**AUTHORITY WITHOUT POWER.**

Laws and those elected to enforce them, and yet conditions may be such as to provoke the inquiry, does authority go with office?

Incident of the American meat trust which recently bought out local dealers in the Smithfield market, London, thereby securing a monopoly of the meat business in that metropolis, is interesting in its final features, when the board of Governors in London refused to grant the transfer of the meat stalls to the American Trust. Here was an active Authority. It served the public, protecting the English meat consumer. It is because of such authority that the London meat eater can profit by competition, and enjoy American beef at 20 to 30 per cent. lower price than the American meat eater in New York city. It is this authority when exercised, whether in this matter of meat, or any other of the many trust articles entering into the daily needs of the people, that serves the public. But the people who vote for a tariff that creates monopolies, should not complain. That the tariff makes possible Trusts, and so nullifies authority that should be assertive, is seen every day, and places the American consumer in a helpless state. With cold storage to keep meats and other food products from the consumer until forced to buy at the Trust's price, the American consumer must look with envy at the English consumer, who is saved by an active authority that refuses to give monopoly control and so force prices upward to a prohibitive state. Take away competition, and this the tariff does, and where can any authority assert itself for the public good?

A man is never an expert until he can master his trade.  
 CAPT. BOGARDUS AGAIN HITS THE BULL'S EYE  
 This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says: "I have suffered a long time with kidney and bladder trouble and have used several well known kidney medicines all of which gave me no relief until I started taking Foley's Kidney Pills. Before I used Foley's Kidney Pills was subjected to a severe backache and pains in my kidneys with suppression and oftentimes a cloudy voiding. While upon arising in the morning I would get dull headaches. Now I have taken three bottles of Foley's Kidney Pills and felt one 100 per cent better, I am never bothered with my kidneys or bladder and once more feel like my own self. All this I owe solely to Foley's Kidney Pills and always recommend them to my fellow sufferers." Davis Pharmacy.

**50 Per Cent Better**

"I have used less than one bottle of Cardui," writes Mrs. Gertrude Ward, of Rushville, Neb., "and am feeling fifty per cent better than when I began taking it. Before taking Cardui, I had suffered with female trouble, for eight years. My greatest trouble was irregularity. I also suffered with severe pains, every month, but now I am greatly improved and will recommend Cardui to all my suffering friends."

**Take CARDUI The Woman's Tonic**

The rare medicinal herbs of Cardui are imported by the manufacturers direct from Europe and are not to be found in any other medicine. These ingredients are what give Cardui its superiority, as a female medicine and tonic, over any other medicine. For over 50 years Cardui has been the favorite woman's medicine. The ladies like it, because it is so easy to take, so gentle, so safe, so reliable in its results, and they have faith in its curative tonic powers, because of the thousands of other ladies it has helped. Try it today.

**DAMES AND DAUGHTERS.**

Mrs. Henrietta C. Doster of Atlanta, Ga., is a successful architect.  
 Mrs. Herbert H. D. Peirce, wife of the American minister to Norway, enjoys the reputation of being the most successful fisherwoman who has pilled a hook in the North.  
 Mrs. Reuben A. Steere, once a circus and museum attraction, is now the owner of a restaurant and confectionery store in Chesapeake, R. I. She is forty-four inches tall.  
 Mrs. Lulu Rice of Longmont, Colo., recently received a certificate enabling her to practice embalming. She was the only woman among the seven candidates who took the required examination and the only person who got a certificate.

Mrs. Anna Sturges Duryea has been appointed by the International School of Peace as its official representative on the platform. She will deliver free of charge talks or lectures before any woman's club or other society interested in the object of the society, universal peace and arbitration.  
 It is unofficially announced that Mrs. W. K. Vanderbilt will be decorated with the Order of the Legion of Honor at the next promotion. This has been rumored before, but there is every reason to believe the French government has at last yielded to the almost universal demand on the part of those who are interested in the charitable work of Paris.

**HOW GOOD NEWS SPREADS.**
