SHRINERS HAVE NARROW ESCAPE

Building Caves in at New Orleans, Killing One Boy and Injuring Five Others.

New Orleans, April 15th—With a thunderous crash which caused a panic among the thousands of masked merry-makers a building at South Rampart and Canal streets crashed in yesterday, killing a 14 year old boy and seriously injuring five others. Howard Holliday, the 14 year old son of "Big" Holliday, formerly of the Cincinnati Reds, baseball team, died from injuries here in the crash this afternoon. Young Holliday was passing the building and was struck by falling bricks. This is the Shriner's Mardi Gras and great crowds of masked men, women and children were near the building and in the vicinity.

When the wall collapsed, it crashed through the balconies of two small buildings and the bricks rained into the crowded street. The maskers stampeded and though more than a score were struck, the injuries were not serious.

The meeting of the Shriners here has stirred up a factional fight in the Catholic church of Louisiana.

Archbishop Blank forbade Catholics witnessing the Shriners' parade on pain of incurring the church's displeasure. Thousands defied the order.

ANIMALS FOR BRYAN PAPER MANUFACTURING CO.

Presenta From South Americans For the Nebraskan.

New York April 15—Colonel Theodore Roosevelt will not stand alone in his fame as an animal collector. He has a rival in Col. William Jennings Bryan, three times Democratic nominee for the Presidency. Moreover, while Col. Roosevelt has sent home dead specimens Mr. Bryan sends his alive. Four members of the Bryan menagerie came on the Hamburg-Ameria liner Bluecher when that ship returned from the cruise to the Straits of Magellan. The specimens are two llamas, a Siamese cat and a monkey.

Just how the Siamese cat reached Buenos Ayres was not told to Col. Bryan. He did not press for the information. The cat was the gift of a distinguished citizen who is said to have swelled with pride when he referred to "our honored guest from the far off States with this feline wonder."

All of the animals—the llamas, the Siamese cat and the monkey—were in first class health when they arrived here and they will be shipped to Lincoln, Neb.

Rumors also came on the Bulcher that two parrots, a tapir, two ring-tail monkeys and a few other residents of the tropics are on the way as presents to Col. Bryan.

Exposure to wet, dampness and cold invariably result in a sudden chill, which if not attended to immediately will cause a cold. By mixing a teaspoonful of Davis' Painkiller in half a glass of warm water or milk, the whole system will be heated and the danger of cold avoided. Avoid substitutes, there is but one Painkiller, Perry Davis'. Price 25c. and 50c.

Mr. Gray who was engaged in work at Goldboro was summoned home on the previous day and it was thought that the little one's life could be saved. Thursday night unlooked for complications set in and it was seen that the little one could not live.
