BOY IS HAZED BY CLASSMATES

Make Him Dance in Pajamas Before Bethany College Co-Eds And Ducked Him.

Washington, Pa., March 11.—The sophomores of Bethany College, Bethany, W. Va. stripped and lashed Charles Winslow, one of their class, last night. Besides, they degraded him before the college's co-eds, ducked him and locked him in an unfurnished room.

The sophs and freshmen at Bethany, just over the Washington County line, had a cane fight yesterday. Winslow, a Canadian refused to take part, saying he was there to study, not to fight.

Scarcely had darkness fallen when his classmates seized Winslow, tore his clothes off and forced him to run many times around the campus. His torturers stood in a great circle and as Winslow passed each of them, with a whip descended on him, until his back and legs were covered with welts.

Then the young gentlemen of the sophomore class dressed Winslow in pajamas and a night gown and compelled him to dance in a lone Fuller before the girls, dormitory while the fair young students peeped from the windows. Growing weary of their amusement the sophs soused Winslow in Buffalo Creek and locked him up.

Winslow swore out warrants this morning for the arrest of dozens of students who were most active and cruel in hazing him.

Ten of them were haled before Mayor Alonso Wells this afternoon and heavily fined. The other six fled the college town, but will be arrested if they return. Following a conference with Winslow tonight members of the faculty stated that the hazers will be punished severely.

MORE N & S EQUIPMENTS

Electric Headlights For Engines, Express, Mail and Baggage Cars.

To comply with the law of this State passed by the last legislature, the Norfolk and Southern railroad is now equipping its passenger engines with electric headlights. Engine No. 31 will be the first to get in service and three others will follow as fast as the work can be done. The electric headlights will be a new thing in eastern N. C., and as the N & S is almost a straight line between Beaufort and Goldsboro, the lights will be seen a long distance. On leaving New Bern there is a straight stretch of about thirty miles towards Kinston, and with the electric headlight it should be possible to see a train soon after it leaves Kinston.

The Norfolk and Southern has also received and put into service two new express cars—the first part of an order for ten cars which will be delivered in a short time. In the order was two express cars, two mail and baggage cars and four first class passenger coaches. The new equipment comes from the plant of Jackson & Sharpe, Wilmington, Del.

SHORT PASSING EVENTS

Several days ago two colored boys who had been arrested on a warrant charging them with burglary were placed in the prisoner's cell at the City Hall to remain overnight. Some time during the night the boys secured a crowbar from some unexplained source and succeeded in removing several of the bricks and one of the bars which covered the window. After doing this much the boys evidently gave up the job in disgust and threw their tools out of the window and surrendered to the inevitable. This is the second or third time that prisoners have been given aid by some one and the authorities begin to "smell a rat" and there is going to be some investigating done.

Several weeks ago a young Assyrian who gave his name as Shaker Diser opened a small dry goods store in the western section of the city. After getting his affairs in fairly good shape he decided to engage a clerk to manage the store while he went out in the surrounding country to sell his goods. He finally secured a woman of his own nationality who is known as Vaniti Barsber and having installed her in his place of business and given her control of the place in his absence left town. On his return a few days ago he went at once to his store but upon his arrival his clerk refused to let him even enter the door claiming that she was the owner and proprietor. However he finally managed to come to an agreement with her and is now running the place without the assistance of any clerk.

Ordered that E D Avery, of Cove City, furnish provisions to John Jones, of No 3 township, to the value of \$2 00 per month and render his bill to this board quarterly, on the first Monday of January, April, June and October.

Judge H R. Bryan appeared before the board and asked that the Diocese of Eastern North Carolina be relieved from taxation. After reading the opinion of the Attorney General on the subject, it was ordered that the property listed for taxation by the Eastern Diocese of North Carolina, and the Christian Science church from the list, in accordance with the opinion of the Attorney General.

A petition of citizens of Craven Co., presented by Mr. William Dunn, Jr., and others, requesting the county to make an appropriation of two thousand five hundred (\$2,500) dollars, stating that the city would be called upon to make an appropriation of the same amount, for the purpose of adding in defraying the expenses for a Bi-Centennial celebration, which is proposed to be held in the city of New Bern some time during the summer of 1910.

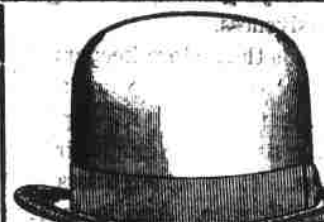

Whereas, the legislature at its session in 1909, authorized the board of commissioners of Craven county, and the board of aldermen of the city of New Bern, to make appropriations of two thousand five hundred dollars to aid in the purpose as above stated.

It is therefore ordered that the said appropriation be made, to be paid out of the general fund, and that the same be paid in amounts as may be called for by the treasurer of the said Bi-Centennial Committee, after it has been passed upon and audited by the board.

At 12 o'clock the board adjourned.
