tom of Contagious Blood Poison is usually a little sore or ulcer is the symptom of Contagious Blood Poison is usually a little sore or ulcer, is a quickly followed by a red rash on the stin, swollen glands in the falling hair, ulcerated mouth and throat, and often copper calored these on different parts of the body. As the blood becomes more fully minated with the poison, pustular eruptions and sores break out on each, and in extreme cases the nerves and bones are attacked and the mails drop off. Then the sufferers find themselves diseased from head it with this humiliating, vile and destructive poison. No other disease highly contagious; many an innocent person has been inoculated by ling the clothing or using the toilet articles of an infected person, is but one certain, reliable cure for Contagious Blood Poison, and that it is a tracked the disease in the right way by going down into the

RELY VEGETABLE

S.S.S. It attacks the disease in the right way by going down into the circulation, and neutralizing and forcing out every particle of the poison. It makes the blood pure and rich, tones up the system, and completely and permanently cures this disease. S.S. has cured thousands of cases of Contagious Blood Poison. If you are suffering with this debasing and destructive fering with this debasing and destructive disease begin the use of S. S. S. and get the poison out of your blood before it permanently wrecks your health. We have a home treatment book on the disease which we will send free to all

who wish it, and in addition our physicians will give without charge any ical advice needed. THE SWIFT SPECIFIC CO., ATLANTA, GA.
