OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., June 22, 1906.

STATE SENATOR D. L. WARD.

While the return of Mr. D. L. Ward, of Craven county, as State Senator from the Eighth District, to the next General State Assembly, seems assured, judging from the promises made by the friends of Mr. Ward's, there may be those who if they understood better Mr. Ward's position on a few public issues, would not move to vote, but assist in making his nomination a practically unanimous one.

In Carteret county, there is some opposition to Mr. Ward, because in the last legislature, as Senator, he opposed the bill which had for its purpose to double the tax on oysters, a measure which looked both unjust and unwise, as its effect would tend to curtail the oyster business, thus causing the increased tax to be less effective, and to the consumer, add to the cost which he would have to pay.

In the matter of the Watts law, which Mr. Ward upheld, could he have done differently, as a democrat, in upholding this law, which was incorporated in the State democratic platform? If our representatives in the State legislature, or in Congress for that matter, are going to be criticised, let it not be for following strictly and literally democratic doctrines which the voters have declared for in their public gatherings and platforms.

In some quarters there are insinuations that Mr. Ward is a railroad attorney, not a crime in itself, though objectionable if the attorney goes to the legislature to represent the people. On this issue Mr. Ward's record is open, and on examination it will be found that he usually appears at court against the railroad interests, and he was against granting the Atlantic & North Carolina railroad lease in perpetuity, which was practically sought, when the life of the charter was 47 years.

If other issues have been urged as reasons for Mr. Ward's not again receiving a nomination, which is usually given twice, they have not been heard or presented. The Senator representing Carteret, Craven, Greene, Jones, Lenoir, and Onslow counties, in the last legislature was a gentleman ever courteous and approachable, always at the service of his constituents, and standing for democratic principles. His return will reflect credit on his district and the State, and the people will have a representative who will stand firm for their interests, and at no time has there been greater need for such a man in the General Assembly, as there will be next winter, when that body meets again in Raleigh.

Three Physicians Treated Him Without Success. W. L. Yancy, Paducah, Ky., writes: "I had a severe case of kidney disease and three of the best physicians in Kentucky treated me without success. I then took Foley's Kidney Cure. The first bottle gave immediate relief, and three bottles cured me permanently. I gladly recommend this wonderful remedy." Sold by Davis' Pharmacy.

CASTORIA. The Kidney Cure Has Cured Many Cases of Asthma that were considered hopeless. Mrs. Adolph Rosenberg, 701 West Third St., Davenport, Iowa, writes: "A severe cold contracted twelve years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Kidney Cure was recommended and one fifty cent bottle entirely cured me of asthma which had been growing on me for twelve years, and if I had taken it at the start, I would have saved years of suffering." SNOWSLIDES OF ROCKETS.

Every year the life of a citizen in the high mountain regions is imperiled by the avalanches of snow, and every year follows a list of casualties and of hardships escaped. The story of snowslides would fill a book and would be a thrilling, tragic and in some cases a gruesome one.

Men have ridden hundreds of feet on the back of a snowslide and have escaped unhurt. Others have been caught and buried so deep and in such uncertain spots that their bodies have not been discovered until the melting of the snow in the following spring.

Some have been caught as they were walking, but a few steps from the boarding house to the mine, or while carrying a car on the mine dump. Not infrequently men have found themselves temporarily imprisoned by the entrance of the mine being closed by a slide while they were at work and have had to dig their way out.

A Chinese cook at one of the Idaho mines stepped outside his kitchen door for a moment and was caught and buried with the slide 1,000 feet down the hillside and his body was not recovered till the following spring.

Some incidents denote the extreme suddenness, power and velocity of the slide. Little or no warning is given, a roar, a cloud of snow obscuring the sight of the real slide, and in a moment thousands of tons of snow, mingled with trees and debris, are shot down the gully or the slope of a mountain as from the mouth of a cannon.

In a few seconds all is over and the scenery of the little valley is completely changed. Mines and Minerals. If you knew the value of Chamberlain's Salve you would never wish to be without it. Here are some of the diseases for which it is especially valuable: sore nipples, chapped hands, burns, frost bites, chilblains, chronic sore eyes, itching piles, tetter, salt rheum and eczema. Price 25 cents per box. For sale by Davis' Pharmacy and F. S. Duffy.

It is reported Salvador is about to declare war on Guatemala. Interior Minister Clemenceau told the French Chamber of Deputies that the Socialists and Collectivists' Utopia never can be realized.

Feel impending doom. The feeling of impending doom in the minds of many victims of Bright's disease and diabetes has been changed to thankfulness by the benefit derived from taking Foley's Kidney Cure. It will cure incipient Bright's disease and diabetes and even in the worst cases gives comfort and relief. Slight disorders are cured in a few days. "I had diabetes in its worst form," writes Marion Lee, of Dunreath, Ind. "I tried eight physicians without relief. Only three bottles of Foley's Kidney Cure made me a well man." Sold by Davis' Pharmacy.

A belief is growing that Russia is facing an open revolution. When our soldiers went to Cuba and the Philippines; health was the most important consideration. Willis T. Moran, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds. I took Dr. King's New Discovery for Consumption which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at all druggists. Price 50c and \$1.00. Repainting.

Paint has no protection against the elements, and climatic changes work hard and fast upon it. The best paint will eventually wear down, and the surface will have to be repainted. But when Pure White Lead and Pure Linseed Oil are used the surface is left smooth and free, all ready for the painter to begin his work.

If, on the other hand, a hard, lifeless, inflexible paint (such as zinc and barytes) has been used, it cracks, peels and wears off unevenly, leaving a scaly surface, necessitating the expensive and dangerous process of burning off before satisfactory repainting can be done.

To paint with cheap paint is to repaint at high cost, and too soon. Those who use LEWIS Pure White Lead (the Old Dutch Process) repaint seldom and at lowest cost.

Mr. Graham Richardson Withdraws. To the Democratic voters of Craven county.

On the 19th of August, 1906, I handed Mr. B. G. Credle, deputy sheriff, my check for my taxes then due and Mr. Credle, through a mistake, wrote on the check "taxes 1905" when it should have been "taxes 1904."

I desired to be a candidate for the office of register of deeds and have made a canvass of the county and now find myself greatly embarrassed because of this mistake for which I am not in any way responsible.

At the same time I am a Democrat and a law abiding citizen and as I have omitted to pay my poll tax I will not ask the Democrats of Craven county to vote for me this time but will withdraw from the race with out bitterness and will loyally support the entire Democratic ticket as I have always done.

I give notice, however, that I shall be a candidate again and shall ask the people of the county to vote for me at a time when there is no legal impediment in my way.

I will not ask the Democrats of Craven county to vote for me this time but will withdraw from the race with out bitterness and will loyally support the entire Democratic ticket as I have always done.

I give notice, however, that I shall be a candidate again and shall ask the people of the county to vote for me at a time when there is no legal impediment in my way.

I will not ask the Democrats of Craven county to vote for me this time but will withdraw from the race with out bitterness and will loyally support the entire Democratic ticket as I have always done.

I give notice, however, that I shall be a candidate again and shall ask the people of the county to vote for me at a time when there is no legal impediment in my way.

To the Democratic Voters of Craven County

In order that my alliance in public print, may not be misconstrued I have deemed it advisable to publicly announce my desire to continue for another term, in the office to which the voters of my county have kindly elected me.

I trust that my earnest efforts to discharge the duties incumbent upon me have been sufficiently successful to earn for me a continuance in the office during the succeeding term, and if through the kindness of the Democratic voters of the county I shall again be the choice of our County Primary, I shall faithfully endeavor to serve the people with that diligence and uniform courtesy which I have endeavored to use and exercise during my past term.

Very respectfully, GEO. E. WATERB, Reg. Deeds Craven Co.

For County Treasurer. To the Democratic Voters of Craven County.

I hereby announce myself a candidate for the office of Treasurer for Craven county, subject to action of the Democratic primaries. During my term of office I have endeavored faithfully and impartially to discharge the duties incumbent upon me as your Treasurer, where the official duties have been properly performed.

It has been the custom of our party to re-nominate for the second term, and in asking for this nomination at the hands of my party, I rely upon the record made by me in the performance of my duty.

Very respectfully, FREDMAN S. ERNUL.

To the Democratic Voters of Craven Co. I hereby beg to announce myself a candidate for the office of Register of Deeds of Craven county subject to the Democratic primaries, and believing that the people of the city are willing for the people of the county to have a fair share of the offices of the county, I ask the suffrages of all. If elected I promise to faithfully perform the duties of the office.

Respectfully, RICHARD B. LANE.

Candidate for Register of Deeds. I desire to announce to the Democratic voters of Craven county that I am a candidate for the Democratic nomination for the office of Register of Deeds at your county primary.

As to my fitness and competency I refer to my past record as a clerk in the office of the two last Register of Deeds. I make no claim of right to the office, but I do ask that the white Democratic voters consider whether past party service are not entitled to some consideration. I have never failed to serve the party when I could, and in the White Supremacy campaigns I did so at considerable sacrifice and not a little danger.

I have never asked for office before and if my request is declined you will still find me a faithful worker in the ranks of the party.

W. B. FLANNER.

For County Treasurer. To the democratic voters of Craven County.

By the solicitation of my friends all over the county I hereby announce myself a candidate for County Treasurer subject to the Democratic Primaries.

J. J. BAXTER.

To the Democratic Voters of Craven County. I hereby announce myself as a candidate for the office of Sheriff, subject, of course, to the Democratic primaries.

Assuring you of my sincere appreciation of your kind support in the past, and hoping that my administration of the Sheriff's office has met with your approval, and promising, if re-elected, to conduct the office impartially and to the very best of my ability, I am Very sincerely yours, J. W. BIDDLE.

June 18, 1906.

To the Democratic Voters of Craven County. I respectfully announce that I am a candidate to succeed myself as Clerk of the Superior Court of Craven county, subject to the action of the nominating committee.

I wish to take this opportunity to express to you my grateful appreciation of the generous support given me in the past, and to assure you that I shall endeavor to give you every satisfaction and to be worthy of the confidence which you have placed in me.

Very respectfully, W. WATSON.
