TERRIBLE STRAIN RESULTED NOT AMISS

A Lenoir Lady, After Two Weeks Grinding Labor, Feels Better Than Ever.

Lenoir, N. C.—"I am not tired at all, and am stouter than I have ever been," writes Mrs. Kate Waters, of Lenoir, N. C., "although I have just finished a two weeks' wash. I lay my strength to Cardui, the woman's tonic. I have taken a lot of it and I can never praise it enough for what it has done for me. I can never thank you enough for the advice you gave me, to take Cardui, for since taking it I look so well and am stout as a mule."

You are urged to take Cardui, that gentle, vegetable tonic, for weak women. Its use will strengthen and build up your system, relieve or prevent headache, backache and the ailments of weak women. It will surely help you, as it has helped thousands of others, in the past 50 years.

Children Cry FOR FLETCHER'S CASTORIA

It is said that some evils are necessary. Can you think of one that is?

Ill Health is More Expensive than Any Cure.

This country is now filled with people who migrate across the continent in all directions, seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that neglected cold, all this sorrow, pain, anxiety, and expense could have been avoided. Chamberlain's Cough Remedy is famous for its cures of colds and can always be depended upon. Use it and the most serious diseases may be avoided. For sale by Davis' Pharmacy and all druggists.

High Moral Ground. The moral ground some men are found to take is high enough; but, after all, the highest ground is frequently a bluff.

Train and Track.

It is just being realized that the Transatlantic railroad was a poor job from an engineering standpoint.

Engineers are figuring on piercing Mount Blaine for a double track electric railroad. The tunnel would be eight miles long and would shorten the distance between Paris and Genoa thirty miles.

Law Points.

The adoption of a child under the statutes of one state is held in Brown versus Finley (Ala.), 47 So. 877; 21 L. R. A. (N. S.), 670, to confer upon him no rights of inheritance in lands in another state.

One who intentionally points a gun at another, which is by statute made a misdemeanor, is held in McDaniel versus State (Ala.), 46 So. 988; 21 L. R. A. (N. S.), 678, to be guilty of manslaughter in the second degree if the gun while so pointed is accidentally discharged, producing the death of the one toward whom it is pointed.

How One Doctor Successfully Treats Pneumonia.

"In treating Pneumonia," says Dr. W. J. Smith, of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy. While of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practices and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife, for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by Davis' Pharmacy and all druggists.

Painted Beauty. Handsome is as handsome does. Wrote the poet, but it wasn't very long 'er he found out Handsome is as handsome doesn't.
 —St. Louis Star.

This is Worth Remembering.

Whenever you have a cough or cold, just remember that Foley's Honey and Tar will cure it. J. N. Patterson night policeman of Nashua, Iowa writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Remember the name, Foley's Honey and Tar and refuse substitutes. Davis' Pharmacy.

Misconstrued.

"It's a lovely morning," ventured the young man who had bought a socktie.
 The girl waiting on him did not deny it.
 "Most becoming way you have of dressing your hair."
 "Sir?"
 "How do you manage to keep your hands so beautifully white? I should think that in handling goods."
 "Take your socktie and skip," said the girl. "I had the floor manager lead a French guy out by the ear yesterday."
 "That was all rot I read about paying attention to the head shopgirl at this season," muttered the customer as he hurriedly withdrew.—Philadelphia Ledger.

My Nemesis.

She is not old, she is not young. The woman with the serpent's tongue. She's deep of voice and stout of lung. The woman with the serpent's tongue. Her angry words are sharp as fangs. She really has a serpent's tongue. She vows that she will not be stung. And to my disgrace she has stung.
 Why is her wrath upon me proved? Because I pay for five weeks' worth.—Pittsburgh Courier-Journal.
