No other disease causes such wide spread suffering as Rheumatism. It is a nerve racking torture, and so thoroughly does it dominate the system, when it becomes entreuched in the blood, that its victims are usually complete slaves to pain. Rheumatism is due to an excess of uric acid in the blood brought on by stomach troubles, weak kidneys, indigestion, and a sluggish condition of the system. The natural refuse of the body, instead of passing off through the ordinary channels of waste, is left to sour and serment in the system because of these irregularities, forming uric sold which is absorbed into the blood, and Rheumstism gets a foothold. As the which is absorbed into the blood, and Rheumstism gets a to-blood circulates through the body it deposits the acrid, irritating sub-stances with which it is naturated, into the different muscles, nerves, tissues and bones. Sharp, biting pains commence, the flesh becomes feverish, swollen and tender, the muscles and joints throb and jerk, and the body is literally racked with pain. Plasters, blisters, liniments, etc., can never cure the disease; they relieve the pain, per-haps, temporarily, but do not reach the

Cough Bemody As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Hemedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd, our baby was taken sick with a severe cold, the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment Even then his breathing was difficult norning. At last I thought of my nother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now, three days later, he has fully recovered.
