YOUR KIDNEYS WILL ACT FINE

Few doses regulate the Kidneys ending Backache and Bladder misery.

Out-of-order kidneys act fine and backache or bladder misery is relieved after a few doses of Pape's Diuretic.

Pains in the back, sides or loins, rheumatic twinges, debilitating headache, nervousness, dizziness, sleeplessness, inflamed or swollen eyelids, worn-out feelings and many other symptoms of clogged, inactive kidneys simply vanish.

Frequent, painful and uncontrollable urination due to a weak or irritable bladder is promptly overcome.

The moment you suspect any kidney, bladder, or urinary disorder, or feel rheumatism coming, begin taking this harmless remedy, with the knowledge that there is no other medicine, at any price, made anywhere else in the world, which will effect so thorough and prompt a cure as a fifty-cent treatment of Pape's Diuretic, which any druggist can supply.

This unusual preparation goes direct to the out-of-order kidneys, bladder and urinary system, cleaning, healing and strengthening these organs and glands, and completes the cure before you realize it.

A few days treatment with Pape's Diuretic means clean, active, healthy kidneys, bladder and urinary organs—and you feel fine.

Your physician, pharmacist, banker or any mercantile agency will tell you that Pape, Thompson & Pape, of Cincinnati, is a large and responsible medicine concern, thoroughly worthy of your confidence.

Things Theatrical.

John Drew may be seen next season as Benedict in a revival of "Much Ado About Nothing."

Laura Nelson Hall will play the leading feminine role in Sidney Rosenfeld's new play, "Children of Destiny."

Household Hints.

Allow four eggs to each quart of milk in making cup custards. Even a dishcloth may prove expensive. If dirty it may cause typhoid; if lousy it may clog the plumbing.

A spoonful of ox gall to a gallon of water will set the colors of almost any goods soaked in it previous to washing.

Turpentine should be sprayed or sprinkled in the haunts of cockroaches. It will often quite destroy the pests and will always disperse them.

A clean cloth dipped in hot water, then a saucer of bran, will speedily clean white paint without injury to it. The soft bran acts like soap on the dirt.
