SOMETHING BESIDES 4 PER CENT

The fact that this Bank pays you four per cent on your savings is important to you, of course, but principally, because, in connection with this rate, it offers you ALSO the exceptional degree of SAFETY secured by its unusually large Capital of \$200,000.00 and by the most conservative management. Are your savings where they enjoy these advantages?

RALEIGH NEWS OF THE DAY

Woman's Club Endeavoring to Clean City. Much Interest in Tuberculosis Exhibit.

Raleigh May 9.—The audience will choose its own topic when the folks get together at 5 o'clock today at the Woman's Club to study "making the city a better place in which to live." A dozen big topics are up for consideration in the series of Round Table sessions. The selection of the topics is left to those who attend. This afternoon the election will be made for today and for the next session of the council. Any one who is really interested and actually wants to do something for the common good is welcome to meet at the Woman's Club, which has very kindly offered an attractive audience room, altho' the sessions have no connection with the work of the Woman's Club. Those who are not members of the club will be just as welcome.

Chapel Hill heard about tuberculosis this morning. Supt. Judd was present for the breaking up exercises and in addition to what he said about the campaign in the county Dr. Albert Anderson gave a brief talk upon the subject.

Recorder D. T. Johns, of the Fraternal Mystic Circle, has written to the Tuberculosis Exhibition telling of his deep personal interest in the campaign against tuberculosis and the assurance that he will help the campaign along.

Secretary Geo. T. Hull of the Raleigh Central Labor Union is helping the exhibition management to gather special information about labor bodies in this territory. The labor men are especially interested because a part of the exhibits has to do with conditions which vitally affect the welfare of the man who works with his hands.

HOPE TO SAVE STEAMER

Wreckers at Work on The Roland on Carolina Beach

Norfolk, Va., May 8.—The North German Lloyd steamship Roland, bound from Galveston to Bremen, via Norfolk with a cargo of cotton, and which went ashore on the Currituck beach, North Carolina, in a fog was hauled into a more favorable position by wreckers.

A cable with heavy anchors has been made fast to the ship and an effort will be made to float it at high tide.

The ship can probably be saved should the weather remain moderate, the greater danger to it being from a possible storm.

Card of Thanks

I wish to express my thanks to the New Bern Fire Department and the public at large for the excellent services rendered by them in saving my home from total destruction by fire yesterday morning.

ISAAC COHEN

Want to Increase School Tax.

At the regular monthly meeting of the Craven County Teacher's Association which was held in Superintendent S. M. Brinson's office Monday morning, Fort Barnwell presented a petition for an increase of the amount of school tax from 20 to 25 cents. This action on the part of the people living in that locality clearly demonstrates the fact that they are desirous of bettering their educational condition. The increase will doubtless be secured.

Fire Yesterday Morning

Early yesterday morning it was discovered that the residence occupied by Mr. Isaac Cohen on King street, was on fire. The alarm was turned in at once and in the meantime the neighbors done all in their power to keep the flames under control. On account of the horses which draw the hose wagons and incidentally the city trash carts, being in the northern section of the city, considerable time was lost, and ere the firemen were on the scene the blaze had gained much headway. The fire, which originated in the bath room located on the second floor, was hard to get to with a direct line of water and this also hindered the firemen. However they finally succeeded in extinguishing it before the building was totally destroyed.

Don't fail to see J. J. Baxter for any thing you may need, his stock is the largest and most up-to-date, he has ever carried. Can save you 10 to 25 per cent.

Davis Pharmacy Successful

After a great deal of effort and correspondence Davis Pharmacy the popular druggists has succeeded in getting the Dr. Howard's Co. to make a special half-price introductory offer on the regular fifty cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a recent discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief, but it makes permanent cures.

Dr. Howard's specific has been so remarkably successful in curing constipation, dyspepsia and all troubles that Davis Pharmacy is willing to return the price paid in every case where it does not give relief.

So great is the demand for this specific that Davis Pharmacy has been able to secure only a limited supply, and every one who is troubled with dyspepsia, constipation or liver troubles should call upon him at once.

THE BOARD OF ALDERMEN

Sanitary Inspectors Appointed. J. A. Newkirk Succeeds H. M. Groves as Alderman.

Board met in regular session last night. A petition for a light near the colored Presbyterian church on Pasteur street was received and the light ordered. A petition to extend a water pipe on Gwyn street, also sewer brought up a long discussion, and part of sewer ordered. The Ward-Abernethy claim in the Ann Donnell estate was, on motion, determined by ordering \$175 being paid in full settlement. Mr. T. A. Green asked that the dock at foot of Craven street be dug out. This was ordered months ago by the board, the delay being caused by the dredge not being able to get here. Order was continued. Mr. L. I. Moore asked that \$500 of the \$2,500 city bi-centennial fund be made available for use this month. So ordered. The speed limit of trains on Hancock and Queen streets came up and some action was promised at the next meeting. Drivers of fire hose wagons were instructed to have their meals at engine house. Ordered that the committee buy a pair new team horses for city use in hauling. Estimates by city engineer Brown showed that the bond issue would not be sufficient to cover Pollock street paving, if enough to complete all of Johnson street. A long discussion took place over matters of city building sporting park. J. E. Gaskill and E. T. Hollowell were appointed sanitary inspectors. The resignation of alderman Groves carried over from April meeting was accepted and J. A. Newkirk was named to succeed him as alderman.

Now is the time to buy light clothing and summer underwear, we have them in all weights and grades. J. J. Baxter.

Oyster Season Over

Lay away the tongs Bill. Let's pole in the smack, April's come and gone Bill, Business now is slack.

Neuse tongers, like the Arabs of old, have "folded their tents and silently stolen away," for the last month of spring with an "r" in it has fallen under the reaper of time, and the oyster industry will be in a state of lethargy until the blooming of the harvest moon of September.

Midnight Doctors

are the most unwelcome visitors—even the Doctor himself curses the luck that compelled him to leave his comfortable bed. Suppose you try our method, and keep a big 35c. bottle of Perry Davis' Painkiller in the house, and let the Doctor stay in bed and enjoy himself.

White Oak Items

May 3—We are having some very fine weather now excepting it is most too cool for crops.

Mr. M. E. Eubank, was here Thursday and Friday taking up pictures to enlarge, he was very successful, hope he will come again soon.

Mr. and Mrs. B. F. Eubank was a welcome guest at Mr. Charles Collins, Thursday afternoon.

Members, Charlie Gooding and Dock Collins were welcome visitors at Mr. Charles Collins the fourth Sunday, and so Mr. John Riggs.

Miss Gladys Collins of this place is visiting her aunt Mrs. D. M. C. Parsons, this week.

Quite a number of our people attended church at White Oak last fourth Sunday near Mayaville N. C.

The Springfelt Mattress
A Long-Felt Want

Springfelt

Ventilated Sanitary Durable Resilient
These important qualities are the result of the best material known

The Springfelt Mattress is an invention for which a patent has been granted. In the construction of this mattress we use a special constructed 120 coil very highly tempered spring. The Springfelt Mattress does not require any other spring, this saving the expense of a spring. If desired they can be placed on another spring, but we do not recommend this except for a very heavy person. The Springfelt can be dressed over or end for end, so as to insure equal wear. Both sides are made alike.

The ventilation of a mattress is essential, and the Springfelt has a ventilator in each end, covered with fine brass gauze wire. These ventilators make a very sanitary mattress.

"WHAT A DELICATE CHILD"

is the remark we often hear when referring to little ones whose faces are pale and wan, and limbs thin and spindling.

If mothers in this vicinity only realized how quickly these little ones can be made strong, robust and rosy by our delicious cod liver and iron preparation VINOL, we would not see so many delicate children on our streets. F. S. Duffy Druggist New Bern N. C.

A Good Way to Use Hyomei

Besides breathing through the inhaler a few times a day, many catarrh sufferers write that they find inhaling Hyomei from a bowl of steaming water each night before retiring a great aid in curing stubborn cases.

Try it! It's very simple, gives quick relief and makes you breathe easier.

Fill a bowl half full of boiling water, pour into the water a half teaspoonful of Hyomei, cover head and bowl with a towel and breathe through nose and mouth the medicated antiseptic and healing vapor that arises.

This method relieves that stuffiness at once and makes your head feel clear.

You can get a bottle of Hyomei at druggists every where or at the Bradburn Drug Co. for only 50 cents. Ask for extra bottle Hyomei Inhaler.

But bear in mind if you want a Hyomei Inhaler you must buy a complete outfit which only costs \$1.00.

But as stated before, if you already own an Inhaler a bottle of Hyomei costs but 50 cents.

Hyomei is guaranteed by druggists every where and by the Bradburn Drug Co. to cure catarrh, sore throat, coughs, colds, nose fever, catarrh and many other money bank. Try it on that generous basis.

In addition the proof of the matter is in the destruction of the plates.
