Mr. Saugrain is the son of Dr. Anton Francois Saugrain, the friend of Benjamin Franklin and the pioneer scientist of the "Mississippi valley."

A New Back for an Old One—How It Is Done in New Bern

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the case. Exchange the bad back for a new and stronger one. Follow the example of this New Bern citizen.

S. R. Parker, whose sheet metal business is at Craven and South Front streets, place of residence 41 Craven street, says: "I believe Doan's Kidney Pills to be a good remedy, in fact, I know it. I have been quite a sufferer from backache. At times it was so bad I could scarcely endure it, but since using Doan's Kidney Pills which I got at the Bradham Pharmacy my back has not troubled me at all. Should there ever be a recurrence I shall certainly resort to Doan's Kidney Pills, and intend to keep them on hand in case of need."

For sale by all dealers. Price 50 cts. a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name—Doan's, and take no other.

Choose Your Paint Yourself

A man should take such precautions as he can to safeguard any investment he makes. A house owner's expense for painting is very often larger than it would be if he personally looked after the material put upon it. There is often a difference of three years in the wearing of two different paints. Certainly, in this case, time is money. If you will see that Pure White Lead mixed with Pure Linseed Oil is used on your house, you will place your painting bills on a reasonable basis. You can tell the pure lead from the adulterated kind by the brand—

LEWIS
Pure White Lead
(Made by the Old Dutch Process)

Manufactured for years and, as any experienced painter will tell you, the standard by which others are judged.

Send for a booklet containing several handsome reproductions of actual houses, offering valuable suggestions for a color scheme in painting your house. A test for paint purity is also given.

Delmonico Potatoes.

Chop cold boiled potatoes into bits the size of a pea. Make a white sauce of one table spoonful each of flour and butter (creamed), pepper and salt and about two cups of milk. When this has cooked until thick add to each cup of sauce a generous cup of potatoes and pour into a baking dish. Sprinkle buttered cream crumbs on top and bake in a moderate oven until a delicate brown.

Table Linen.

It is not well for linen to keep it constantly in a hot air cupboard. Even though it is thus constantly aired if it remains in such a closet too long it will become discolored and the edges will turn brown.

Ink Spots on White Goods.

Ink spots may be taken out of delicate white goods with chlorinated soda. A few drops poured on will make the ink disappear at once. It should not be used on silk, however.

An Ideal Duster.

A soft chamois skin soaked in cold water and then wrung nearly dry is the ideal duster. It can be used on the finest furniture, and it will leave a clean, bright surface.
