City Improvement

At the last meeting of the Civic Department of the Woman's Club, the following resolutions were passed:

Resolved, First, That this department make a strenuous effort to get the streets of New Bern cleaned and kept free from such paper and trash as now litter them.

Resolved, Second, That every man, woman and child in New Bern be invited to join in this effort. That a definite time be set by which the cleaning shall be accomplished and that time be Easter Sunday.

Resolved, Third, That in order to further this movement, all the residents and merchants be urged to clean the streets and gutters in their neighborhood, to always cover trash heaps by something that will prevent its being blown over the streets, and to remove the same as soon as the trash has been hauled away, and the men who open their mail before they reach their homes or offices, be asked to do so in the postoffice lobby and put the wrappers and envelopes in the receptacles found there, instead of throwing them on the streets. That a Civic League be organized among the school children; that the following petition be sent to our mayor and board of aldermen:

To the Honorable Mayor and the Board of Aldermen of the City of New Bern:—

We, the committee of the Civic Department of the Woman's Club, do petition your honor and your honorable board to strictly enforce sections 80 and 82, of Chapter IV, of the city ordinances, and to pass an ordinance that shall prohibit the throwing of advertising dodgers on the streets, or in peoples' yards, or distributing them in any way except by placing them in the hands of some person.

MRS. C. L. STEVENS, Chm. MRS. W. B. BLADES, MRS. C. L. IVES, MRS. J. M. SPENCER, MRS. HUGHES HOLLAND, MRS. CHAS. HOLLISTER, MRS. S. R. STREET, MISS MAY HENDREN, MISS MABEL CHADWICK, Committee.

Sec. 80.—No waste paper or other trash shall be set fire to, or burned, or thrown or otherwise deposited upon sidewalks or public streets of the city. But sweepings may be placed in a box or barrel or some other suitable receptacle placed on the street in the first, second and third wards, on Tuesdays, Thursdays, and Saturdays—and in the fourth fifth and sixth wards on Mondays, Wednesdays and Fridays, not later than four o'clock p. m., and where it is impracticable to open any package of merchandise in the stores the sidewalks, shall be used for that purpose; all letters, trash, nails or stripings shall immediately be cleaned up and deposited in said barrels, boxes or other receptacle; and in no event should there be any nails left there or about the place where said packages of merchandise are opened. Any person or persons violating this ordinance shall, upon conviction, be fined two dollars.

Sec. 82. It shall be unlawful for any person to throw or place any grapes or grape skins, orange or banana peels upon any of the sidewalks of the city. Any one violating this ordinance shall be guilty of a misdemeanor and subject to a fine of ten dollars or ten days imprisonment.

TO THE VOTERS OF CRAVEN COUNTY: Mr. J. W. Lane, who asks you to elect him to the office of County Treasurer is one of the best men in the county. He has been true to Democracy and good government for 40 years. In the dark days of Craven county affairs, he was always found on the firing line. He has answered every beck and call of the Democratic party. He has been a loyal supporter of many friends and now for the first time he asks his friends for their support in the contest for county treasurer. Can we turn a deaf ear to his request? We think not. Let's rally to his support and roll up a handsome majority for him on next Wednesday. MANY DEMOCRATS.

TO THE MOTHERS OF NEW BERN: If you need a suit for your boy—don't forget that we have it in all styles and grades—why not buy now?—when you can get double trading stamps. J. J. BAXTER.

A Watch for the Easter Gift—J. O. Baxter, Leading Jeweler.
