COUNTY AFFAIRS

United States Road Expert on Trent Road.

Makes Exhaustive Report on County Roads to Commissioners. Treatment of Trent Road. Reports County Treasurer and Sheriff. Other County Business.

The board met at the court house, New Bern, N. C., on Monday May 7, 1906, at 10 o'clock a. m., in regular session.

Present commissioners, Foy, Barrington, Harvey, Richardson, and Wadsworth.

The report of Dr. J. F. Rhem, Supt. of Health was on motion accepted and ordered filed and recorded.

Board took recess until 2 30 o'clock p. m.

The board met at 2 30 o'clock p. m., pursuant to recess.

Present commissioners, Foy, Harvey, Barrington, Richardson, and Wadsworth.

Ordered by the board that the clerk of the board, furnish to various list takers of the county a list of the various changes made in the valuations of the property in the different townships which they respectively represent, made by the board of commissioners since June 1905.

By request of the chairman of the board, Mr. W. L. Spoon, a U. S. road expert, appeared before the board and submitted his report and recommendations as to the proper manner in which to improve the roads of the county, which said report was ordered filed and to be published in the New Bern Journal.

Mr. C. E. Foy, Chairman, and Gentlemen of the Board of County Commissioners for Craven County North Carolina.

In compliance with your request, Senator F. M. Simmons made urgent request of the office of public roads, to send an expert to New Bern, to give such assistance as he might be able, to your Honorable Board, in its effort to better the public roads of your county. The highway engineer thereupon wired me at Washington, N. C., to go at once to New Bern and render such assistance as I might find necessary, and within the power of the road office to give. I therefore came to New Bern and render such assistance as I might find necessary, and within the power of the road office to give. I therefore, came to New Bern and, by the courtesy of Mr. Spencer, have been shown over the Trent road, for a distance of five miles from New Bern, and also over the Neuse road, from the railroad crossing to the corporate limits of the city. I have, therefore, had opportunity to form an opinion as to the best method of procedure, under national conditions, as they now exist, and confront you today; and in this report to your honorable body, I shall endeavor to point out certain well established facts in road construction, applicable to your conditions, and then suggest to you a policy or system of working the public roads of Craven county, which in my judgment, will result in the betterment of your roads. I may here state that this is not my first acquaintance with the roads of the county; nearly four years ago I came here, at the request of Prof. J. A. Holmes, State Geologist, and special agent, office of public road inquiries, Washington, D. C., and aided your county in the construction of a sand clay road, beginning at the corporate limits of the city, on the Neuse river road, Mr. Bray, foreman in charge. A report on this road, by Mr. Wm. Dunn of this city, will be found in the year book, article of the Department of Agriculture for the year 1903, on page 264. I learn since coming here this time, from Mr. Spencer and others, among them Mr. Dunn, that this road has, since the first report given a great deal of trouble

Deafness Cannot be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, Ohio.

ADDRESS TO CZAR

Ten Demands Made by People Refusal Likely to Cause Trouble Special to Journal.

St. Petersburg, May 15.—The draft of the address to be made on the Czar is prepared. Ten demands are made, general amnesty; abolition of death penalty; suspension of martial law; civil liberty; abolition of the great council of the empire; revision of the fundamental law.

It declares the chief thing to be amnesty, and this question presents the calm consideration of legislative work. The country is thirsty for amnesty, which is the demand of the popular conscience, and impossible to be refused, and is to be demanded as the first pledge a mutual understanding.

Negro Hurt in James City

Jim Jackson, a colored employee of the Munger & Bennett mill at James City, was the victim of a serious accident in the yard of the mill yesterday. It is said he was pushing along a lumber car with the aid of a crow bar, the car rolled on him knocking him down crushing his leg in a terrible manner. He was removed to the Stewart sanitarium where his injuries were attended to by Drs. Primrose and Rhem. While the result of the accident will be very severe it is not thought that amputation will be necessary unless blood poison sets in.

THE DIOCESAN COUNCIL

The Clergy And Laymen of The Episcopal Church of Eastern Carolina Assemble Here.

The first session of the Diocesan Council of Eastern Carolina began yesterday at eleven o'clock. The assembly of clergy and lay delegates is large and the meeting gave promise from the start of being interesting and profitable. There are no weighty questions to decide and the sessions will be more for the purpose of the strengthening effect than for anything else. After communion and devotional exercises, which were conducted by Revs. A. W. Seabreeze, F. H. Horsfield and McNeely DuBose. Rev. R. W. Hogue, rector at St. James Church at Wilmington preached a powerful sermon on the subject of the Divinity of Christ.

The discourse was eloquent and logical reasoning on the evidences of Christ's Divine power, and the foolishness and wickedness of disbelief in His rights to the Godhead. All who heard the sermon were deeply impressed with the strength and earnestness of the preacher.

The afternoon session was taken up with routine business, chief of which was the Bishop's report. This was a complete and elaborate document and showed in the best possible manner the prosperous condition of the churches of this diocese. The council adopted several amendments to the constitution. The presiding officer is Bishop Strange, assisting him is Rev. N. Harding of Washington. Rev. F. N. Skinner, of Clinton is secretary.

Following are the names of those who are in attendance: Clergymen—Revs. Luther Eborn, N. Harding, F. B. Ticknor, R. B. Drains, T. P. Noe, A. W. Seabreeze, R. W. Hogue, Jas. Carmichael and wife, F. H. Horsfield, J. H. Griffith, Edw. Wooten, I. W. Hughes, N. C. Hughes, F. N. Skinner, J. B. Gibble, McNeely DuBose.

Laymen—W. L. DeRossett, Geo. Rountree, G. C. Royall, W. S. Lamb, M. N. Dixon, H. G. Burton, L. V. Morrell, B. P. Hughes, J. G. Whitfield, W. N. Harding, (ladies); T. H. Myers, N. C. Gordon, Mr. Ferrell, Mr. Scriven, Mrs. T. C. James, F. S. Jarvis and wife.

There was a large congregation cut at night, the services being entirely of the missionary work in Eastern Carolina. Bishop Strange presided, each speaker being most suitably and pleasantly introduced by the Bishop. The speakers were Rev. R. W. Smith of the Thompson Orphanage, Rev. J. B. Gibble, Mr. J. L. Burton, and Rev. I. W. Hughes. The addresses were spirited and indicated the healthy progress taking place in the missionary field, and the splendid devotion of those taking part in the work.

We publish the program for the services today: Wednesday: holy communion at 7 30 a. m., (this being the service for a corporate communion of the Woman's Auxiliary). Morning prayer and Litany at 9 30 a. m., Council meets at 9 45 House of the Auxiliary meets in Parish House at 10 evening prayer and missionary sermon by Rev. R. W. Barnwell of Petersburg, Va., at 8 30 p. m.
