## Large Capital is Vital

Whether your lawyer or your doctor has much or little money is immaterial to you. The quality of their service does not depend on Capital.

But your bank—that is different, for no amount of personal willingness on the part of your banker, can take the place of the ability to serve that goes only with the possession of large capital.

With these facts in mind the \$200,000.00 Capital of this Bank becomes a matter of serious import in choosing a Bank.

Perhaps you don't know how much work is required of your kidneys and bladder or of how much importance they are. Do you know that on these important organs hinges good health? Many an apparently strong, healthy man or woman has been stricken with out notice, by serious kidney and bladder disease only to realize what might have been prevented with proper care and attention.

Some of the early symptoms of weak kidneys and bladder are lumbago, rheumatism, catarrh of the bladder, pain or dull ache in the back, joints or muscles, at times have headache or indigestion, dizziness, you may have a sallow complexion, puffiness or dark circles under the eyes, sometimes feet as though you had burnt trouble, may have plenty of ambition but no strength, get weak and waste away.

If you find you have some of the symptoms mentioned, you need then a remedy that will reach the seat of the disease and at the same time build up the system generally.

Such a remedy is Swamp-Root, the great kidney, liver and bladder remedy. I apprehend of cases it has accomplished that the work you need performed now.

### LINER BATTERED BY FIERCE STORM

Seaman on Board Caronia Lost. Others Badly Injured—Passengers Terrified

New York 12—Battered by a terrific sea, which carried away a portion of the forward deckhouse and bridge, the Conard liner Caronia lost one seaman Monday night, while several others were badly hurt.

When the vessel made port today repairs had not been made to the bridge, and huge splinters and broken jagged timbers indicated the force of the giant wave. Most of the passengers admitted they were badly scared by the storm which swept down from the northwest and prevailed until noon yesterday, but the officers declared the Caronia was never in real danger.

The man lost, a seaman named Hill, was one of several who were making fast lashings on deck fixtures when a wave swept the vessel. He was carried overboard, but his more fortunate fellows brought up against a rail and were able to hold on until the wall of water passed.

General Willis Weds.

Swanboro, May 11.—The marriage of General W. H. Willis to Mrs. Margaret Odum, was celebrated at the residence of the bride, near this place, on Sunday evening last. Rev. Mr. Biggs, pastor of the Baptist church here, performed the ceremony.

The bride is the daughter of Mr. Alex. Trotter, a well known resident of Whiteoak. Some years ago she married an industrious young man of this neighborhood, and together they accumulated a nice little farm, a comfortable home and a fine oyster garden when he died, leaving her the mother of three children, two boys and one girl.

Everybody knows the General, not only in this county but elsewhere, the jolly, whole-souled congenial Sage of Wards Mills. For many years he has been a newspaper correspondent at that place, taking in the items occasionally from Bear Creek, where he also had a home and farm. Now that the General has three homes, he will have a wider range, but he has signified his intention of taking up a permanent residence in Swanboro.

A host of friends gathered to witness the marriage filling the house and yard with their friendly presence and generously invoking showers of blessings on the happy couple.

Monday night 30 or more young men of the town went out to the General's home and gave him a rousing old-time country serenade, which perhaps disturbed the veterans' slumber, but made him feel mighty good when he realized that the boys' shouts and songs were only an attest of his great popularity.

### Woman's Beauty

Imperfect Digestion Causes Bad Complexion and Dull Eyes.

The color in your cheeks won't fade, the brightness in your eyes won't vanish if you keep your stomach in good condition.

This was the advice of a prominent physician to a woman's club in Boston and it is good advice.

Balding of the hair, heaviness, sour taste in mouth, dizziness, biliousness and nausea occur simply because the stomach is not properly digesting the food.

The blood needs nourishment to carry vigor, vim and vitality to every part of the body and when food ferments in the stomach enough nourishment is not supplied.

Milk or stomach tablets give instant relief to upset stomachs, but they do more; they put strength into the stomach and build it up so that it can easily digest a hearty meal without giving its owner hours of misery.

Milk is sold by druggists everywhere and by Bradburn Drug Co. at 50 cents a large box. It is guaranteed to cure indigestion or any stomach disturbance or money back.

Invited at a meeting held in said township for the purpose of re-organizing said committee.
