Davis Pharmacy Successful

After a great deal of effort and correspondence Davis Pharmacy the popular druggist has succeeded in getting the Dr. Howards Co., to make a special half-price introductory offer on the regular fifty cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a recent discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief, but it makes permanent cures. Dr. Howard's specific has been so remarkably successful in curing constipation, dyspepsia, and all troubles that Davis Pharmacy is willing to return the price paid in every case where it does not give relief.

So great is the demand for this specific that Davis Pharmacy has been able to secure only a limited supply, and every one who is troubled with dyspepsia, constipation or liver trouble should call upon him at once.

Some families are so lucky that when they are praying for a boy baby he arrives as a girl twice.

Our Town Druggists.

say that Painkiller sells the best of any medicine they keep; during the bad times of the past year or two, there were none too poor to pay their "quarter" for a bottle of this indispensable family medicine, as sure and get the genuine, 25c, 50c, and 50c bottles.

The Fiedler's Philosophy.
No! all a boy can own a fruit a tree.
Don't have a tree if you must grow a tree.
The tree grows under a man's care.
Then come a gentle and give a good heart.

BILIOUSNESS AND CONSTIPATION

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual form and vitality. My sleep was broken and refreshing rest made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feelings at once, strengthen the liver, the bowels, and give the stomach, liver and bowels the rest and refreshment they need naturally. TRUTH

No. 6

Oil is now California's biggest industry—bigger than gold. Oil is an extremely profitable business when handled as a business proposition. The demand for oil is greater than the supply. The demand grows greater daily. It is the only fuel now used on the Pacific Coast by railroads, steamships, factories and office buildings. Japan is using millions of oil on her warships. The United States will unquestionably use oil in the Navy, which will mean millions more. Oil is cheaper than the cheapest coal. It is the safest, most economical, cleanest and the easiest fuel to handle. Oil will soon be the fuel of the world.

The California Oil Fields are now by far the biggest producers of fuel oil in the world. The supply is apparently inexhaustible. Three pipe lines, costing about \$10,000,000 each, pump oil to tide-water, where it is transported to all parts of the world. A pipe line, costing \$25,000,000 is about to be built into Arizona, to supply the smelters with cheap fuel. The price of oil at the well is now around 80c. a barrel—it will go up. California oil stock is the most profitable as well as safest investment ever offered the public, providing the oil companies are good substantial companies.

California oil presents an opportunity to the capitalist and the wage-earner alike. Bankers, business men, clerks, laborers, both men and women, are investing—whether a million or a few dollars, they are investing for big dividends and immense returns—and they are getting them NOW. Many millionaires have been made from California oil in the past ten years. Millionaires are now being made month after month. The small investor may not be able to make a million dollars, but he can make more money safely and honestly from a few dollars than he can from a year's toil.

Now is the time for you to invest. Buy California National Crude Oil Company's stock at 40c. per share. Fill out the attached blank and forward your subscription at once.

A little backache at first. Daily increasing till the back is lame and weak.

Urinary disorders quickly follow: Diabetes and finally Bright's disease. This is the downward course of kidney ailments.

Don't take this course. Follow the advice of a New Bern citizen.

James E. Askin, 14 George St., New Bern, N. C., says: "While in the army I received a severe strain, and after that I was subject to attacks of kidney trouble. My back ached a great deal and at times passed, the trouble became much worse. I tried many remedies, but seemed unable to obtain relief and finally hearing of Doan's Kidney Pills, I obtained a box at Bradford's Pharmacy. They gave me more relief than I had ever before experienced. Doan's Kidney Pills not only stopped the pain in my back, but strengthened my kidneys and made my general health better."
