### ALL WERE PERFECTLY **CURED BY CUTICURA**

"My three children had eczema for five months. A little sore would appear on the head and seemed very itchy, increasing day after day. The baby had had it about a week when the second boy took the disease and a few sores developed, then the third boy took it. For the first three months I took them to the N— Dispensary, and they tool me that the children had ringworm, but they did not seem to improve. Then I heard of the Cuticura Remedies, and I thought I would write you about my case, and when I got the Cuticura Soap and Cuticura Ointment I bathed the children's heads with warm water and Cuticura Ointment. In a few weeks they had improved, and when their heads were well you could see nothing of the sores. I should be very glad to let others know about the great, Cuticura Remedies, Mrs. Kate Reim, 513 West 29th St., New York, N. Y., Nov. 1, 5, and 7, 1906."
