**Odd Fellows Thankgiving.**

The Odd Fellows of New Bern held their thanksgiving services at St. Peter's church Sunday, May 15. The lodges were formed in procession by M. V. P. Bro. W. F. Allen, as chief marshal, and marched to the church, where the following exercises took place: (1) Music by the Odd Fellows' choir, M. V. P. Bro. Elias Hayes, choirmaster. (2) Address by Supreme Grand Director, Patriarch, Bro. W. W. Lawrence, master of ceremonies. (3) Music by the choir. Prayer by Rev. J. E. Morris, which was touching to the hearts of all. (4) Thankgiving Anthem by the choir, after which P. N. F. Rev. R. Henry Sawyer, Jr., of James City, gave a flash light view of Odd Fellow History. After the interesting exercises the procession formed and marched to Greenwood cemetery to place flowers and the emblems of the Order on the graves of our departed brethren and sisters to let the world know though dead they are not forgotten.

## Female Weakness

"Last Fall," writes Mrs. S. G. Bailey, of Tunnelton, W. Va., "I was going down by inches, from female disease, with great pain. After taking Cardui, Oh My! How I was benefited! I am not well yet, but am so much better that I will keep on taking Wine of Cardui till I am perfectly cured."

Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a misplaced organ.

**At Every Drug Store in \$1.00 Bottles.**

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and by Book on either Dyspepsia, Heart or the Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion use Dr. Shoop's Restoratives sold by F. S. Duff.

**Cornell Rowing Shell.**

That the other colleges believe the Cornell crews' victories on the water are due largely to the boats they use is demonstrated by the fact that when Coach Courtney decided to sell some of the shells to make room in the boat house at Cayuga Lake, N. Y., nearly three-score of offers were made for them. After six had been sold to smaller colleges Courtney had to tell the others that there were no more for sale.

One of the orders for half a dozen shells came from Seattle, Wash. The Ithaca coach took pains to make sure that none of his shells went to any of the larger colleges.

**Tom Stuart's String.**

Tom Stuart, the Ohio driver, has this year in training at Abdallah park, Cynthiana, Ky., including the crack pacers—Hist Grade, 2:12 1/4, and High Seven, 2:13 1/4.

## Female Weakness

The average person does not realize how much the bodily health depends upon the proper action of the kidneys and bladder, nor how widespread disorders of those organs are. It is quite safe to say that they give physicians as many sleepless nights on account of their patients as do any of the others, and perhaps it would not be too much to say that, directly and indirectly, they are chargeable with as much sickness as all the other organs of the human body combined. As a result of a vast amount of careful study, many physicians are now using with great success in the treatment of disorders traceable to the kidneys and bladder a prescription composed of 1/2 oz. Fluid Extract of Uva Ursi, 1 oz. Amet Cordial, 1/2 oz. Fluid Extract of Liverwort and 15 cc. water. This is administered in doses of a tablespoonful three times a day and while the treatment is continued, which, in order that all impurities may be eliminated from the system should be for a month, the patient is advised to drink large quantities of water. The materials called for by the prescription are carried in stock by every first-class pharmacy.

## CRYING FOR HELP.

Lots of it in New Bern But Daily Growing Less.

The kidneys cry for help. Not an organ in the whole body so delicately constructed. Not one so important to health. The kidneys are the filters of the blood. When they fail the blood becomes foul and poisonous. There can be no health where there is poisoned blood. Backache is one of the first indications of kidney trouble. It is the kidney's cry for help. Heed it. Doan's Kidney Pills are what is wanted. Are just what overworked kidneys need. They strengthen and invigorate the kidneys; help them to do their work; never fail to cure any case of kidney disease. Read the proof from a New Bern citizen.

Mrs. N. Vincent, widow, living at 103 Craven St., New Bern, N. C., says: "Doan's Kidney Pills have been very beneficial to me. They certainly relieved me of very disagreeable pains in my back from which I suffered for a long time. I obtained them at Bradham's Pharmacy and I must say that they proved to be a good remedy in my case."

For sale by all dealers. Price 50 cents. Foster-McBee Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
