HELPS BURY SLAIN, IS HIMSELF KILLED

Friend of Man Murdered by Brother Struck by Train. Whiskey The Cause.

Brodnax, Va., April 27.—George Miles, a negro from North Carolina, came to this place late Saturday night and reported that his brother, Joseph Miles, had accidentally shot himself while loading a pistol.

Justice of the Peace A. J. Lambert, of this place, went to the abattoir in which the killing took place and in which two brothers together with another negro, Giles Bunkley, lodged, and held an inquest. It developed from the testimony of Giles Bunkley that the two Miles brothers quarreled over cooking supper and George Miles shot and killed Joseph Miles. The slayer was committed to jail for the crime and Bunkley is held as a witness.

Ben Mayo, a neighborhood negro went to the abattoir Sunday morning to help prepare the dead negro for burial. While there he drank some of the mean whiskey with which the older three negroes were filled when the trouble took place. As he was going home he was run over and killed by a freight train.

The killing was on a curve in the track so no blame could be attached to the train crew.

Not Discouraged

The next game played by the New Bern High School Base Ball Team will doubtless be played with a Washington N. C. team at that place. The local boys have several good players in their line up, and they are putting in some very hard work at their practice games to enable them to come out victorious in the next match game they participate in. Even with the best organized teams there are times when they look pretty glum, but the boys are not in the least discouraged by their former defeats.

Unnecessary Trouble

It comes to the Journal officially, that some of the census enumerators, who are now at work in the city under government authority are having trouble with some of the inhabitants. This does not speak well for the intelligence and public spirit of New Bern as a whole and those who persist in giving the enumerators trouble should look at the matter in an entirely different manner and welcome them to their homes. The larger the population that our city can show the better it will be and each one owes it to the city to assist in this work.

Mr. B B Meeks Promoted.

His many friends will be glad to learn that Mr. B B Meeks, who has worked in the capacity of agent for the Atlantic Coast Line Railway Co., in this city, has been promoted to traveling freight agent. He will assume his new duties within a few days. Mr. Meeks will be succeeded by Mr. H. A. Cox.

A Large Contract

When Davis Pharmacy the enterprising druggist, first offered a 50 cent package of Dr. Howard's specific for the cure of constipation and dyspepsia at half price, and guaranteed to return the money if it did not cure he thought it probably from his experience with other medicines for these diseases, that he would have a good many packages returned. But although he has sold hundreds of bottles, not one has been brought back.

Davis Pharmacy wants every person in New Bern who has constipation, dyspepsia, headache, or liver trouble to come to his store or send to Davis Pharmacy 25 cents by mail and get a box of the best medicine ever made at half the regular price, with his personal guarantee to refund the money if it does not cure.

To those suffering with indigestion, headache, poor digestion, constipation and sleeping. Dr. Howard's specific offers quick relief.

THE BANK CASE.

First Day of Trial in Federal Court of J. R. B. Carraway. Recess Until this Morning.

The case of United States vs. Carraway and others, commonly known as the bank case, was called in the Federal Court early yesterday morning. The defendant Carraway moved the court to quash the indictment for several reasons, among others that the indictment had been found by a grand jury in Wake county on the evidence of a government detective, unsupported by other testimony. The court overruled the motion.

The defendant Taylor moved the court to quash the indictment because of misjoinder of parties and for duplicity. The defendant Stevens likewise made the same motion. The court reserved the motion to quash the indictment as to Taylor and Stevens for later decision but announced that the court would not permit the defendants to be tried together.

Thereupon the case against Carraway was called and the prosecuting attorney stated that he would proceed with the trial of the case against Carraway upon the indictment found in Wake county, and upon the indictment found against Carraway alone by the grand jury of this court, the two indictments having been consolidated. To give the defendant Carraway an opportunity to examine the last indictment a recess was taken until 12 o'clock at which time the case was opened to the jury.

The government introduced evidence to sustain the charge against Carraway for the embezzlement of \$950. Upon cross-examination of the cashier of the bank it was shown that Carraway at the time of the alleged embezzlement had on deposit in the saving department of the bank more than \$1400 and that he had withdrawn from his own saving account \$350 or more and had borrowed the other \$600 from the bank through its cashier, upon a note secured by stock in a Wilmington bank, thus proving that Carraway had used money of his own in paying out the \$950 alleged to have been embezzled. At six o'clock recess was taken until this morning.

Colored Woman Burned to Death.

News was received in this city yesterday which stated that Elizabeth Hudson, an aged colored woman who lives near Swansboro, had been burned to death by the explosion of a kerosene lamp.

From what could be learned it seems that the woman had just filled up the lamp with oil and struck a match preparatory to lighting it to heat the brillon. In some way the oil on the outside of the burner became ignited and the explosion followed.

The woman was so badly burned about the face and body that she died in a very short while.

THE FIRST DAY'S EXHIBIT

Primary Work The Feature. Five Programs Rendered. Again This Afternoon.

At the opening of our annual exhibit yesterday afternoon, the doors of our school were thrown open to the general public. All the rooms were artistically decorated with cut flowers and ferns, and as a whole the exhibit made a striking appearance.

At first every one naturally seeks the exhibit of the primary grades, which indeed deserve full attention. The work in drawing, coloring and cut work in very remarkable for children of the first grade. But more attractive is the work of the second grade. In the advanced first grade we find very much the same kind of work: sewing cards, drawings, coloring and colored four-leaf clovers and butterflies used for decorating.

Next as we pass on to the second grade we see a great deal of raffia work in the shape of baskets, hats and picture frames. The representation of a village street, with the pond, streets etc. is also very attractive, and the illustrated stories of "Cinderella" and "Little Red Riding Hood" show a great deal of thought and skill. As we advance now towards the end of the primary department we find excellent drawings Hugh Hinnant and Fred Cohen the third grade.

For about an hour each afternoon there is given a short exercise in the auditorium by the different grades. Yesterday the exercises given by the primary grades were fully enjoyed by every one.

The program was as follows:

1. Orchestra.
2. Solo—Sing a Song of Sixpence—Irene Craven.
3. Motion Song—Pupils of First Grade.
4. Recitation—Tommy on the School Question—Charles Hall Ashford.
5. Merry Milkmaids—Second Grade, C Section.
6. Recitation—Entertaining Sister's Beau—Wilhelmina Hein.
6. Song—Raindrops—3 C Grade.
8. Dialogue—He Went to School—3 A Grade.
9. Recitation—Reflection of Bobby—Why?—Sterling Becton.
10. Song—Scuse Me—2 B Grade.
11. Recitation—A Little Boy's Trouble,—Denard Roberts.
12. Song—Baby Days—3 B Grade.
13. Motion Song—First Grade.
14. Recitation—Things inside—Craighill Brown.
15. Recitation—Pa's Cleaning House—Gladys Jackson.
16. Song—Fingers Lulla Bye See—Saw Adv. First Grade.
17. Dialogue—The Wind—Helen Hollister, John Weddell.
18. When Papa Was a Boy—Bryan Duffy.
19. Song—Froggie's Swimming School—2 C Grade.
20. Recitation—Letter Writing—Ruby Bryan.
21. Solo—A Big Wax Doll—Thelma Bryan.
22. Recitation—Learning to read—Grace Jamison.
23. Solo—Six Little Mice—Frank Hill.

Love's Labor Lost

It will be remembered by those who visited the Maryland Carnival, which exhibited in this city several days ago that there was an Italian in the band which furnished music for the different attractions, who was very attentive to the visitors, especially the ladies.

During his stay in this city he succeeded in winning the affections of a young lady who lives in the northern part of the city and upon leaving for Goldsboro, their next stand, he endeavored to get her to "leave her happy home" and marry him.

The young lady, however, was not ready to bid her friends and associates adieu and told him that she would follow within a few days. In some way she succeeded in making her preparations for leaving home without causing any suspicion and it was not until after she had been gone several hours that her family discovered that she had left home.

The young lady's brother began an investigation and succeeded in locating his sister who was then in Goldsboro, and started in pursuit of her with the result that the young lady is now encamped in her home and one much beloved and battered Italian is now on his way to New York in search of a new job.
