."
