OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., Jan 10 1906.

WHAT OF LOCAL EDUCATIONAL INTERESTS?

With the opening of the school term in this month of January, commences the long session of the school year, as well as the closing term of the year's educational interests...

But while the struggle is in the school house, and the work of the teacher is to be considered and gauged, and too often perhaps unjustly criticised by what the pupil may do and show as the result of the year's efforts...

When the Journal asks, what of local educational interests, it does not solicit simply any expression from Superintendent Craven, or County Superintendent Brinson, or from any teacher of the graded or county schools...

So far as known President Roosevelt has shown no inclination to investigate the case of Mrs. Minor Morris.

Beats the Music Cure. "To keep the body in tune," writes Mrs. Mary Brown, 20 Lafayette Place, Poughkeepsie, N. Y. "I take Dr. King's New Life Pills. They are the most reliable and pleasant laxative I have found."

It is estimated that last year the salaries of 24,000 elementary school teachers in Ohio average 72 cents a day.

The Original. Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine.

While the battleship squadron under Admiral Evans was under way in the lower New York harbor the Kentucky ran aground, and before the Alabama could turn out she bumped into her, causing considerable damage above the water line.

Half the World Wonders how the other half lives. Those who use Bucklen's Arnica Salve never wonder if it will cure Cuts, Wounds, Burns, Sores and all Skin eruptions; they know it will.

C. C. Meir, of San Francisco, proprietor of steamer Carmaria shot and killed himself in his cabin just as the big liner was entering New York harbor. Meir was charged with embezzling \$20,000 from a San Francisco merchant and was returning from London as a stowaway to the charge.

May Live 100 Years. The chances are for living a full century are excellent in the case of Mrs. Jennie Lumsden, of Hayesville, N. C., now 70 years old. She writes: "Electric Biscuits cured me of Chronic Dyspepsia of 20 years standing, and made me feel as well and strong as a young girl. Electric Biscuits cure Stomach and Liver diseases, Blood Disorders, General Debility and bodily weakness. Sold in a guarantee of All Druggists. Price only 5c."

Heart Palpitation

Indigestion causes the stomach to expand—swell and puff up against the heart. This crowds the heart and interferes with its action, causing shortness of breath, palpitation of the heart, etc.

Kodol Dyspepsia Cure

DIGESTS WHAT YOU EAT takes the strain off the heart, and contributes nourishment, strength and health to every organ of the body. Cures Indigestion, Dyspepsia, Sour Stomach, Belching, Gas on Stomach, and all Stomach troubles.

Denora, Iowa. Three years ago I was afflicted with indigestion so much that I was in continual pain. After eating my heart was affected and I had smothering sensations. Two bottles of Kodol cured me. ALBERT LAMM.

A dollar bottle contains 2 1/2 times as much as the trial or 50c. size. Prepared at the Laboratory of E. C. DeWitt & Co., Chicago, U. S. A.

Commerce between the United States and Germany last year amounted to \$300,000.

Four Hundred Babies.

St. Vincent's Infant Asylum, Chicago, shelters homeless waifs awaiting adoption, and there are nearly 400 babies there. Sister Julia writes: "I cannot say too much in praise of Foley's Honey and Tar for coughs, colds, croup and whooping cough." Contains no opiates and is safe and sure. Ask for Foley's Honey and Tar and insist upon having it, as it is a safe remedy and certain in results. Refuse substitutes. For sale by Davis Pharmacy.

WOMAN AND FASHION

A Fashionable Design. An unusually attractive waist is illustrated here, developed in white tulle, with a decoration of black and white checked sateen and loops of

black soutache braid. It blouses very slightly into a girle of black mesh-line. French tulle, silk pongee or any of the washable winter fabrics are desirable for the development of this waist. Size 36 will require six yards of twenty inch silk.

Early Winter Fashions. For the morning and general service the short strictly tailor made costumes in serge or rough cloth are the smartest, but for afternoon quite a different fashion of gown is demanded. Trimmings of lace, braid and fur, with facings of silk or satin, are demanded, and, in fact, all the details of the costume are on quite a different scale.

The Popular Bolero. The very short little bolero which is the latest expression of that garment and in a natural accompaniment to the empire styles, which have been so persistently forcing themselves forward, offers the dressmaker a chance for clever work and more elaboration. One sees the bolero made in everything from lace to fur.

New Ribbons. Ribbon trimming of all kinds from flat bands to elaborate ribbon embroidery is much in evidence, and, by the way, there are on the ribbon counter many novelties in thin ribbons with draw thread on one side or with one straight edge from which the ribbon falls like a most diminutive frill.

Light Colors in Favor. Light colors, particularly light gray, will be much worn in tailor made costumes. Other attractive shades are tan, lavender, green (perry soft olive), blue, etc. But the prevailing gray is perhaps the most popular.

Cloth With Velvet. Such a blouse suit as this one is always serviceable and attractive for simple occasions and can be rendered warm and comfortable by the wearing of the fashionable furs. In the illustration it is made of ladies' cloth with trimming of velvet and gold buttons, the color being a dark hunter's green, but the model is an adaptable one and is available for indoor wear throughout the entire season. When used in

He neglected to take Foley's Kidney Cure at the first signs of Kidney trouble, hoping it would wear away, and he was soon a victim of Bright's disease. There is danger in delay, but if Foley's Kidney Cure is taken at once the symptoms will disappear, the kidneys are strengthened and you are soon sound and well. A. R. Bass of Morganton, Ind., had to get up ten or twelve times in the night, and had a severe backache and pains in the kidneys and was cured by Foley's Kidney Cure. For sale by Davis Pharmacy.

The Dowager Empress of Russia will take up a lengthy period of residence in Denmark.

We have never heard of a single instance of a cold resulting in Pneumonia or other lung trouble when Foley's Honey and Tar has been taken. It not only stops the cough, but heats and strengthens the lungs. Ask for Foley's Honey and Tar and refuse any substitute offered. Dr. C. J. Bishop of Agnew, Mich., writes: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." For sale by Davis Pharmacy.

CASTORIA For Infants and Children. The Kind You Have Always Bought. Bears the Signature of J. C. Watson.

Blouses Set. This way it is appropriate for the light or weight wool materials and for the simple silks that are much in vogue, while the trimming can be one of many things. Velvet on wool is greatly in vogue this season, but so also are embroideries of all sorts, lace and the like. The blouse is a becoming and attractive one finished with a little pleated collar that is quite new, as well as smart, and is closed invisibly at the front. The two front corners together and allowing of effective trimming of ruffles and buttons. The skirt is five eighths and simply tucked to give depth, falling in becoming folds below the attachments.

A Jamaica Lady Speaks Highly of Chamberlain's Cough Remedy. Mrs. Michael Hart, wife of the representative of Carl Schurz at Kingston, Jamaica, West Indian Islands, says that she has for some years used Chamberlain's Cough Remedy for coughs, croup and phlegm, and has found it very effective. She has several children in it and would not be without a bottle of it in her home. Sold by Davis Pharmacy and F. S. Duffy.

"CUT IT OUT"

says the doctor to many of his lady patients because he doesn't know of any medicinal treatment that will positively cure womb or ovarian troubles, except the surgeon's knife.

It has saved the lives of thousands of weak, sick women, and has rescued thousands of others from a melancholy lifetime of chronic invalidism. It will cure you, if you will only give it a chance. Sold at every drug store in \$1.00 bottles. Try it.

How to Prevent Bilious Attacks. One who is subject to bilious attacks will notice that for a day or more before the attack he is not hungry at meal times and feels dull after eating. A dose of Chamberlain's Stomach and Liver Tablets when these first symptoms appear will ward off the attack. They are for sale by Davis Pharmacy and F. S. Duffy.

In a collision between a passenger and a freight train on the Philadelphia and Erie railroad, near Corry, Pa., three trainmen were killed and about 20 passengers hurt.

Dangers of a Cold and How to Avoid Them. More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by Davis Pharmacy and F. S. Duffy.

Earthquake shocks were felt in Missouri, Kansas and Nebraska.

There is a temperance movement in England which has taken for itself the remarkable name of the "Somersetshire Pledge Association." The pledge its members take is as follows: "I solemnly undertake to abstain from all intoxicating drinks except at my midday and evening meals."

Men and Women Unimpaired About It. Many women weep and wall and refuse to be comforted because their once magnificent tresses have become thin and faded. Many men "fade" too profusely because the hair has fallen through the thinness of their crowns. It will be good news to the millions of both sexes, to read that Newcomb's Herpicide has been placed upon the market. This is the new scalp germicide and antiseptic that acts by destroying the germ or microbe that is the underlying cause of all hair destruction. Herpicide is a new preparation, made after a new formula on an entirely new principle. Anyone who has tried it will testify as to its worth. Test it yourself and be convinced. Sold in leading drug stores. Send for a sample to The Herpicide Co., Detroit, Mich.

Vinol is fast superseding old-fashioned cod liver oil and emulsions because, without a drop of oil or disagreeable feature, it contains all the medicinal elements of cod liver oil, actually taken from fresh cods' livers. By our process the oil, having no value either as a medicine or food, is separated from the medicinal elements and thrown away. Unlike old-fashioned cod liver oil and emulsions, Vinol is deliciously palatable, agreeable to the weakest stomach, and therefore unequalled as a body builder and strength creator for old people, puny children, weak, run-down men and women, after sickness, and for all pulmonary diseases. Everything Vinol contains is named on the label.

OUR GUARANTEE—We have such faith in VINOL that if you will take it we promise if it does not benefit or cure you we will return you your money without question. We take all the risk.
