SPPICIAL PAPER OF NEW BERN ANT

New Bern, N.C., Feb. 17 1906.

AMERICAN FARMER, INDUSTRIAL

The once told tale of lo, the poor farmer, is today a thing of the past, for in this age the American Farmer is an Industrial Prince, a ruler and controller of his own broad acres, as well as a factor in shaping the commercial and political destinies of this Nation.

is best felt by him in this day, because he is no longer in financial bondage, no longer mortgaged for his crop, one or more years in advance, with lien against every foot of soil, every farming utensil and animal on his place, with even the roof above his family's head, not wholly his own.

But through industry, thrift and in telligent farming, there is no longer

ducts, the American Farmer is showing his power, for last year he furnished the capital to start 1,754 new national banks these being for the financial accommodation of the people in the

It is the fact of this industrial im portance, the individuality of the American Farmer, that is giving him each year a more prominent and independent position. It causes him to be sought by the politician as well as by the banker, and where success is want-

any longer, but the American Farmer, the Industrial Prince.

There is more Catarrh in this section of the country than all other diseases For a great many years doctors pro nounced it a local disease and pre scribed local remedies, and by constantly failing to cure with local treatment, nufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a tea onful. It acts directly on the blood and mucous surfaces of the system. they offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address

The Great Bed of Ware, In Shakespeare's "" 'fth Night" Sir Toby Beich urges Sir Andrew Ague check to pen a challenge and to put in it "as many lies as will lie in the sheet of paper, although the sheet were big enough for the bed of Wara." Tuls enormous bed, which was a wonder in Shakespeare's time and still exists in Ware, is seven feet six inches high and ten feet nine inches square, so that twelve people can lie comfortably in it. Beautifully carved, it is a splendid cimen of antique furniture, dating om the days of Queen Elizabeth. This wonderful bed is naturally an object of curiosity and interest to many visitors. In the some room there hung a pair of horos, upon which all strangers formerly were sworn.
