WITNESSES TESTIMONY

Show Dr. Matthews to be Mentally In Bed Shape, Grand Jury Bring Presentments Against Southern Railway Employee.

Special to Journal.

Greensboro, March 2.—Many witnesses were examined by the defense in the Matthews trial today. A Greensboro witness testified that Dr. Matthews for months had been mentally unbalanced, old patients testifying they had discharged him because of his strange conduct and conversation, one saying, he had been crazy twelve months. Witnesses from Durham who saw Matthews last Thanksgiving there, where he was raised, said they would never have recognized him, he was such a complete wreck, mentally and physically. Other witnesses related instances of relatives on both fathers and mothers side, who had died of insanity, one drowning herself, and his grand mother killing a child by smothering it in her arms.

Professor Davis the university chemist who made the test for coroner Turner of the contents of Matthews syringe, testified that he made thorough and complete test for strychnine, and there was not a trace of it, and had any strychnine solution ever been in the tube, it would surely have permeated the powder, which was morphine. The grand jury today before being discharged brought its presentments against three employees of the Southern Railway for criminal negligence and causing the death of five men in the wreck here on the night of February 12th.

BATTLE FLAG RETURNS

Taken at Fort Monroe, April, 1862

Chief Justice Supreme Court Rhode Island
Bearing of Flag. Warm Reception
Accorded Visitors. Speeches
Of Acceptance. History
Of Flag.

(Special Correspondence.)

Raleigh, March 2.—A battle flag made by the hands of North Carolina women carried in fierce service by the hands of North Carolina men taken as the fruit of war at the fall of Fort Monroe April 26th, 1862, by the army in blue was this morning brought back to North Carolina by special escort headed by Judge W. W. Douglass, Chief Justice of the Supreme Court of Rhode Island. Others in the party were A. H. Larkin, New York, Messrs. Studley, Shepley, and Watson, from the north country, M. J. Perry and F. S. Gannon of the A. & N. C. Ry., W. W. King, M. W. McClure, of Norfolk, and J. F. Case, of New York City. A sort of spirit of evenness characterized the movement of the flag it being brought down both by northerners and southerners over the S. A. L. Road but in a southern railway car, that used for private purposes by President Spencer. The party remained in the car until ten o'clock this morning when they were met by a reception committee made up of the following named gentlemen: Lieutenant Governor Winston, Major Jas. I. Johnson, J. G. Brown and R. M. Phillips, Secretary of the Chamber of Commerce and Industry. Carriages were in waiting and the entire body were driven about over city, carried to the Soldiers Home and the Federal cemetery, the state museum, and many other points of interest about the Carolina capital.

After this outing and a short resting spell the party proceeded to the Senate Chamber where the impressive ceremonies attendant upon the return of the flag was witnessed by throngs of people. The chamber was beautifully decorated with flags of four kinds, most conspicuous in the arrangement was the battle flag of the Confederacy which rested between two large United States flags and just over the flag of North Carolina. About the columns in graceful arrangement were displayed the small bunting emblems of the State of Rhode Island. These together with a rich conformity of red, white and blue surmounted by golden eagles produced the handsomest effect yet accomplished in any Raleigh decorations. General Julian S. Carr, commander of the State Veterans Association presided over the exercises, Lieutenant Governor Francis D. Winston made an address of welcome, and the chief justice of Rhode Island presented the old Southern banner that bears within its folds an unspeakable history. Speeches of acceptance were made by chief justice Clark of the Supreme Court of North Carolina, State Auditor B. F. Dixon, Lieutenant John W. Sanders of Beaufort, the ranking surviving officers of that company which first bore the flag to the front.

The flag is of the regular Confederacy pattern with the white, blue and red tri-color and silver stars. Two dates, that of Mecklenburg's Independence and the State's secession are inscribed upon it. The scarred relic was made by four sisters in Beaufort who were Misses Mary and Henrietta Robinson, Mrs. Chiderella Poole and Mrs. Susan Howland. These ladies will be represented by descendants, Mrs. C. A. Clawson, Jr., Mrs. W. S. Robinson, who are daughters of Mrs. Poole and Nannie and Elias Howland, daughters of Mrs. Susan Howland.

Company E of the Fifth Rhode Island troops succeeded in taking the flag in that time of warfare from Company H Tenth Carolina Confederate troops. It was given to Capt. Arthur Dexter of Providence, R. I., who was the organizer of that battalion of which company E was a part. At the Captain's death his widow bestowed the flag upon the Rhode Island Veterans Association with the agreement that it should be returned to those left of the Confederate company from which it was captured.

After these formal exercises the visitors, the Justices of the Supreme Court and the officials invited to participate were seated at the Tarborough Hotel. It is due to the energy and careful conduct of Fred L. Merritt, Industrial Agent of the Atlantic & North Carolina and Norfolk & Southern railroads, that the successful exhibition of this ceremony was thus brought about. Quite a delegation from Beaufort witnessed the ceremony having come over in a special N. & S. train.

The new 5 and 10 cent Racket Store, 133 Middle Street, next to Kaler's Bakery will have their special sales Saturday and Monday.

Useful presents given away with every 25¢ purchase.

DELIBERATE AND VICIOUS MURDER

Such is the Killing of Mrs. Matthews By Her Husband Shown to be by Evidence in Case.

(Special Correspondence.)

Greensboro, N. C., March 2.—In the Matthews trial yesterday, County Coroner Turner and Dr. Z. T. Brooks, two of the physicians who attended Mrs. Matthews during the day of her death from poison were examined by the prosecution and their testimony was concluded before court adjourned. Their testimony, together with that of Minnie Walker, the colored cook, and Mrs. Hay made out of the most diabolical cases of deliberate and vicious murders ever conceived of. While all the witnesses testified that Dr. Matthews was under the influence of morphine all the time, and his conduct was that of a demon, they all persisted in the statement that he was perfectly rational and deliberate in everything he did. Dr. Turner's explanation of the test made of the hypodermic syringe at Greensboro by himself and at Chapel Hill by Dr. Davis was very interesting. Mrs. Hay's cross examination was rendered impossible yesterday by reason of the fact that just as she finished her direct examination, she fell headlong through the door of the grand jury room in an epileptic fit and had to be carried home in a carriage. Her cross examination will be had when she recovers sufficiently to come back. Rapid progress was made yesterday and this morning court met at nine o'clock when Dr. Farrar, another physician who witnessed Matthews actions, was the first witness, his testimony being largely corroborative of that of the other physicians. The evidence yesterday revealed an unheard of series of demonic conduct.

"The Convict's Daughter."

The good old melodramas of twenty years ago are on the shelf and some of the current ones ought to join them. "The Convict's Daughter" that will be seen at the New Masonic Opera House Thursday March 8th is unlike and far above the commonplace plays of its class. The plot is original and reasonably developed in five acts of intense action, sensational action and scenic realism, eclipsing all previous efforts in stage mechanism.

In every clime its colors are unfurled Its fame has spread from sea to sea; Be not surprised if in the other world, You hear of Rocky Mountain Tea. —For sale by E. S. Duffy.

CAUGHT BY THE GRIP-- RELEASED BY PE-RU-NA.

La Grippe is Epidemic Catarrh.

It spares no class or nationality. The cultured and the ignorant, the aristocrat and the pauper, the masses and the classes are alike subject to la grippe. None are exempt—all are liable. Grip is well named. The original French term, la grippe, has been shortened by the busy American to read "grip."

Without intending to do so, a new word has been coined that exactly describes the case. As if some hideous giant with awful grip had clutched us in its fatal clasp.

Men, women, children, whole towns and cities are caught in the baneful grip of a terrible monster.

Have you the grip? Or, rather, has the grip got you? If so, read the following letters.

These testimonials speak for themselves as to the efficacy of Peruna in cases of la grippe or its after-effects:

A Preventive For Colds and La Grippe.

Mrs. M. Woodruff, 2406 Central Ave., Minneapolis, Minn., writes:

"I cannot praise your remedy too highly. I first tried it after having la grippe and for the last two years I have used it as a preventive for cold and la grippe.

"As a tonic I also believe it to be excellent. I never fail to recommend Peruna to my friends, all of whom have used it with beneficial results."

A Relative of Abraham Lincoln.

Mr. Silas S. Lincoln, who resides at 913 I street, N. W., Washington, D. C., has the honor of being third cousin to Abraham Lincoln. He writes:

"I had la grippe five times before using your medicine. Four years ago I began the use of Peruna, since which time I have not been troubled with that disease.

"I can now do as much work at my desk as I ever could in my life. I have gained more than ten pounds in weight."

Entirely Relieved by Peruna.

Mrs. Jane Gift, Hebbardsville, Ohio, writes:

"I think I would have been dead long ago if it had not been for Peruna. Six years ago I had la grippe very bad.

"The doctor came to see me every day, but I gradually grew worse. I told my husband I wanted to try Peruna. He went directly to the drug store and got a bottle of it.

"I could see improvement in a very short time and was soon able to do my own work. I continued using it until I was entirely cured."

Address Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, Ohio.

A Southern Judge Benefited.

Judge Horatio J. Goes, Hartwell, Ga., writes:

"Some five or six years ago I had a very severe spell of grip which left me with systemic catarrh.

"A friend advised me to try your Peruna, which I did, and was immediately benefited. The third bottle completed the cure."

For Catarrh and La Grippe.

Mr. Edgar L. Benn, San Antonio, Tex., member of the Crescent Comedy Co., writes:

"I take pleasure in recommending Peruna for catarrh and the la grippe. Three bottles have fixed me up until I feel like a new man.

"In fact, it has become the standing remedy of our company, which has been bothered with sickness most all winter, until we got hold of your valuable remedy.

"You can always find a bottle in one of the members' rooms. We cheerfully recommend it to the public."

Grip Resulted in Catarrh.

Miss Alice Bielke, Treasurer Young Women's Society of the Lutheran Church, Menasha, Wis., writes:

"I gratefully acknowledge the good that Peruna did me after I had been sick with la grippe which left me in a very weak and emaciated condition, with catarrhal trouble of the head and ears.

"My mother suggested that I take it to build up my strength and rid myself of the troublesome catarrh, and it acted with wonderful speed.

"I was able to resume my work inside of two months and I am in splendid health now."

One reason why Peruna has found permanent use in so many homes is that it contains no narcotics of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results,—it relieves permanently.

STOLEN LAUNCH FOUND.

Boat Sunk in Neuse River. Probably Seized by Thieves.

The gasoline launch Violet, belonging to Mr. J. W. Hollis which was stolen from the Trent warehouse dock last week, Saturday morning, and which was advertised in the Journal was found yesterday sunk in Neuse river about two miles from New Bern near the quarantine station.

The captain of a passing tug reported that a sunken boat was lying in the river at the point mentioned and Mr. Hollis went and found that it was his boat.

He engaged a crew to raise it and found that there was a hole stove in her but that she was not damaged beyond repair. In fact it will take but little to put her in the same condition she was before she was stolen. The boat was towed into the dock last night.

There is no trace to the miscreants but there is evidence to show the boat was scuttled and that the persons escaped in a small boat.
