OFFICIAL PAPER OF NEW BERN AND CRAVEN COUNTY, New Bern, N. C. April 28, 1910

A MEDAL FOR NEWS PAPER MENDACITY.

No stronger evidence is needed to show for the truthfulness of the State press, than that a medal is to be offered to encourage newspaper lying. It is not hard for those familiar with the editors of North Carolina, to point out the promoter of this medal for newspaper mendacity. It is the Charlotte Chronicle, and Editor Wade Harris, and no keener judge of a newspaper lie can be found, and for that matter except for his innate delicacy which prevents his being a competitor for this medal, he would easily gain it each year, and so keep it in Charlotte. Of course in throwing open the field for entries, Editor Harris is complimentary to his friends, naming Judge Clark, of the Statesville Landmark as an able competitor, but the medal for this year appears to go to John B. Sherrill, of the Concord Times, to be presented at the Press Convention in June, at Wrightsville. Editor Boylin, of Wadesboro, is also set down as one who will give any winner a hard run for the medal.

Two things the Journal would take exception to in this matter, first, that the medal goes without due announcement, and shuts out the very object Editor Harris seeks to encourage, newspaper mendacity, for Editor Sherrill gets the prize and only four months of the year have passed. Second, the umpire in the contest has no check, he can award the medal without there being any open contest, and the decision gives the defeated ones no chance of protest.

However, the object is an excellent one, and the State newspapers can make their columns more interesting by occasionally breaking away from all truth news.

Children Cry FOR FLETCHER'S CASTORIA

The only time our friends are candid when they have something disagreeable to say.

SAVED FROM THE GRAVE. "I had about given up hope, after nearly four years of suffering from a severe lung trouble," writes Mrs. M. L. Dix, of Clarksville, Tenn. "Often the pain in my chest would be almost unbearable and I could not do any work, but Dr. King's New Discovery has made me feel like a new person. It is the best medicine made for the throat and lungs. Obsolete coughs, stubborn colds, hay fever, la grippe, asthma, croup, bronchitis and hemorrhages, hoarseness and whooping cough, yields quickly to this wonderful medicine. Try it. 50c and \$1.00. Trial bottle free. Guaranteed by all Druggists."

The Samoan Language. Speaking of the flexibility of the Samoan language, one who uses it says that the little word "ta" means I, we, too, to beat with a stick, to play on a musical instrument, to reproach, to tattoo, to open a vein, to wash clothing by beating and to give someone a snuff.

WOMEN'S WOES.

New Bern Women Are Finding Relief at Last

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ailments cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. N. Vincent, 103 Craven St., New Bern, N. C. says: "Doan's Kidney Pills cured me of backache several years ago and at that time I gave a public testimonial in their favor. Since then I have had no occasion to use them or any other kidney remedy as the relief I obtained has been lasting. I procured Doan's Kidney Pills at Bradham's Pharmacy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Habits. Hardly any animal is more difficult to tame than the young of the wild rabbit. On the other hand, scarcely any animal is tamer than the young of the tame rabbit.

Longest Cantilever Bridge. Great Britain has the longest cantilever bridge in the world in the great Forth bridge across the Forth of Forth, Scotland. This bridge has two cantilever shore arms of 680 feet and two main cantilever spans of 1,710 feet. It was begun in 1883 and was completed in 1890.

THE SOUND SLEEP OF GOOD HEALTH

The restorative power of sound sleep cannot be estimated and any ailment that prevents it is a menace to health. J. I. Southern, Eau Claire, Wis., says: "For a long time I have been unable to sleep soundly nights, because of pains across my back and soreness of my kidneys. My appetite was very poor and my general condition was much run down. I have been taking Foley's Kidney Pills but a short time and now sleep as sound as a rock. I eat and enjoy my meals, and my general condition is greatly improved. I can honestly recommend Foley's Kidney Pills as I know they have cured me." Davis Pharmacy.

Hedelberg Castle. The castle of Heidelberg is the largest in Germany. It stands 330 feet above the Neckar river and was occupied as a castle as early as A. D. 1294. Lightning Rapidity.

It is absolutely impossible for us to conceive of the rapidity and brilliancy of lightning. It has been estimated that a flash occupies less than one-millionth part of a second. As one-tenth of a second is needed for the full effect of any light upon the eye, we get only a very faint idea of the brilliancy of the flash.

A REAL TONIC S. S. S. & BLOOD PURIFIER. Any system that needs a tonic needs also a blood purifier, for it is the weakened and impure condition of the circulation that is responsible for the run-down state of health. We have only to recognize the importance of pure, rich blood in preserving health, to realize the danger of a weakened or impure circulation. Deficient blood environment weakens the system, and it can not retain vitality like a strong robust constitution. First the body has a worn-out feeling, the appetite is lacking, energy begins to flag, the digestion is bad, etc. If the condition is not corrected at this stage more serious results are sure to follow, and sometimes a long debilitating spell of sickness is the result. S. S. S. is Nature's tonic, made of roots, herbs and barks. It is not a nerve stimulant, but a medicine that steadily builds up every portion of the system by cleansing and enriching the blood, and in this way supplying an increased amount of nourishment and restorative power to every portion of the body. S. S. S. quiets the overactive nerves, improves the appetite, tones up the stomach and digestion, and thoroughly cleanses and purifies the blood. S. S. S. is a real tonic because it is a real blood purifier. S. S. S. is a medicine that builds up the system and gives you the same beneficial benefits as the tonic and blood purifier. S. S. S. is a medicine that builds up the system and gives you the same beneficial benefits as the tonic and blood purifier.
