AGGRAVATED CASE OF ECZEMA

Troubled Badly for Several Years With Eczema on Limbs and Wrists — Physicians Prescribe Without Any Benefit — Blotches Now All Gone.

ANOTHER WONDERFUL CURE BY CUTICURA

"For several years I was troubled badly with an eczema on my limbs and wrists. Physicians in several towns had prescribed for me without giving me any results. I had often used Cuticura Ointment and received relief temporarily. In the spring of 1894 I took the Cuticura Resolvent Pills and used the Cuticura Ointment for about five weeks, and at the end of that time there was not a blotch on me anywhere. This spring I took five vials of the Cuticura Resolvent Pills as a precautionary measure, and will continue to do so every spring simply as a spring tonic, as they are so easy to carry with you, and they certainly fix your blood for the ensuing year. I now use only Cuticura Soap."

FOOT COMFORT

In Baths With Cuticura Soap and Anointings With Cuticura, the Great Skin Cure. Soak the feet on retiring in a strong, hot, creamy lather of Cuticura Soap. Dry, and anoint freely with Cuticura Ointment, the great Skin Cure. Bandage lightly in old, soft cotton or linen. For itching, burning, and scaly eczema, rashes, inflammations, and chafing of the feet or hands, for redness, roughness, cracks and fissures, with brittle, shapeless nails, and for tired, aching muscles and joints, this treatment works wonders in a single night.

BRYAN'S WOUND SEROUS.

Negro Shot by Constable Dwight Styron in Bad Condition.

James Henry Bryan, the negro who was arrested by Constable Dwight Styron Saturday evening in lying at the Stewart Sanatorium suffering from a very serious wound. The ball from Mr. Styron's revolver entered the body underneath the abdomen and penetrated an intestine, it took a downward course but has not been located. Bryan was found Sunday morning in the house of a colored man named Washington in James City. He had hidden under a bed and was hauled out from his concealment. He had done nothing for his wound but had suffered several hemorrhages. Dr. Primrose performed an operation on him yesterday and reported that the man had scarcely a chance for recovery.

It is wonderful what a little careful grooming will do for a woman. It's inspiration and sweetness. It's delightful and bewitching. The effects of Hollister's Rocky Mountain Tea. 35 cents. Tea or Tablets. Sold by F. S. Duffy.

Burglar at P. O. & W. Railway.

A burglar entered the Pamlico, Oriental and Western depot yesterday morning by breaking a window with a brick. The thief tackled the money drawer and failed and then tried to get into the ticket case when John Holland, a young white boy was aroused by the disturbance and shot at the man. The marauder was scared away but the boy sent four more bullets after him but none took effect. The marks of three bullets were found in the ceiling, the other two bullets could not be found and it is supposed the intruder carried them off.

OF STATE IMPORTANCE

The Question Can an Election be Legally Held as Proposed for Prohibition or Dispensary at Raleigh.

Special to Journal. Raleigh, N. C., June 25th.—Mayor Johnson calls the Raleigh Aldermen to meet tomorrow to hear the report of the special committee on the petitions for an election on the question of prohibition or dispensary, the number of signers who are registered and have paid poll tax is 464, while only 428 are necessary to call an election though there is grave doubt as to whether an election can be legally held, a number of persons declaring the Watts law does not provide for an election on the above issue, while others say, an election cannot be held in thirty days of a legalized primary. The Mayor's view is, that the election should be ordered, if the number of names is sufficient, and then the opponents of election can take the matter to the highest court by injunction. There are persons who say that if the dispensary is voted out, it will reopen the bar rooms, but the mayor does not hold this view. The whole question is of State importance.

A Case of Alleged Bigamy.

Defendant Makes Plea Against the Charge. Money Under False Pretenses. Jack the Bird Dog Detective Causes a Sensation.

Special Correspondence. Greensboro, June 25.—About three weeks ago Miss Mattie Gilchrist, the daughter of county surveyor Gilchrist, was married to Samuel S. Osborne, a young telegraph operator for the Southern Railway at one of its block stations near here. Saturday Osborne was arrested on a charge of bigamy, and at the hearing Saturday afternoon the trial was postponed until Saturday of this week, the accused giving bond for his appearance. In asking for a continuance of the case, Osborne's lawyer explained that the accused, 8 months ago, while on a spree in Salisbury, married a woman, whom he had not seen since the morning after. He declared the woman got the license, looked up the Justice of the Peace and had the not tied herself. That she had two other husbands living, and for this reason, he had thought the marriage was not legal, and had not considered he was doing wrong by getting married again six months later, and soon after coming to this county. What his new wife and "her folks" think of it has not yet been expressed in acts.

It will be printed by Doubleday, Page & Company of New York City, it will contain 400 pages with 63 full-page engravings and the price of it will be \$2.20, the style being very attractive. Experts have said that this is the only book which thoroughly treats the cultivation, marketing, manufacture, etc., of cotton.

At the penitentiary yesterday afternoon there was a quiet but very pleasing celebration of the 15th anniversary of the founding of the Seagrams School.

There were talks by Messrs. Seymour Whiting, John C. Pullen and Thomas W. Blake, who have taught from the first; by Mr. Penick, a minister from Texas, and also by Mrs. Blair. Over a hundred convicts said they had been benefited by the Sunday School, about 75 said they desired to lead better lives and 15 announced that they desired to confess their faith, and then did so.
