Jan 14.
There has been a great deal of rain
here for the past few days.

Mr. T. C. Cannon is clearing a large
piece of new land, which he expects to
cultivate this year.

Mr. M. D. Cannon is nearing the
completion of his new house which he
expects to occupy soon.

Mr. D. B. Hall whose illness has
been noted is improving and we hope
he will soon be well.

Mr. E. D. Cannon went to New Bern
Friday on important business. He re-
turned today.

We are glad to say that Mr. Lester
Garner, who has been suffering with
eye failure, has partially recovered his
sight.

Mr. Phil Gible narrowly escaped se-
rious injury by being thrown from a
young mule a few days ago. The mule
stumbled and fell and he had a lucky
escape.

Mr. J. R. Jinnett left here Friday
evening for his home near Beaufort.
We are expecting him back this evening
as he is superintendent of our Sun-
day school.

Mr. Clarence Garner took a flying
trip to Wire Grass Friday and returned
Sunday evening. He reports a fine
time.

Rev. D. B. Garner preached a very
interesting sermon here Sunday, which
was enjoyed very much by the congrega-
tion. We love to have Elder Garner
preach for us. There was an unusu-
ally large audience present considering
the cool and cloudy weather.

GRANTED RESPITE

Governor Grants It in Case of
Mitchell

Sentenced to Hang on the 22nd. Big Sum
Paid For Rural Free Delivery. Governor
Goes to Petersburg to Lecture.
Smith Murder Case Ready For
Jury. More Charters
Granted.

Raleigh, Jan. 17.—Governor Glenn
on request of attorneys for Nathaniel
Mitchell of Bertie county, having
been sentenced to be hanged on the
22nd for the murder of his wife and af-
terwards burning her body, has granted
an additional respite to February
13th. This is in order to give oppor-
tunity for the condemned man's coun-
sel to lay further testimony before the
Governor. Defendant's counsel pleads
with the Governor that he will appoint
a committee of three experts to look
into the case and to report as to
Mitchell's sanity.

Governor Glenn said that while he
feels sure the negro was possessed of
sufficient intelligence to know right
from wrong, he will grant this respite
rather than to take away the life of a
man unadvisedly.

Charters were issued today to the
Scotland Neck Iron Works, incorpor-
ated at Scotland Neck, L. Albertzette,
Sr. and Junior and S. J. Stern, are in-
corporators, capital stock is \$5,000 paid
in.

The Nahutta Brick and Improvemen-
t Company at Tremont in Swain county.
Company will handle lumber and al-
building materials in addition to brick.
L. O. Hays and others stockholders,
capital \$5,200. Chestnut Hill Drug
Co., Salisbury, \$10,000 capital stock,
S. C. Peacock president, W. Fogleman,
vice-president and T. C. Earnhardt,
secretary and treasurer.

The Bethel Hill Institute and Busi-
ness College at Bethel Hill, Person
county with \$10,000 capitalization,
\$2,000 of which is paid in, P. H. Fon-
taine and others, M. S. Jones at
Bethel Hill, R. J. Tuck of South Bos-
ton, Va., and other parties are inter-
ested.

There has been paid from the Rail-
road postoffice \$183,764.80 within the
last three months for the rural
free delivery branch of the ser-
vice. The indications are, when
considered with the number of applica-
tions for such service and over such
routes that it is safe to say that by the
end of the present year such payments
will have reached the \$250,000 mark.

Judge Charles Cook of Warren coun-
ty, but more recently a resident of
Muskegee, Indian Territory and a most
successful practitioner of law in that
section is spending a few days with old
Raleigh friends.

Governor Glenn will leave tomorrow
accompanied by Miss Rebekah Glenn,
for Petersburg, Va., where he will de-
liver one of his characteristic addresses
on temperance, before the Woman's
Christian Temperance Union of that
city. Miss Glenn will go to Washing-
ton where she will be joined by her
father, after he has paid his visit to
the governor of Virginia in Richmond.
Governor Glenn expects to be back in
his office by next Wednesday.

The three closing speeches in the
cases of Lilliston and Clark, charged
with the murder of Charles G. Smith
of Petersburg, Va., will be made this
morning. It is expected that the case
will go to the jury before noon. The
evidence so far adduced seems to place
the burden on the defendant Lilliston,
and nearly all onlookers are of the
opinion that Clark was not directly a
party to the alleged murder.

The Oxford Student.

Have I a job for young men who hope
to be illustrious scholars? To see an Ox-
ford man walk along the "High" is to
put him down as a man absolutely de-
void of further interest in this life.
He doesn't walk; he lozes. To get an
idea of the proper thing don a tweed
suit of the most approved cut, pull a
cap down over your eyes, stick your
hands in your pockets and sloping your
shoulders and giving weakly at the
knees move with a long, gliding step,
toeing in by preference. You will then
have attained the dignity of being a
"hot dog."

Japanese and Golf.

Horace Hutchinson, the English writ-
er on golf, speculates on what will hap-
pen when the Japanese take up the
royal and ancient game. If they take
up western sport with the success with
which they learned the western arts of
war soon more champions should come
out of Nippon. When the Japanese
begin to apply the principles of Jiu Jitsu
to determining the best way to ap-
ply muscular force to a golf ball some
long drives may be expected.

A New Year Forecast.

Mme. de Thebes, the pet Parisian
prophetess, who is no Mother Shipton,
but a cultured woman of the world and
a charming talker and used to be a
great friend of Dumas fils, has issued
her almanac for 1906. The preface
runs: "I called 1904 a drab year, 1905
a scarlet year; 1906 will be a mad and
lud year." She does not say whether
this will apply to the weather.—Paris

A Fine Boat.

The Thelma is the latest addition to
the naphtha launch fleet in these waters
and is by far the handsomest craft of
all. The Thelma is a large, commodi-
ous, conveniently arranged boat, de-
signed for passenger service and for
cruising purposes.

The interior is finished in native hard
wood, with brass fittings, is arranged
with necessary closets, lockers, cushion-
ed seats which can be immediately and
easily transformed into comfortable
berths.

The motive power is furnished by a
15 horse power gasoline engine of the
latest pattern, and is arranged with
steering gear which can be operated
either forward or aft.

The sides of the passenger saloon are
fitted with large windows, which admit
plenty of light and give good ventilation
in every respect.

Its passengers can be very com-
fortably accommodated. It is without
doubt the finest launch on this part of
the coast.

The boat is the property of Mr. L. J.
Taylor, was built under his immediate
supervision.

Wedding Last Night.

Last night at the residence of the
bride's brother-in-law, Mr. Samuel Par-
sons, Miss Susie Gaskill was united in
marriage to Mr. James Landreth Cason
Rev. G. T. Adams officiating. The
room in which the ceremony was per-
formed, was decorated with bamboo,
potted plants and cut flowers. It was
a very quiet affair, only the relatives
of the contracting parties being pres-
ent. Miss Bessie Parsons presided at
the piano, and as the beautiful strains of
Mendelssohn's wedding march pealed
forth, the bridal party entered in the
following order: Mr. Cason with Mr.
L. E. Hearn, who was best man; Miss
Gaskill with Mrs. L. E. Hearn as dame
of honor.

Immediately after the ceremony the
bridal party drove to the home of Mr.
and Mrs. L. E. Hearn, where a recep-
tion was tendered them. They were
the recipients of many useful and hand-
some presents, which shows the high
esteem in which the young couple are
held. Mr. and Mrs. Cason will be home
to their many friends, at 100 Pollock
street.

MARSHALL FIELD DEAD

The Greatest Merchant Prince of This Country
Dies in New York City.

New York, Jan. 16.—Marshall Field,
the millionaire Chicago merchant, died
at the Holland House at 4 o'clock this
afternoon after an eight days' illness of
pneumonia. Death came peacefully
while members of the family who had
been in almost constant attendance for
several days were gathered around the
death bed.

Marshall Field was without any ques-
tion the greatest and most successful
merchant of his generation, and was
one of the world's richest men, his
wealth being estimated at anywhere
from \$100,000,000 to \$200,000,000. He
was a native of Conway, Mass., where
he was born in 1835. His father was a
farmer and Mr. Field obtained his edu-
cation in the public schools of Conway.

At 17 he became clerk in a general
country store in Pittsfield, Mass.,
where he remained four years. He
then came to Chicago in 1856 and be-
gan his career there as a clerk in the
wholesale dry goods establishment of
Cooly, Wadsworth & Co. During the
four years he remained with this house
he showed marked commercial ability
and in 1860 was given a partnership.

is so readily obtainable. If you have
any doubts about its value, F. S.
Duffy will let you have a complete out-
fit with the understanding that unless
it cures catarrh, it will not cost you a cent.
