**BEYOND THE FENCE ALWAYS SEEMS BEST**

The predominance of the animal nature over the mental and spiritual works disturbance and tends to be man beings who permit the animal tendency. It is disturbing in that it is never satisfied. The best of the field, no matter how green the grass in its own pasture, looks beyond the fence, and strives to get into the road or the field outside, thinking the grass there is better and richer.

To man, it is the something from which he is barred, that promotes desires, and urges effort to secure the object. If the object he of the world, of pleasure alone to the animal nature of man, like the beast in the field, the attainment is most likely to lead not to better things, but to hardship, first in the striving, and disappointment, when the pasture new was not as fresh, and rich in its resources, as it looked beyond the fence.

Looking beyond present conditions, seeking better ones is worthy of man, and it is the man of purpose who so looks, but not until there is a complete mastery of the field this side of the fence. For those winning success, it is not done by the neglect of things at hand. The desire may be to go beyond local or present environment, but the field is first thoroughly gleaned which is first entered, and the object and knowledge thus gained, is there the ability and strength to go further, and gain in the world beyond.

It is the absolute control of the animal tendency to the neglect of the good and safe pasturage under foot, seeking the apparently better field beyond, which shall place man in the just position, for which he was created, and save him from seeking to secure, except with due, intelligent, and right thought, the objects lying beyond unless they are in the fields of honest ambition and rightful purpose.

Unlike the animal in the field, man is not barred from any good object, and from the evil the bar is, only if it may be against the law of God and man, against correct words and just principles.

**Deafness Cannot be Cured.**

By local applications and other means there is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it has a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation and congestion of the tube be removed to its normal condition, hearing will be destroyed. Chamberlain's Ears and Throat Remedy cures this condition, and restores the hearing. It is a powerful medicine, and is sold by all druggists.

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious troubles. If you have a headache or bladder trouble, do not use Foley's Kidney Cure, you will have to pay the price of your health. It is a powerful remedy for all forms of kidney and bladder diseases. Torture. For more than twenty years Mr. J. B. Mansey, of 3222 Clinton St., Minneapolis, Minn., was afflicted with sciatica. The pain was suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of this liniment relieved the pain and made sleep rest possible, and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 25-cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by Davis Pharmacy and F. S. Duffy.

The richest man in the world cannot have his kidneys replaced nor live with out them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Lebanon, Ky., writes: "I have used Foley's Kidney Cure and take great pleasure in stating it cured me permanently of kidney disease, which certainly would have cost me my life." For sale by Davis Pharmacy.

**Wait for Hunger**

Good Advice From F. S. Duffy as to How to Create an Appetite.

Any physician will tell you that it is unwise to eat unless one is really hungry. It is far better to miss a meal than to eat without appetite. But do not take a tonic, stimulant, or appetizer to make you hungry. F. S. Duffy says that the best way to create an appetite is to restore the digestion to health by the use of Mi-na stomach tablets, a reliable remedy that they have with the best satisfaction.

**When Mi-na is used, the irritation**

and inflammation of the stomach coating will be soothing, the gastric follicles will be strengthened so that they will pour out the natural digestive fluids with regularity, and the food you eat will be perfectly digested without distress.

**A large box of Mi-na stomach tablets**

is sold for 50 cents by F. S. Duffy, and it is so successful and reliable in curing indigestion and other stomach troubles, with the exception of cancer of the stomach, that he sells it under a guarantee that the money will be refunded unless it does all that is claimed for it.

Hyman Supply Company Buy Interest of a Wilmington Concern

The Inter State Machinery and Supply Co. Merged with the New Bern House and Takes Its Name, A Successful Enterprise.

A business change of considerable importance will interest the New Bern public, it having been announced to the trade that there will be a consolidation of the Interstate Machinery & Supply Company of Wilmington, and the Hyman Supply Company of Wilmington, and the Hyman Supply Company of New Bern on June 4th, after which time both the Wilmington and New Bern branches will be conducted under the charter and name of the Hyman Supply Co.

Messrs. T. D. Love and T. J. Pratt of Wilmington, organizers of the Interstate Machinery and Supply Company are well and favorably known to the trade having been connected with other concerns in the same line for a number of years. In a few months they have built up a fine business; and they will be active in the management of the Wilmington branch.

The Hyman Supply Company is well known not only in New Bern but throughout Eastern North and South Carolina. Organized by Mr. Thos. G. Hyman about ten years ago, it has had a steady growth from year to year until the present time, when it is one of the largest mercantile establishments in Eastern North Carolina.

The success of this well known concern is due to the strong personality and skillful management of Mr. Hyman who has always given every detail of the business his supervision. He is a man of sterling integrity, indomitable energy and executive ability. A young man, himself, and he has a competent corps of young men, perfecting a fine business organization.

Mr. Hyman was one of the organizers of the New Bern Cotton Oil & Fertilizer Mills, and the Carolina Brick Company, and is now a director in, and Vice President of these corporations.

The capital stock of the re-organized Hyman Supply Company will be not less than \$75,000. They will carry a very large stock of all kinds of machinery and mill supplies at both of these branches, and will represent the largest manufacturers in their line in the United States. Their motto will be "Honest quality, prompt service, and square treatment."

Mr. Hyman will be President, and will give the business his whole attention, which is quite enough to predict success and a brilliant future.

**RHEUMATISM**

ALMOST AS COMMON IN SUMMER AS IN WINTER.

While the damp, cold, changing weather of Winter intensifies the pains and other disagreeable symptoms of Rheumatism, it is by no means a winter disease exclusively. Through the long months of Summer its wandering pains and twitching nerves are felt by those in whose blood the uric acid, which produces the disease, has accumulated.

Rheumatism is a disease that involves the entire system. Its primary cause results from the failure of the eliminative organs, the Liver, Kidneys and Bowels, to carry out of the system the urea, or natural refuse matter. This coming in contact with the different acids of the body forms uric acid which is taken up and absorbed by the blood. This acid causes fermentation of the blood, making it sour and unfit for properly nourishing the body, and as this vital stream goes to every nook and corner of the body, the poison is distributed to all parts. The nervous system weakens from lack of rich, pure blood, the skin becomes feverish and swollen, the stomach and digestion are affected, the appetite fails, and a general diseased condition of the entire system is the result.

Not only is Rheumatism the most painful of all diseases, with its swollen, stiff joints, throbbing muscles and stinging nerves, but it is a formidable and dangerous trouble. If the uric acid is allowed to remain in the blood, and the disease becomes chronic, chalky deposits form at the joints, and they are rendered immovable and stiff, and the patient left a helpless cripple for life. Every day the poison remains in the system the disease gets a firmer hold. The best time to get rid of Rheumatism is in warm weather; because then the blood takes on new life and the skin is more active and can better assist in the elimination of the poisons. With the proper remedy to force the acid out of the blood, and at the same time build up and strengthen the Liver, Kidneys, Bowels and other organs of the body, Rheumatism can be permanently cured. External applications relieve the pain and temporarily reduce the inflammation, and for this reason are desirable, but they cannot have any effect on the disease. The blood is poisoned and the blood must be treated before a cure can be effected.

S. S. S., a remedy made from roots, herbs and barks, is the best treatment for Rheumatism. It goes into the blood and attacks the disease at its head, and by neutralizing the acid and driving it out, and building up the sour blood so it can supply nourishment and strength to every part of the body, it cures Rheumatism permanently. S. S. S. is the only safe cure for the disease; being purely vegetable, it will not injure the system in the least, as do those medicines which contain Potash or some other mineral ingredient. S. S. S. tones up every part of the body by its fine tonic properties. While cleansing the blood of all poisons it builds up the appetite and digestion, soothes the excited nerves, reduces all inflammation, relieves pain and completely cures Rheumatism in every form—Muscular, Inflammatory, Articular or Sciatic. If you are worried with the nagging pains of Rheumatism, do not wait for it to become chronic, but begin the use of S. S.
