LOCAL PRIDE-A

COMMUNITY ASSET

A community is as its citizens make it. People build cities, for cities do not build themselves. Pride is often offensive as an ex bibit of one family towards anoth er, but make pride general in a try Cardui. hibit of one family towards anothcommunity, make this pride enthusiastic in its character, and it will be found that the next step will be that of a local patriotism, that will push forward not only individ- TO ALL PERSONS INTERESTED ual interests, but there will be a general make forward of every in terest in the community.

its citizenship stands. If there are April term 1910, the undersigned was man's performance both of the duty Community reputation is just as critics, fault finders, law breakers to all persons interested to appear by owes the state. The man's foremost so will these spirits have a depres. May 10th, 1910 and file exceptions, if duty is owed to bimself and his famsing influence upon the communi- they desire to the final account of W. Ily, and he can do this duty only by ty, for as the people, so will the B. Swindell receiver of the Southern earning money, by providing what is Jobbing Company. community be, no better, no worse. It is because of this that the right kind of local enthusiastic pride will prove a most valuable community asset. It means a people united for betterment, filled with a is the germ of LaGrippe, that, breathed civic spirit and a local patriotism after effects and weakness, nervousthat will force ahead trade and in-dustrial interests, until' there are dividends coming from every quar-ter of the community, until this local pride, well developed proves an all time asset, that can be turn ed to yield benefits to each and every citizen of the community. Speak well of your community and start to make it an asset to yield dividends.
