Candidates announced. (Special Coroespondence)

Greensboro May 11. - Mr. S. M. Spang ler a well known drummer for a Worcester Mass. Glass firm aged 58 was found dead in a bath room adjoining his sleeping apartment in the Benbow hotel A Corners inquest revealed that the cause of death was heart disease. On the table in his room was a letter ad dressed to his wife in Baltimore, which he had evidently written before retiring last night. Disrobing he had gone in the room to take a bath before going to sleep, and must have dropped dead just as he was preparing for his bath. The remains were sent to his home in Baltimore for burial on this afternoon's

A Philadelphia Syndicate had begun operating the Sand Creek Gold Mine six miles from Climax in Randolph County. Robert Holmes Page is managing Direct or of the Company and today \$15,000 worth of new machinery was unloaded there for the purpose of economising the production of gold.

The heavy frost here this morning at tended by an unusually cold snap, has greatly injured vegetation and truck. Cox Brothers, grocers here who run a truck farm in connection with their store, say that at least five hundred dollars damage has been done to their lettuce, beans and other tender plants.

Farmers here attending memoria services say they think wheat has been riously injured.

Mayor Mu phy last night announced that so many complaints were coming o head quarters about drunkenness of cider that he felt that something had to be done to relieve the situation and that hereafter dealers in cider, whether wholesale or retailers, would be held strictly to account. His test of whether a drink is intoxicating, he says, is not the amount of alcohol in it but whether or not when freely drunk i makes people drunk.

New Bern, the trial of which was noted reached a stage where the citizens in yesterday's Journal was completed should be proud of it. The organizayesterday at noon, and the jury after tion has, dint of hard work and faithful about two hours deliberation brought in practice, become proficient as music a verdict for the defendant.

son of a great amount of water turned State. after every rain.

All the evidence showed that there was no natural channel for flow of water from these lots which is a part of an old pond extending up what is known as 'Frog pond' or Taylor's Circle. The first four issues submitted to the jury were practically one in meaning, and all were addressed to the question of the diversion of water from its natural favor of the city. The sixth issue related to contributory negligence of the plaintiff. The city contended the plaintiff, bought a "hole in the ground" because it was cheap, and notwithstandlots, built houses upon it, thereby con-

Trotman's Whiskey Distillery at Ailmington has been seized by the United States for irregularities. This follows the seizure of a number of barrels of whiskey at Wilmington last week.

Very little has been heard during the past few days about the proposed elec tion on the question of prohibition here. It is said that a certain well known exssioon keeper here went to the pastor of a church took a very prominent part in the campaign in favor of the dispensary three years ago and asked him to lead in a fight for prohibition but the paster declined and then the ex-saloen man went to the gentleman who is now interesting himself in having a vote on prohibition. The gentleman in question classif that the ex-salogn man has reformed and would no longer ennage in the business even if Raleigh were an open town town. Much of the prohibition or temperants element here is not backing the movement for an elec-tion at this time because it is not thought opportune. The general opinion seems to be that no election will be
