PAPER OF NEW BEEN AND CRAVEN COUNTY!

New Bern, N C., May 6, 1906.

LOCAL NEED IS INTELLIGENT CO-OPERATION.

New Bern, its citizens, are held by ny outside towns and their people, munity which is against every ng, specially corporations. The reain for this outside judgment of Nev ern is only in degree, the truth, for no unity is more generous when just ipeals are made upon its people, nor any people more loyal to its friends, an the people of this city. The an ronisms are always prominent which community engages in, yet with e strength of being good fighters, no ple are so easily won over, if there the disposition of good fellowship

ght instead of combat, on the part f any opponent. fine new house. Two local conditions have existed hich have given New Bernians prom

nence as being fighters on seeming light provocation. The first is the misfortune of local political environment which has pressed upon this city and

section, taking precedence, and causing ortant trade and industrial condifeller, the Standard Oil magnate, you tions to be kept back, until the political could not buy a better medicine for matter was determined. The change bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy in political environment, has and is The most eminent physician can no changing the local situation, giving prescribe a better preparation for colic men the chance to look at the practi and diarrhoea, both for children and cal side, and not be kept in check by adults. The uniform success of this political antagonisms, and with the remedy has shown it to be superior to

lapse of time the local spirit which has exulted in strife, is giving place to a disposition to arbitrate or confer, first, before entering upon contentions. The second [condition, operating against the material and industrial

prosperity of New Bern, is the lack of local organization, co-operation of its citizens upon a basis which meant-a ether as citizens ut in desire to promote community upbuilding, eager and anxious to deserve the reputation of being locally patriotic, filled with civic pride, and loyal to the advancement of every local improvement.
