OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY.

New Bern, N. C., Jan. 25, 1910

THE 1910 CROP TENDENCY

In most Southern states in their different sections, no doubt the crop tendency for 1910 is already, if it has not before this, taken some shape.

In this section the high price of cotton through the entire season for marketing, has been so uniform, and the outlook continues so favorable for those who still have cotton to market, that it is easy to see that there must be more than one big cotton crop, a crop of at least 13,000,000 bales before cotton is going back to the low price of a year or two ago.

This section the high price of cotton through the entire season for marketing, has been so uniform, and the outlook continues so favorable for those who still have cotton to market, that it is easy to see that there must be more than one big cotton crop, a crop of at least 13,000,000 bales before cotton is going back to the low price of a year or two ago.

But however high the price of cotton, the farmer who makes no home supplies will repeat it. The well filled corn crib, the well stocked pig pen and the pasture with cows and calves, not to forget the poultry, these will add safety to the farmer. Let there be cotton, but let there be hundreds of less carloads of corn, hay and meats coming here from outside places during 1910, food stuffs that can and should be raised in this section.

Catarrh Cannot be Cured.

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces.

Art. I know a lady who can write most lovely poems—she's neglected.

"The long since she has hoped to win the honor that she once expected."

I know a lady who can paint. A pretty talent she possesses.

But oft she has to dine on crusts, as sorrowfully she confesses.

I know a lady for whom art the world is glad to pay her dearly.

She does a dance in her bare feet and otherwise is nude, or nearly.

—Chicago Record-Herald.

S.S.S. REMOVES THE CAUSE OF CATARRH

S.S.S. cures Catarrh by removing the cause from the blood. It so thoroughly purifies the circulation that there is nothing left to inflame and irritate the mucous linings of the body, which in the most prominent and dangerous effect of Catarrh. As long as the mucous membranes and the blood are kept in a state of inflammation and irritation by an impure and infected condition of the circulation, Catarrh will remain. Its disagreeable symptoms of ringing noises in the ears, mucous droppings back into the throat, headache, watery eyes, difficult breathing, and even stomach disorders and weakened health, cannot be permanently relieved until the blood is purified.

AWFUL PAINS FULLY DESCRIBED

A Lady of Pizarro Tells Story of Awful Suffering That Cardui Finally Relieved.

Pizarro, Va.—"I suffered for several years," writes Mrs. Dorra A. Smith, "with that awful backache and the bearing down sensations, so fully described in your book."

"I tried doctors and other medicines and found little relief, until I was induced to try Wine of Cardui, when I found instant relief and today I can heartily recommend Cardui to all suffering women and think there is no other as good."

In some instances, Cardui gives instant relief; in others, it may take a little time. But in all cases of female trouble Cardui can be depended on to be of benefit, as it is a specific remedy for women and acts in a curative way on the womanly organs.

As a general tonic for women, to build up your strength, improve your appetite, bring back rosy cheeks and make you look and feel young and happy, nothing you can find will do so much for you as Cardui.

Your druggist has it.

Sour Stomach.

Mi-o-na Puts the Stomach in Fine Shape in Five Minutes.

If your stomach is continually kicking up a disturbance; you feel bloated and distressed; if you belch gas and sour food into the mouth, then you need Mi-o-na Stomach Tablets.

Mi-o-na stomach tablets give instant relief, of course, but they do more; they drive out the poisonous gases that cause fermentation of food and thoroughly clean, renovate and strengthen the stomach so that it can readily digest food without artificial aid.

Mi-o-na stomach tablets are guaranteed to cure indigestion, acute or chronic, or money back. This means that nervousness, dizziness and biliousness will disappear. Druggists everywhere and the Bradham Drug Co. sell Mi-o-na for 50c.

"I was under the care of four different doctors during nine months and was cured of dyspepsia by Mi-o-na."—Mr. Joseph Grondine, 197 Fountain street, Fall River, Mass.

Cats and Valerian. Cats evince, as is well known, a curious emotional disturbance when in the neighborhood of a valerian plant, of which they are very fond. It is apparently produces in them a species of intoxication.

The Calabar Bean. The calabar bean is highly poisonous and in foreign countries is used for medicinal purposes. Its effect is opposite that of belladonna and is used for contraction of the eye, in tetanus, neuralgia and rheumatic diseases. It is such a powerful depressant to nervous action that surgeons can only use it in small amounts.

Simple Remedy for LaGrippe. LaGrippe coughs are dangerous, as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough, but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is a yellow package. Davis Pharmacy.

Useful Cement. A useful cement for mending earthen or stone jars, stopping leaks in the seams of tin pans or iron kettles or tightening loose joints of iron or wood is made by mixing litharge and glacial acetic acid. This will resist acids, heat and cold if the article is not used until the cement has hardened.

Weatherly's Ride.

Swift as a shot in the discharge of a wheel Weatherly sped with fire at the wheel. Swift as a rocket the first mile was run. Fifty-three seconds the second was done. Lo, but the third was even faster than that.

How the wind whirled through Weatherly's hair! There they foured they literally flew. Sudden a rookiness loomed at the view. Then the fourth they entered in for a "wink."

Thus was Weatherly driven to drink. —Buffalo News.

Saved At Death's Door

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes, "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing 40 pounds, growing weaker daily. Violent liver trouble pulling me down to death in spite of doctors. Then that matches medicine—Electric Bitters cured me. I regained the 40 pounds lost and now am well and strong." REDUCTION

In the Detachment of Coupons From Interchangeable Mileage Tickets Between Points on Norfolk and Southern Ry.

Beginning January 25, 1910, the Norfolk & Southern Railway will detach actual number of coupons for the distance traveled in issuing mileage exchange tickets between points on its line, and will observe the short line mileage between all points. In a word, the transportation expense will be reduced one (1-2) half cent a mile.

Inasmuch as this modification of our Interchangeable Mileage regulations will result in a very material saving in the amount of mileage transportation used between points on the Norfolk & Southern Railway, it is hoped that we may receive a more liberal share of your patronage.

Interchangeable mileage tickets, as well as all other forms of one-way and round trip tickets are on sale at the city ticket office of the Norfolk & Southern Ry., in the Arcade Building, City Hall Ave., (Opposite Monticello Hotel), Norfolk, Va. This office will take pleasure in arranging for the transfer and checking of baggage from hotels and residences to destination.

The new Albaric Sound Bridge, between Edenton, N. C., and Mackey's Ferry, N. C., will be opened for traffic, Jan. 17, 1910, when the passenger train service will be greatly improved, and the running time between Norfolk and all points in Eastern North Carolina will be materially reduced.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have fallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangement, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal arrangements reveal themselves sooner or later on the surface. Headache, dizziness, tired feeling, means that the liver and digestive organs are needing help and relief. Chamberlain's Stomach and Liver Remedy gives this necessary help. Rev. I. W. Williams, Huntington, W. V., writes us as follows: "This is to certify that I used Foley's Kidney Remedy for nervous exhaustion and kidney trouble and am free to say that Foley's Kidney Remedy will do all that you claim for it." Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal question of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held an absolutely confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, establishes safe and healthy conditions, gives the building block of health on every weak woman who gives it a fair trial.
