NEW BERN STARTS IN LEAD TRIBUTE TO DEAD BROTHERS

In Eastern Carolina League Defeats Kinston. Rain Stops Other Games.

There was anxiety among those interested in baseball here, all the morning, yesterday, as each hour seemed to increase the chances for rain, and no game. But at 4 o'clock, while still cloudy and threatening, no rain fell, and there was a rush to the Athletic Park. The attendance was estimated at 1,000, of these about 150 came from Kinston, with megaphones and ribbons, to cheer for their favorites. Unfortunately for the Kinstonites there was few opportunities to become really enthusiastic, as New Bern took the lead in the first inning and was never in danger after that. About 4 p. m. Mayor Bryan of New Bern, and Mayor Laroque of Kinston, took their places in the pitcher's box and at the bat. In the field was the New Bern club, Umpire Upchurch was in his place, and at the call of time, Mayor Bryan with several deceptive motions and feints to deliver the ball, finally turned loose the ball and Kinston's mayor made an eager swipe at the ball, but failed to touch it. The umpire then called the real game.

The first three Kinston men went out easily, two by the fan route. For New Bern, Stevenson's base on balls, steal of second, and Corey's safe single, sent a run home. The third inning looked serious for New Bern. Taylor had given a base on balls, Davis hit safely, R. and F. Dimpfel bunted, and Wooten came along with a hit, but Nicols kept his head and the side only scored once, with three left on bases. New Bern came back with a two bagger by Nicols, Guerrant hit for three bases over center field, Corey pushed out a hit for two sacks, and Dekin hit for a single, the result being three runs. In the fifth New Bern turned their bats against the ball. Hits by Dekin, Hoover, and McGorrey, and Oettinger miff of Clements easy fly, gave four more scores for the home team, and finished their run getting. In the seventh Kinston threatened to get a run or two, Oettinger hitting for two bases, but Nicols braced up and struck out the Dimpfels and it was over. Miller hit over the right field fence, gave Kinston ruters a chance to cheer, but it was the second and last run. Hoover, McGorrey and Clements made hits in the seventh, but Hoover failed to steal second, and Thompson could not produce the hit to bring in his two club mates. But the score was ample, and no regrets were expressed. The game was slowly played, taking about two hours, but the rain held off until a few minutes later, so that all could get home without a drenching. The following is the score:

TEACHERS GET A RAISE

Three New Instructors Are Engaged and Re-elected Fourteen.

The Board of Trustees of New Bern Academy held their annual meeting Saturday and made arrangements for the next year's instruction. It was decided to raise the pay of the teachers—receiving \$40 per month to \$50; the teachers of the High school receive a corresponding increase in salary. Misses Lucile Reamy, Rosa Dali and Emma Duffy did not renew their applications. The following were elected to fill their places: Miss Mattie Jenkins, of Woodland, Miss Mamie Weeks, of Fayetteville and Miss Mamie Tennessee, of Jackson. The services of Superintendent Cray were re-engaged as were the following 17 teachers: Miss Mary L. Hendren, principal; Mr. Harold Whitehurst, Misses Mabel Chadwick, Apple Caho, Janet Hollister, Emily Ferrebee, Etta Nunn, Annie Chadwick, Ethel Wood, Sadie Berry, Eleanor Marshall, Ruth Berry, Lizzie Hancock and Mollie Heath.

Congressman Thomas at Beaufort.

Lack of time and space prevented the Journal from making mention of Congressman Charles R. Thomas at the Beaufort celebration. Mr. Thomas paid splendid tribute to the other speakers, and spoke in eloquent terms of Beaufort's future. Of all those present at the celebration, no one has done more to bring about this event than the congressman of the 3rd district, and his constituents throughout the district and specially at Beaufort recognize his ever constant and consistent efforts for their interests. Mr. Thomas was given a rousing personal reception by his many friends, who gathered at Beaufort, as he left the speaker's stand.
