### HONORED BY VIRGINIA

Attorney General North Carolina  
Retail Grocers Association.

Convocation of Charlotte. College Committee to Definitely Locate Site for Methodist. Mental Anguish Cases Against Western Union Telegraph. Elks Have Banquet

(Special Correspondence.)

Greensboro, Feb. 21.—Mr. Norman Johnson, Attorney General of the North Carolina Retail Merchants Association was here last night, returning to Raleigh from a visit to the Virginia State Mercantile Association in session at Roanoke. Mr. Johnson was very much surprised, and pardonably proud of the honor done him by the Association of Virginia. Without a thought of such a thing he was unanimously chosen as the Attorney General of the Association of that State.

The Convocation of Charlotte, of which Rev. E. A. Osborn, is Dean will hold its regular quarterly session in St. Barnabas Episcopal church, Greensboro, beginning Thursday March 13.

The College Committee of the Protestant Methodist church of North Carolina will hold a meeting on February 28, in the Directors room of the Greensboro Loan & Trust Company building, for the purpose of definitely fixing a location for the proposed college for that denomination. Three years ago a site in Greensboro was decided upon and the property purchased near Pomona, but when the Railroad built its new shifting tracks nearby it was sold at a big advance and another site purchased in South Greensboro. In the meantime the work of raising an endowment fund has been prosecuted and contributions toward the building fund secured. At the recent session of the annual conference at High Point, this thriving city took up the question of locating the college there and made such liberal offers, the committee was appointed to consider the matter of changing the proposed location from Greensboro to High Point.

All of Monday was taken up in the Superior court here trying a damage suit for mental anguish against the Western Union Telegraph Company for failure to deliver a telegram announcing the death of her mother to Miss Hannah Burroughs of Greensboro. She sued for \$2,000 and the jury gave her \$200. Yesterday a singular case was tried for her brother John Burroughs of Reidsville, and he got \$50. The court is today trying still another case for a sister, Miss Rosana Burroughs of High Point. It is remarkable that telegrams sent to three different people, in three different places should all have been delayed in delivery.

The Elks gave their annual banquet last night from nine to one o'clock and it was a distinctly well affair. It was at the Elks Hotel, Proprietor Clegg himself one of the most ardent of Elks, giving it his best attention and skill. Covers were laid for 150 of whom forty five were guests. The committee of arrangements consisted of D. H. Collins, Chairman; J. Kaufman and A. R. Perkins and to them were accorded unstinted compliment for their excellent work. The menu card was in the royal purple colors of the Elks with an elks head handsomely embossed in gilt and silver on the front.

Sawyer was named as county organizer.

The sentiment of farmers present was to abide by the Southern Cotton Association's advice, reduce acreage 25 per cent from 1904, hold cotton until advised to sell, sell not earlier than 1906 crop. W. H. Sawyer was named as county organizer.

There was good sized crowd of cotton farmers at the meeting, although the weather was rainy, and great interest taken in the proceedings by all present.

### Another Old Veteran Gone

Bayboro Sentinel  
On the 31st of January at half past 7 o'clock James O. Baxter Sr., of Stone-wall passed on the other shore and rests beneath the shade of the trees. Mr. Baxter was in his 76 year of age, one of the oldest citizens in the county. He came to this, then to Craven county from Currituck county prior to the Civil War, and when the war came on he was one of the first respond to his country's call and enlisted in Col. H. T. Guilford's company, afterwards company F. in the 10th Regiment N. C. Troops Heavy Artillery and was stationed at Fort Macon, and was in the fort during the siege until the garrison was forced to surrender. He enlisted a private and by merit alone won a lieutenantancy in his company after Johnson surrendered at Greensboro his command was paroled at Stantonburg, Wilson county, from there he came home and engaged in farming and a few years afterward became a clerk and book-keeper for Fowler & Co., merchants in Stone-wall where he remained with this firm until a few years ago over a quarter of a century. He was the first Democratic candidate for Sheriff of Pamlico county and was defeated by the small plurality of 16 votes, there being an independent democratic ticket in the field who received 81 democratic votes. He made a vigorous campaign and though defeated he was always loyal to the party and the principles of Jefferson and Jackson in deed and in adherence to those principles. He filled the office of Justice of Peace for more than a quarter of a century with credit to himself and to his county. In all things he was an upright honest Christian gentleman, whose life is worthy of imitation. As a soldier and a citizen was always at his post of duty, and when the final summons came he was prepared to answer and accept the call without a murmur, well assured that he would receive his just reward of a life well spent, in the service of his God, his country and his fellow man. He leaves behind a widow, his second wife, four sons and three daughters and a host of friends to mourn after him, we join with the multitude, Peace be to him, and may God comfort the sorrowing.

### BUSY WITH CASES

Attorney General Gilmer Has A. & N. C. Under Consideration.

Governor Greatly Pleased With New Bern And Wilmington. Negro Shootist Arrested. Judge Womack Must Remain in Hospital. Important Marriage And Reception.

(Special Correspondence.)

Raleigh, Feb. 21.—Attorney General Gilmer has been occupied with the cases on appeal in the Supreme Court from the third district, notably that of the State and the city of New Bern against the Atlantic & North Carolina Railroad for the violation of an ordinance obtaining in the town of New Bern, and based upon a contract entered into between the town of New Bern and the railroad as named. The lessee of the road, with reference to the shifting of cars upon and about Hancock street, held that violation had been committed against the terms of the agreement and against an ordinance as well. The case was appealed to the Supreme court, having been tried at the October term of 1905. Another case is that of the State versus Davis, from Pitt county, in the matter of an assault under the statute by the pointing of a pistol. There was conviction in Pitt county Superior court.

Governor Glenn is more than enthusiastic and is deeply appreciative of the reception accorded him both at New Bern and Wilmington as well as by the people he met enroute. The governor is more and more of the opinion that North Carolinians are the real salt of the earth. The governor is looking forward with much pleasure to his trip to Southern Pines where he will on February 24th deliver the principal address before the "Blue and the Gray." He has requested that his personal staff attend him in full uniform. The address of Fayetteville have petitioned Governor Glenn asking his good offices to the end that the National Government will co-operate with North Carolina in special work along the Cape Fear River in order that the fish may come up the Cape Fear as well as into the Albemarle waters. Governor Glenn has laid the matter before the North Carolina Board of Geological Survey and they hope to be able to effect such measures.

Ben Williams, Jr., the railroad negro who, on Monday afternoon shot and killed Alex Clark, another negro, in Raleigh, and who, even while under the influence of whiskey made his escape, was this morning arrested at Hamlet, by chief of police J. H. Spencer, of that place, who wired chief Mullins of the Raleigh Department for instructions. The Raleigh chief sent an officer on an early morning train over the Seaboard and Williams was brought here where he was committed to prison.

His friends over the State will regret to know that the condition of Judge T. B. Womack is such that he will be detained at the hospital for two or three weeks longer.

The Catholic church in Raleigh, was the scene this morning of the marriage of Miss Annie M. Dughi, the young daughter of Mr. A. Dughi, and Mr. J. D. Maag, a promising young business man of Baltimore, and son of Mr. and Mrs. Augustus Maag of that city. A reception that was markedly brilliant in all of its appointments as well as one of the most largely attended given in the city of Raleigh was tendered by Mr. Dughi who is one of the southern caterers of the distinguished note, to-night at his home on Saunders Street.

The young bride was the recipient of almost countless presents, these being an expression to her, not only of personal esteem but also an evidence of the universal popularity of her father throughout several southern states.
