THE PORTER CONFESSES

Says Woman Companion Was In-
sulted After He Is Identified
by Men in The Party.

New York Feb. 26.—William Boyd, the Negro Pullman porter, was positively identified by Leslie H. Lord in the City Hospital Jersey City, yesterday as the man who shot Lord and Harrison S. Higbie on a New Jersey Central Rail-
road train early Wednesday morning. Boyd was also identified at Police Head-
quarters, Jersey City, by Gayle and Roger Young. He then broke down and admitted he did the shooting.

Boyd, whose run is over the Balti-
more and Ohio to Washington, was ar-
rested there early yesterday and brought
back to Jersey City, where he was sub-
jected to a severe examination by Chief
of Police Monahan and Capt. Larkins.
He denied his guilt at first.

In his confession Boyd said that as
Higbie, Lord and the Young brothers
entered the train at the Communipaw
station his woman companion had just
made a remark that caused him to
laugh. Gayle Young, he said, imitated
the laugh. After the four young men
had become seated and the train was
in motion Gayle Young, Boyd says
made an insulting remark about the
woman. He resented it and the four
men got to their feet. Boyd put his
pistol in his hip pocket and Gayle Young
grabbed him, pulling his hand which
held the revolver from his pocket.
There was a scuffle and the revolver
twice exploded.

Boyd said when he was pushed from
the train he did not know that two of
the four men men had been shot. He
declined to give the name of the woman
who was with him, saying there was
no reason why she should be brought
into the case. He is locked up at head-
quarters.

Higbie was too weak to indicate
whether he recognized the prisoner at
the hospital. The physicians are hope-
ful of saving the lives of both Lord and
Higbie.

TO STAMP OUT WHITE SLAVES

Big Appropriation For The Abol-
ishment of This Nefarious
Business

Washington, Feb. 26.—The expendi-
ture of \$100,000 a year in stamping out
the "white slave" traffic would be more
well spent, says Secretary Nagel,
in submitting to the House a recom-
mendation that the total estimate for
regulating immigration be increased
from \$2,400,000 to \$2,500,000.

Mr. Nagel says the enforcement of
"white slave" bill now in conference
between the house and senate, will cost
\$100,000 and that the work will have to
be prosecuted differently than the ordi-
nary immigration law enforcement.

SHORT PASSING EVENTS

(Continued from Page Four)

they to go except one of the two bridges
that leads out from the city? New
Bern should have some place set aside
a recreation ground for a weary popu-
lation. This question is being discussed
among the leading citizens of the city
and the outcome will doubtless be
that we have a park.

This week sixty thousand dollars will
be sent out by the State, Superintendent
of Public Instruction to 42 counties
in the shape of loans to aid in the con-
struction of public school houses. This
means at least as much more
will be expended by counties for this
purpose, and perhaps twice as much
more. There were applications for
over \$25,000 of this state fund, but not
enough was available to supply all, and
so the request had to be scaled down
allowing each county only part of the
amount they requested. Craven coun-
ty comes in for a good proportion of the
amount.

An accident that would have no doubt
resulted seriously for the two passen-
gers in the vehicle, but for the thought-
fulness of one of the drivers on Friday
night just after the arrival of the train.
The two vehicles driven by two colored
men were endeavoring to break the
record to their respective destinations,
and in turning the corner of Hancock
and New they collided with each other.
One of the drivers succeeded in extricating
his vehicle from the remains of the
other and assisted in quieting the
frightened animals. The passengers
decided that they would continue the
journey on foot.

A MILLION DOLLARS FOR ADVERTISING

An appropriation of \$1,000,000 to be
spent this year advertising Pope's Dis-
penza and Pope's Dispensa has been de-
cided upon by the directors of the Pope,
Thompson & Pope Co., Cincinnati, O.
Seventy per cent of the amount will be
sent in the newspapers of the United
States, Canada and Mexico.
The immense appropriation, one of the
largest ever known, proves the Com-
pany's absolute faith in the worth of
their preparation, also the fact that
the newspapers are the best medium to
make a good article, nationally known.
Our readers are already familiar with
Pope's Dispensa, which is said to be a
splendid preparation to relieve upset
stomach and indigestion.

LARGE STEAMER COMPLETE WRECK

British Vessel Arroyo With Valu-
able Cargo Now Going to Pieces
Carried Iron Ore.

Wilmington, N. C., Feb. 26.—Having
failed to be of assistance to the British
steamer Arroyo, which was found
abandoned by the crew off Ocracoke,
N. C., bar early Thursday morning,
the Wilmington tug Alexander Jones,
Captain W. A. Sanders returned to this
port, reporting the vessel and
cargo of 10,000 tons of iron ore from
Santiago Cuba to Philadelphia, a com-
plete loss. When the tug left the
steamer late Thursday afternoon she
lay broadside in nineteen feet of water
on the beach and was rapidly going to
pieces, a strong northeast blow on the
coast today perhaps precluded all possi-
bility of stripping her. Upon arriving
at the steamer, Captain Sanders reports
that he sent a boat crew from the Jones
aboard the steamer finding that the
captain and crew of thirty-two men had
been taken off and were being cared
for at the life saving station five miles
away. After day break the captain
and crew re-appeared and ordered him
to quit the steamer which he did after
some hours, finding all possibility of
saving her futile.

The Arroyo hails from Glasgow and
belongs to Harrison & Co. She is 2307
net tons register, 340 feet long, forty-
three feet beam, 26.8 feet depth and
was built in 1900. The grounding of the
vessel is attributed to heavy fog
which had prevailed along the coast
for several days.

Dr. Charles Duffy

The wise counsel, the devoted and
ungrudging labors of the late Dr. Chas.
Duffy were always at the call and in
the service of the Public Schools of this
county.

With constant fidelity and with zeal
always intelligently directed, he gave
valuable time and thought to the
problems of school management and the
development of a sound and thorough
system.

The Board of Trustees of the New
Bern Academy of which body Dr. Duffy
was for many years an honored and
valued member realize that in his death
this school has suffered the loss of a
safe and trusted adviser and the child-
ren have parted with a friend, whose
tender and sympathetic interest was
entirely in their cause.

In his conception of the office of Trust-
ee, ulterior motive or selfish interest
had no part, and with scrupulous fidel-
ity he discharged his sacred trust.

This Board in common with the com-
munity shares with the family the sor-
row which this death has occasioned.

A physician whose tender sympathy
and skilled ministry went out to the
sorely and afflicted a man whose broad
and generous nature took large than his
of childhood's benefactor of the com-
munity, a friend of the race, has gone
and we are the poorer for it.

Won't Need A Crush.

When John J. F. Brinson, of Col-
umbia, N. C., crushed his leg badly, it
swelled to nearly twice its size. Many
doctors were called. Then they
saw a bottle of Dr. Williams' Pink Pills
and were convinced that it was the
only thing that would do it. He took
them and was cured. He is now
able to do his work as usual.
